

§ 2522.300 What are the application requirements for AmeriCorps program grants?

All eligible applicants seeking AmeriCorps program grants must—

- (a) Provide a description of the specific program(s) being proposed, including the type of program and of how it meets the minimum program requirements described in § 2522.100; and
- (b) Comply with any additional requirements as specified by AmeriCorps in the application package.
