

§ 307.25 Review and certification of computerized support enforcement systems.

The Office will review, assess and inspect the planning, design, development, installation, enhancement and operation of computerized support enforcement systems developed under § 307.10, or § 307.11 to determine the extent to which such systems:

(a) Meet the requirements found in § 307.15; and

(b) Can be certified as meeting the requirements described in § 307.10 and in the OCSE guideline entitled “Automated Systems for Child Support Enforcement: A Guide for States”.
