

§ 2522.620 How do I report my performance measures to AmeriCorps?

AmeriCorps sets specific reporting requirements, including frequency and deadlines, for performance measures in the grant award.

(a) In general, you are required to report on the actual results that occurred when implementing the grant and to regularly measure your program's performance.

(b) Your report must include the results on the performance measures approved as part of your grant award.

(c) At a minimum you are required to report on outputs at the end of year one and outputs and intermediate outcomes at the end of years two and three. We encourage you to exceed these minimum requirements.
