

§ 263.2 What kinds of State expenditures count toward meeting a State's basic MOE expenditure requirement? Link to an amendment published at 89 FR 80071, Oct. 2, 2024.

(a) Expenditures of State funds in TANF or separate State programs may count if they are made for the following types of benefits or services:

(1) Cash assistance, including the State's share of the assigned child support collection that is distributed to the family, and disregarded in determining eligibility for, and amount of the TANF assistance payment;

(2) Child care assistance (see § 263.3);

(3) Education activities designed to increase self-sufficiency, job training, and work (see § 263.4);

(4) Any other use of funds allowable under section 404(a)(1) of the Act including:

(i) Nonmedical treatment services for alcohol and drug abuse and some medical treatment services (provided that the State has not commingled its MOE funds with Federal TANF funds to pay for the services), if consistent with the goals at § 260.20 of this chapter; and

(ii) Pro-family healthy marriage and responsible fatherhood activities enumerated in part IV-A of the Act, sections 403(a)(2)(A)(iii) and 403(a)(2)(C)(ii) that are consistent with the goals at § 260.20(c) or (d) of this chapter, but do not constitute “assistance” as defined in § 260.31(a) of this chapter; and

(5)(i) Administrative costs for activities listed in paragraphs (a)(1) through (a)(4) of this section, not to exceed 15 percent of the total amount of countable expenditures for the fiscal year.

(ii) Costs for information technology and computerization needed for tracking or monitoring required by or under part IV-A of the Act do not count towards the limit in paragraph (5)(i) of this section, even if they fall within the definition of “administrative costs.”

(A) This exclusion covers the costs for salaries and benefits of staff who develop, maintain, support, or operate the portions of information technology or computer systems used for tracking and monitoring.

(B) It also covers the costs of contracts for the development, maintenance, support, or operation of those portions of information technology or computer systems used for tracking or monitoring.

(b) With the exception of paragraph (a)(4)(ii) of this section, the benefits or services listed under paragraph (a) of this section count only if they have been provided to or on behalf of eligible families. An “eligible family” as defined by the State, must:

(1) Be comprised of citizens or non-citizens who:

(i) Are eligible for TANF assistance;

(ii) Would be eligible for TANF assistance, but for the time limit on the receipt of federally funded assistance; or

(iii) Are lawfully present in the United States and would be eligible for assistance, but for the application of title IV of PRWORA;

(2) Include a child living with a custodial parent or other adult caretaker relative (or consist of a pregnant individual); and

(3) Be financially eligible according to the appropriate income and resource (when applicable) standards established by the State and contained in its TANF plan.

(c) Benefits or services listed under paragraph (a) of this section provided to a family that meets the criteria under paragraphs (b)(1) through (b)(3) of this section, but who became ineligible solely due to the time limitation given under § 264.1 of this chapter, may also count.

(d) Expenditures for the benefits or services listed under paragraph (a) of this section count whether or not the benefit or service meets the definition of assistance under § 260.31 of this chapter. Further, families that meet the criteria in paragraphs (b)(2) and (b)(3) of this section are considered to be eligible for TANF assistance for the purposes of paragraph (b)(1)(i) of this section.

(e) Expenditures for benefits or services listed under paragraph (a) of this section may include allowable costs borne by others in the State (e.g., local government), including cash donations from non-Federal third parties (e.g., a non-profit organization) and the value of third party in-kind contributions if:

(1) The expenditure is verifiable and meets all applicable requirements in 45 CFR 75.2 and 75.306;

(2) There is an agreement between the State and the other party allowing the State to count the expenditure toward its MOE requirement; and,

(3) The State counts a cash donation only when it is actually spent.

(f)(1) The expenditures for benefits or services in State-funded programs listed under paragraph (a) of this section count only if they also meet the requirements of § 263.5.

(2) Expenditures that fall within the prohibitions in § 263.6 do not count.

(g) State funds used to meet the Healthy Marriage Promotion and Responsible Fatherhood Grant match requirement may count to meet the MOE requirement in § 263.1, provided the expenditure also meets all the other MOE requirements in this subpart.
