

§ 1631.20 Disposing of real estate purchased with LSC funds.

(a) *Disposal by LSC recipients.* During the term of an LSC grant or contract, a recipient must seek LSC's prior written approval to dispose of real estate purchased with LSC funds by:

- (1) Selling the property after having advertised for and received offers; or
- (2) Transferring the property to another recipient of LSC funds, in which case the recipient may be compensated by the recipient receiving the property for the percentage of the property's current fair market value that is equal to the percentage of the costs of the original acquisition and costs of any capital improvements borne by non-LSC funds.

(b) *Disposal after a recipient no longer receives LSC funding.* When a recipient who owns real estate purchased with LSC funds stops receiving LSC funds, it must seek LSC's prior written approval to dispose of the property in one of the following ways:

- (1) Transfer the property title to another grantee of LSC funds, in which case the recipient may be compensated the percentage of the property's current fair market value that is equal to the percentage of the costs of the original acquisition and costs of any capital improvements by non-LSC funds;
- (2) Buyout LSC's interest in the property (*i.e.*, pay LSC the percentage of the property's current fair market value proportional to its percent interest in the property); or
- (3) Sell the property to a third party and pay LSC a share of the sale proceeds proportional to its interest in the property, after deducting actual and reasonable closing costs, if any.
- (4) When a recipient stops receiving LSC funds because it merged with or is succeeded by another recipient, it may transfer the property to the new recipient. The two entities must execute an LSC-approved successor in interest agreement that requires the transferee to use the property primarily to provide legal services to eligible clients under the requirements of the LSC Act, applicable appropriations acts, and LSC regulations.

(c) *Prior approval process.* No later than 60 days before a recipient or former recipient proposes to dispose of real estate purchased with LSC funds, the recipient or former recipients must submit a written request for prior approval to dispose of the property to LSC. The request must include:

- (1) The proposed method of disposition and an explanation of why the proposed method is in the best interests of LSC and the recipient;
- (2) Documentation showing the fair market value of the property at the time of transfer or sale, including, but not limited to, an independent appraisal of the property and competing bona fide offers to purchase the property;
- (3) A description of the recipient's process for advertising the property for sale and receiving offers;

(4) An accounting of all LSC funds used in the acquisition and any capital improvements of the property. The accounting must include the amount of LSC funds used to pay for acquisition costs, financing, and capital improvements; and

(5) Information on the proposed transferee or buyer of the property and a document evidencing the terms of transfer or sale.
