

§ 1703.209 Notice of meeting in Federal Register.

Immediately following each public announcement required by this subpart, the following information, as applicable, shall be submitted for publication in the Federal Register:

- (a) Notice of the time, place, and subject matter of a meeting;
- (b) Whether the meeting is open or closed;
- (c) Any change in one of the preceding; and
- (d) The name and telephone number of an agency official who will respond to requests for information about the meeting.
