

§ 2553.102 What performance measurement information must be part of an application for funding under RSVP?

An application to AmeriCorps for funding under RSVP must contain:

(a) In a year one renewal application:

(1) Performance measures.

(2) Estimated performance data for the project years covered by the application.

(b) In a year two or three continuation application:

(1) Performance measures.

(2) Estimated performance data for the project years covered by the application.

(3) Actual performance data, where available, for the preceding completed project year.
