

§ 400.61 Services to public/private RCA recipients.

(a) Services provided to recipients of refugee cash assistance in the public/private RCA program may be provided by the local resettlement agencies that administer the public/private RCA program or by other refugee service agencies.

(b) Allowable services under the public/private program are limited to those services described in §§ 400.154 and 400.155 and are to be funded in accordance with § 400.206.

(c) In public/private programs in which local resettlement agencies are responsible for administering both cash assistance and services, States and local resettlement agencies must coordinate on a regular basis with refugee mutual assistance associations and other ethnic representatives that represent or serve the ethnic populations that are being resettled in the U.S. to ensure that the services provided under the public/private RCA program:

(1) Are appropriate to the linguistic and cultural needs of the incoming populations; and

(2) Are coordinated with the longer-term resettlement services frequently provided by ethnic community organizations after the end of the time-limited RCA eligibility period.

(d) In public/private programs in which the agencies responsible for providing services to RCA recipients are not the same agencies that administer the cash assistance program, the State must:

(1) Establish procedures to ensure close coordination between the local resettlement agencies that provide cash assistance and the agencies that provide services to RCA recipients; and

(2) Set up a system of accountability that identifies the responsibilities of each participating agency and holds these agencies accountable for the results of the program components for which they are responsible.
