For the 1995–96 fiscal year and annually until the end of the 2012–13 fiscal year, the Department of Finance shall prepare the schedule of allocations of growth based upon the recalculation of the resource base as provided by subdivision (c).

(c) For the Mental Health Account, the Department of Finance shall do all of the following:

(1) Use the following sources as reported by the State Department of Health Care Services:

(A) The final December 1992 distribution of resources associated with Institutes for Mental Disease.

(B) The 1990–91 fiscal year state hospitals and community mental health allocations.

(C) Allocations for services provided for under Chapter 1294 of the Statutes of 1989.

(2) Expand the resource base with the following nonrealigned funding sources as allocated among the counties:

(A) Tobacco surtax allocations made under Chapter 1331 of the Statutes of 1989 and Chapter 51 of the Statutes of 1990.

(B) For the 1994–95 allocation year only, Chapter 1323 of the Statutes of 1990.

(C) 1993–94 fiscal year federal homeless block grant allocation.

(D) 1993–94 fiscal year Mental Health Special Education allocations.

(E) 1993–94 fiscal year allocations for the system of care for children, in accordance with Chapter 1229 of the Statutes of 1992.

(F) 1993–94 fiscal year federal Substance Abuse and Mental Health Services Administration block grant allocations pursuant to Subchapter 1 (commencing with Section 10801) of Chapter 114 of Title 42 of the United States Code.

(d) For the Health Account, the Department of Finance shall use the historical resource base of state funds as allocated among the counties, cities, and city and county as reported by the former State Department of Health Services in a September 17, 1991, report of Indigent and Community Health Resources.

(e) The Department of Finance shall use these adjusted resource bases for the Health Account and Mental Health Account to calculate what the 1994–95 fiscal year General Growth Subaccount allocations would have been, and together with 1994–95 fiscal year Base Restoration Subaccount allocations, CMSP subaccount allocations, equity allocations to the Health Account and Mental

Health Account as adjusted by subparagraph (E) of paragraph (2) of subdivision (c) of Section 17606.05, as that subparagraph read on January 1, 2015, and special equity allocations to the Health Account and Mental Health Account as adjusted by subdivision (e) of Section 17606.15 reconstruct the 1994–95 fiscal year General Growth Subaccount resource base for the 1995–96 allocation year for each county, city, and city and county. Notwithstanding any other law, the actual 1994–95 general growth allocations shall not become part of the realignment base allocations to each county, city, and city and county. The total amounts distributed by the Controller for general growth for the 1994–95 allocation year shall be reallocated among the counties, cities, and city and county in the 1995–96 allocation year according to this paragraph, and shall be included in the general growth resource base for the 1996–97 allocation year and each fiscal year thereafter. For the 1996–97 allocation year through the 2017–18 fiscal year, the Department of Finance shall update the base with actual growth allocations to the Health Account, Mental Health Account, and Social Services Account of each county, city, and city and county local health and welfare trust fund in the prior year, and adjust for actual changes in nonrealigned funds specified in subdivision (c) in the year prior to the allocation year.

(f) For the 2013–14 fiscal year through the 2017–18 fiscal year, the Controller shall do all of the following:

(1) Allocate to the Mental Health Account of each county, city, or city and county based on a schedule provided by the Department of Finance. The Department of Finance shall recalculate the resource base used in determining the General Growth Subaccount allocations to the Mental Health Account in accordance with subdivision (c) and allocate based on that recalculation.

(2) Allocate 18.4545 percent of the total General Growth Subaccount to the health account of each county, city, or city and county based on a schedule provided by the Department of Finance in accordance with subdivision (d).

(3) Allocate the remainder of the funds in the General Growth Subaccount to the family support account of each county or city and county based on a schedule provided by the Department of Finance. These funds shall be expended in accordance with Section 17601.50.

(g) (1) Notwithstanding subdivision (f), for the 2016–17 fiscal year, the Controller shall allocate funds in the following amounts from the General Growth Subaccount of the Sales Tax Account to the social services account of each county and city and county based on a schedule provided by the Department of Finance developed in consultation with the California State Association of Counties:

(A) The funding that would have been allocated to the Mental Health Account of each county or city and county pursuant to the calculations specified in paragraph (1) of subdivision (f).

(B) The funding that would have been allocated to the health account of each county or city and county pursuant to paragraph (2) of subdivision (f), except for the amount of funds to be redirected pursuant to Section 17600.50, Article 12 (commencing with Section 17612.1), and Article 13 (commencing with 17613.1).

(2) The allocation of funds from the General Growth Subaccount of the Sales Tax Account to the social services account as described in paragraph (1) shall not apply to the amount of funds available for allocation to the Mental Health Accounts and health accounts of the Cities of Berkeley, Pasadena, Tri-City, and Long Beach.

(h) For the 2018–19 fiscal year and every fiscal year thereafter, the Controller shall do all of the following:

(1) Allocate 37.433321 percent of the total General Growth Subaccount to the Mental Health Account of each county, city, or city and county using the 2017–18 fiscal year percentage distribution of general growth for mental health.

(2) Allocate 18.4545 percent of the total General Growth Subaccount to the health account of each county, city, or city and county using the 2017–18 fiscal year percentage distribution of general growth for health.

(i) The amounts deposited and remaining unexpended and unreserved in the General Growth Subaccount shall be allocated on an annual basis by the Controller, as described in subdivisions (f) and (g), within 45 days of receiving the General Growth Subaccount allocation schedule from the Department of Finance.

(Amended by Stats. 2019, Ch. 27, Sec. 114. (SB 80) Effective June 27, 2019.)

17606.20. (a) Annually, the Controller shall allocate money to each county, city, and city and county, from revenues deposited in the Vehicle License Fee Growth Account in the Local Revenue Fund in amounts that are proportional to each county's, city's, or city and county's total allocation from the Sales Tax Growth Account, except amounts provided pursuant to Section 17605.

(b) Notwithstanding subdivision (a), for the 1998–99 fiscal year through the 2018–19 fiscal year, if, after meeting the requirements of Section 17605, there are no funds remaining in the Sales Tax Growth Account to allocate to each county, city, and city and county pursuant to paragraph (1) of subdivision (a) of, or paragraph (1) of subdivision (b) of, Section 17605.07, or Section 17605.10, the

Controller shall allocate the revenues deposited in the Vehicle License Fee Growth Account to each county, city, and city and county, in the following manner:

(1) The Controller shall determine the amount of sales tax growth in the 1996–97 fiscal year that exceeded the requirements of Section 17605 in the 1996–97 fiscal year.

(2) The Controller shall determine the amount of sales tax growth allocated in the 1996–97 fiscal year to the County Medical Services Program Subaccount pursuant to paragraph (1) of subdivision (a) of Section 17605.07, and to the Indigent Health Equity, Community Health Equity, Mental Health Equity, State Hospital Mental Health Equity, General Growth, and Special Equity Subaccounts pursuant to Section 17605.10, as that section read on January 1, 2015.

(3) The Controller shall compute percentages by dividing the amounts determined in paragraph (2) by the amount determined in paragraph (1).

(4) For calculation purposes related to paragraph (5), the Controller shall apply the percentages determined in paragraph (3) to revenues in the Vehicle License Fee Growth Account to determine the amount of vehicle license fee growth revenues attributable to the County Medical Services Program Growth, Indigent Health Equity, Community Health Equity, Mental Health Equity, State Hospital Mental Health Equity, General Growth, and Special Equity Subaccounts. This paragraph shall not require the Controller to deposit vehicle license fee growth revenues into the subaccounts specified in this paragraph, and is solely for determining the distribution of vehicle license growth revenues to each county, city, and city and county.

(5) Annually, the Controller shall allocate money to each county, city, and city and county, from revenues deposited in the Vehicle License Fee Growth Account in the Local Revenue Fund. These allocations shall be determined based on schedules developed by the Department of Finance pursuant to Section 17606.10, in consultation with the California State Association of Counties. The Controller shall allocate these funds within 45 days of receiving the schedules from the Department of Finance.

(c) Notwithstanding subdivisions (a) and (b), for the 2016–17 fiscal year and through the 2018–19 fiscal year, the Controller shall allocate funds in the following amounts from the Vehicle License Fee Growth Account to the social services account of each county or city and county based on a schedule provided by the Department of Finance developed in consultation with the California Association of Counties:

(1) (A) For the 2016–17, 2017–18, and 2018–19 fiscal years, 100 percent of the funding from the Vehicle License Fee Growth Account that would have been allocated to the mental health account and health account of each county or city and county pursuant to calculations specified in subdivision (b) of this section or paragraphs (1) and (2) of subdivision (f) of Section 17606.10.

(B) For the 2016–17, 2017–18, and 2018–19 fiscal years, 100 percent of the funding from the Vehicle License Fee Growth Account that would have been allocated to the County Medical Services Program Growth Subaccount.

(2) (A) The funding from the Vehicle License Fee Growth Account to be allocated to the social services account of each county or city and county pursuant to subparagraph (B) of paragraph (1) in each fiscal year, shall only be available for allocation to the counties that participate in the County Medical Services Program in that fiscal year.

(B) If in any fiscal year in which the funds specified in subparagraph (A) are not fully allocated to the counties that participate in the County Medical Services Program, the remaining funds shall be available for allocation to counties that participate in the County Medical Services Program in the following fiscal year.

(3) The redirection of funds in the Vehicle License Fee Growth Account to the social services subaccount described in paragraphs (1) and (2) shall not apply to the amount of Vehicle License Fee growth available for deposit into the Health and Mental Health Subaccounts for the Cities of Berkeley, Pasadena, Tri-City, and Long Beach.

(4) The Controller shall allocate these funds within 14 days of receiving the schedules from the Department of Finance.

(d) For the 2017–18 and 2018–19 fiscal years, the State Controller shall post a calculation of the Vehicle License Fee growth revenue that the Health, Mental Health, and County Medical Services Program Subaccounts would have otherwise received if subdivision (c) were not in effect.
