

§ 1326.81 Scope of rules.

(a) The rules of procedures in this subpart govern the practice for hearings afforded by the Department to States pursuant to sections 124, 127, and 143 of the Act. (42 U.S.C. 15024, 15027 and 15043).

(b) Nothing in this part is intended to preclude or limit negotiations between the Department and the State, whether before, during, or after the hearing to resolve the issues that are, or otherwise would be, considered at the hearing. Negotiation and resolution of issues are not part of the hearing, and are not governed by the rules in this subpart, except as otherwise provided in this subpart.
