

§ 1351.26 What are the additional requirements that both the Basic Center and Transitional Living Program grantees must meet?

(a) Basic Center and Transitional Living grantees shall develop and implement an aftercare plan, covering at least 3 months, to stay in contact with youth who leave the program in order to ensure their ongoing safety and access to services. A youth's individual aftercare plan shall outline what services were and will be provided as well as the youth's housing status during and after the program. The plan shall be provided to the youth in exit counseling or before. Follow-up efforts shall be made for all youth. For those contacted after 3 months, the plan shall be updated to record the rate of participation and completion of the services in the plan at 3 months after exiting the program. In accordance with section 312(b)(5) of the Act, as possible, Basic Center grantees shall also provide a plan for providing counseling and aftercare services to youth who are returned beyond the state in which the runaway and homeless youth service is located.

(b) Basic Center and Transitional Living grantees shall develop and implement a plan for health care services referrals for youth during the service and aftercare periods. Such referral plans shall include health care services and referrals and counseling on insurance coverage through family health insurance plans, or to agencies that assist in enrolling persons in Medicaid or in insurance plans offered under Affordable Care Act exchanges.

(c) Basic Center and Transitional Living grantees shall develop and implement a plan to assist youth to stay connected with their schools or to obtain appropriate educational services, training, or employment services. This includes coordination with McKinney-Vento school district liaisons, designated under the McKinney-Vento Homeless Assistance Act, to assure that runaway and homeless youth are provided information about the services available under that Act. This also includes coordination with local employment and employment training coordinating agencies or programs, coordination with local college placement services, and providing access to the Free Application for Federal Student Aid (FAFSA) application.
