

§ 2522.465 What information must a State commission submit on the relative strengths of applicants for State competitive funding?

(a) If you are a State commission applying for State competitive funding, you must prioritize the proposals you submit in rank order based on their relative quality and according to the following table:

If you submit this	Then you must rank
---------------------------	---------------------------

number of state competitive proposals	this number of
--	-----------------------

to AmeriCorps	proposals
----------------------	------------------

1 to 12	At least top 5.
---------	-----------------

13 to 24	At least top 10.
----------	------------------

25 or more	At least top 15.
------------	------------------

(b) While the rankings you provide will not be determinative in the grant selection process, and AmeriCorps will not be bound by them, we will consider them in our selection process.
