

§ 1356.82 Data collection requirements.

(a) The State agency must collect applicable information as specified in section 1356.83 of this part on the reporting population defined in section 1356.81 of this part in accordance with the following:

(1) For each youth in the served population, the State agency must collect information for the data elements specified in section 1356.83(b) and 1356.83(c) of this part on an ongoing basis, for as long as the youth receives services.

(2) For each youth in the baseline population, the State agency must collect information for the data elements specified in section 1356.83(b) and 1356.83(d) of this part. The State agency must collect this information on a new baseline population every three years.

(i) For each youth in foster care who turns age 17 in FFY 2011, the State agency must collect this information within 45 days following the youth's 17th birthday, but not before that birthday.

(ii) Every third Federal fiscal year thereafter, the State agency must collect this information on each youth in foster care who turns age 17 during the year within 45 days following the youth's 17th birthday, but not before that birthday.

(iii) The State agency must collect this information using the survey questions in appendix B of this part entitled "Information to collect from all youth surveyed for outcomes, whether in foster care or not."

(3) For each youth in the follow-up population, the State agency must collect information on the data elements specified in sections 1356.83(b) and 1356.83(e) of this part within the reporting period of the youth's 19th and 21st birthday. The State agency must collect the information using the appropriate survey questions in appendix B of this part, depending upon whether the youth is in foster care.

(b) The State agency may select a sample of the 17-year-olds in the baseline population to follow over time consistent with the sampling requirements described in section 1356.84 of this part to satisfy the data collection requirements in paragraph (a)(3) of this section for the follow-up population. A State that samples must identify the youth at age 19 who participated in the outcomes data collection as part of the baseline population at age 17 who are not in the sample in accordance with 45 CFR 1356.83(e).
