

§ 2556.610 What is the application process to apply to become a leader?

(a) *Application package.* An eligible individual must apply in writing to AmeriCorps to become a leader. The sponsor's recommendation must be included with the individual's application to become a leader.

(b) *Sponsor recommendation.* A sponsor with which an individual is seeking to serve as a leader must recommend the individual to become a leader, in writing, to AmeriCorps.

(c) *Selection.* AmeriCorps has sole authority to select a leader. The criteria considered for selection include the individual's experience, special skills, and leadership, as demonstrated in the application and the sponsor's recommendation.
