

§ 1351.14 What is the period for which a grant will be awarded?

(a) The initial notice of grant award specifies how long HHS intends to support the project without requiring the project to recompetete for funds. This period, called the project period, will not exceed five years.

(b) Generally the grant will initially be for one year. A grantee must submit a separate application to have the support continued for each subsequent year. Continuation awards within the project period will be made provided the grantee has made satisfactory progress, funds are available, and HHS determines that continued funding is in the best interest of the Government.
