

§ 1174.6 Prerequisites for issuing a complaint.

The authority may issue a complaint only if:

- (a) The Attorney General (or designee) approves the reviewing official's referral of the allegations for adjudication; and
- (b) In a case of submission of false claims, if the amount of money or the value of property or services that a false claim (or a group of related claims submitted at the same time) demanded or requested does not exceed \$150,000.
