DIVISION 7. MISCELLANEOUS [6000 - 7599.200] (Division 7 enacted by Stats. 1943, Ch. 134.)

CHAPTER 5. Joint Exercise of Powers [6500 - 6599.3] (Chapter 5 added by Stats. 1949, Ch. 84.)

ARTICLE 1. Joint Powers Agreements [6500 - 6539.9.1] (Article 1 added by Stats. 1949, Ch. 84.)

6500. As used in this article, "public agency" includes, but is not limited to, the federal government or any federal department or agency, this state, another state or any state department or agency, a county, county board of education, county superintendent of schools, city, public corporation, public district, regional transportation commission of this state or another state, a federally recognized Indian tribe, or any joint powers authority formed pursuant to this article by any of these agencies.

(Amended by Stats. 2011, Ch. 266, Sec. 1. (AB 307) Effective January 1, 2012.)

6500.1. This chapter shall be known and may be cited as the Joint Exercise of Powers Act.

(Added by Stats. 2000, Ch. 506, Sec. 8. Effective January 1, 2001.)

6501. This article does not authorize any state officer, board, commission, department, or other state agency or institution to make any agreement without the approval of the Department of General Services or the Director of General Services if such approval is required by law.

(Amended by Stats. 1965, Ch. 371.)

6502. If authorized by their legislative or other governing bodies, two or more public agencies by agreement may jointly exercise any power common to the contracting parties, including, but not limited to, the authority to levy a fee, assessment, or tax, even though one or more of the contracting agencies may be located outside this state.

It shall not be necessary that any power common to the contracting parties be exercisable by each such contracting party with respect to the geographical area in which such power is to be jointly exercised. For purposes of this section, two or more public agencies having the power to conduct agricultural, livestock, industrial, cultural, or other fairs or exhibitions shall be deemed to have common power with respect to any such fair or exhibition conducted by any one or more of such public agencies or by an entity created pursuant to a joint powers agreement entered into by such public agencies.

(Amended by Stats. 2014, Ch. 386, Sec. 2. (AB 2170) Effective January 1, 2015.)

6502.1. (a) Notwithstanding Section 6502 or any other law, a public agency with the authority to provide retail electric services may enter into a joint powers agreement with one or more public agencies with jurisdiction within the Coachella Valley Service Area to jointly exercise the authority to provide retail electric services notwithstanding an inability of a party to the joint powers agreement to exercise that power independently.

(b) For purposes of this section, "Coachella Valley Service Area" means the territory within the Imperial Irrigation District's sphere of influence within the County of Riverside as determined by the Local Agency Formation Commission of the County of Riverside as set forth in Resolution No. 2020-10-3 adopted on April 23, 2020, and the land within the exterior boundaries of the Torres Martinez Reservation.

(Added by Stats. 2024, Ch. 585, Sec. 1. (AB 3198) Effective January 1, 2025.)

6502.3. For purposes of cogovernance and comanagement agreements entered into pursuant to Section 11019.82, powers exercisable by any public agency that is not a federally recognized tribe shall be deemed common to a contracting federally recognized tribe.

(Added by Stats. 2024, Ch. 657, Sec. 2. (AB 1284) Effective January 1, 2025.)

6502.5. In addition to any power common to its member districts, the Resource Conservation Energy Joint Powers Agency has the authority to finance, construct, install, and operate projects for the production of biogas and electricity from the digestion or fermentation of animal or agricultural waste. The agency may undertake these projects within its jurisdiction or outside its jurisdiction. The authority to undertake projects outside the jurisdiction of the agency is limited to the geographical areas of Fresno, Kings, Madera, Merced, San Joaquin, and Tulare Counties.

Prior to undertaking a project authorized by this section outside the jurisdiction of the agency, the agency shall obtain approval of the board of supervisors of the county in which the project is to be located.

(Added by Stats. 1984, Ch. 956, Sec. 1. Effective September 10, 1984.)

6502.7. (a) If authorized by their legislative or other governing bodies, two or more public agencies which have the authority to identify, plan for, monitor, control, regulate, dispose of, or abate liquid, toxic, or hazardous wastes or hazardous materials may, by agreement, jointly exercise any of these powers common to the contracting parties.

(b) The contracting parties may provide special services, including persons specially trained, experienced, expert, and competent to perform these special services.

(c) The provisions of this section are declaratory of existing law and do not limit any authority which already exists.

(Added by Stats. 1986, Ch. 126, Sec. 1.)

6503. The agreements shall state the purpose of the agreement or the power to be exercised. They shall provide for the method by which the purpose will be accomplished or the manner in which the power will be exercised.

(Added by Stats. 1949, Ch. 84.)

6503.1. (a) When property tax revenues of a county of the second class are allocated by that county to an agency formed for the purpose of providing fire protection pursuant to this chapter, those funds may only be appropriated for expenditure by that agency for fire protection purposes.

(b) As used in this section, "fire protection purposes" means those purposes directly related to, and in furtherance of, providing fire prevention, fire suppression, emergency medical services, hazardous materials response, ambulance transport, disaster preparedness, rescue services, and related administrative costs.

(c) This section shall not be interpreted to alter any provision of law governing the processes by which cities or counties select providers of ambulance transport services.

(Added by Stats. 2002, Ch. 339, Sec. 1. Effective January 1, 2003.)

6503.5. Whenever a joint powers agreement provides for the creation of an agency or entity that is separate from the parties to the agreement and is responsible for the administration of the agreement, such agency or entity shall, within 30 days after the effective date of the agreement or amendment thereto, cause a notice of the agreement or amendment to be prepared and filed with the office of the Secretary of State. The agency or entity shall furnish an additional copy of the notice of the agreement or amendment to the Secretary of State, who shall forward the copy to the Controller. The notice shall contain:

(a) The name of each public agency that is a party to the agreement.

(b) The date that the agreement became effective.

(c) A statement of the purpose of the agreement or the power to be exercised.

(d) A description of the amendment or amendments made to the agreement, if any.

Notwithstanding any other provision of this chapter, any agency or entity administering a joint powers agreement or amendment to such an agreement, which agreement or amendment becomes effective on or after the effective date of this section, which fails to file the notice required by this section within 30 days after the effective date of the agreement or amendment, shall not thereafter, and until such filings are completed, issue any bonds or incur indebtedness of any kind.

(Amended by Stats. 2007, Ch. 343, Sec. 6. Effective January 1, 2008.)

6503.6. (a) When an agency or entity files a notice of agreement or amendment to the agreement with the office of the Secretary of State pursuant to Section 6503.5, the agency or entity shall file a copy of the full text of the original joint powers agreement, and any amendment to the agreement, with the Controller. An agency or entity that meets the definition of a joint powers authority or joint powers agency under Section 56047.7 that was formed for the purpose of providing municipal services and that includes a local agency member that is a city, district, or county shall, within 30 days after the effective date of the agreement or amendment to the agreement, file a copy of the agreement or amendment to the agreement with the local agency formation commission in each county within which all or any part of a local agency member's territory is located.

(b) Notwithstanding any other provision of this chapter, any agency or entity administering a joint powers agreement or amendment to such an agreement, which agreement or amendment becomes effective on or after the effective date of this section, which fails to file the notice with a local agency formation commission required by this section within 30 days after the effective date of the agreement or amendment shall not thereafter, and until those filings are completed, issue any bonds or incur indebtedness of any kind.

(Amended by Stats. 2016, Ch. 173, Sec. 1. (SB 1266) Effective January 1, 2017.)

6503.7. Within 90 days after the effective date of this section, any separate agency or entity constituted pursuant to a joint powers agreement entered into prior to the effective date of this section and responsible for the administration of the agreement shall cause a notice of the agreement to be prepared and filed with the office of the Secretary of State. The agency or entity shall also furnish an additional copy of the notice of the agreement to the Secretary of State who shall forward the copy to the Controller. The notice shall contain all the information required for notice given pursuant to Section 6503.5.

Notwithstanding any other provision of this chapter, any joint powers agency that is required and fails to file notice pursuant to this section within 90 days after the effective date of this section shall not, thereafter, and until such filings are completed, issue any bonds, incur any debts, liabilities or obligations of any kind, or in any other way exercise any of its powers.

For purposes of recovering the costs incurred in filing and processing the notices required to be filed pursuant to this section and Section 6503.5, the Secretary of State may establish a schedule of fees. Such fees shall be collected by the office of the Secretary of State at the time the notices are filed and shall not exceed the reasonably anticipated cost to the Secretary of State of performing the work to which the fees relate.

(Amended by Stats. 2007, Ch. 343, Sec. 7. Effective January 1, 2008.)

6503.8. (a) No later than July 1, 2017, an agency or entity that meets the definition of a joint powers authority or joint powers agency under Section 56047.7 that was formed for the purpose of providing municipal services prior to the effective date of this section, and that includes a local agency member that is a city, district, or county, shall cause a copy of the agreement and any amendments to the agreement to be filed with the local agency formation commission in each county within which all or any part of a local agency member's territory is located.

(b) Notwithstanding any other provision of this chapter, any agency or entity administering a joint powers agreement or amendment to such an agreement, which fails to file the notice with a local agency formation commission required by this section on or before July 1, 2017, shall not thereafter, and until those filings are completed, issue any bonds or incur indebtedness of any kind.

(Added by Stats. 2016, Ch. 173, Sec. 2. (SB 1266) Effective January 1, 2017.)

6504. The parties to the agreement may provide that (a) contributions from the treasuries may be made for the purpose set forth in the agreement, (b) payments of public funds may be made to defray the cost of such purpose, (c) advances of public funds may be made for the purpose set forth in the agreement, such advances to be repaid as provided in said agreement, or (d) personnel, equipment or property of one or more of the parties to the agreement may be used in lieu of other contributions or advances. The funds may be paid to and disbursed by the agency or entity agreed upon, which may include a nonprofit corporation designated by the agreement to administer or execute the agreement for the parties to the agreement.

(Amended by Stats. 1977, Ch. 209.)

6505. (a) The agreement shall provide for strict accountability of all funds and report of all receipts and disbursements.

(b) In addition, and provided a separate agency or entity is created, the public officer performing the functions of auditor or controller as determined pursuant to Section 6505.5, shall either make or contract with a certified public accountant or public accountant to make an annual audit of the accounts and records of every agency or entity, except that the officer need not make or contract for the audit in any case where an annual audit of the accounts and records of the agency or entity by a certified public accountant or public accountant is otherwise made by any agency of the state or the United States only as to those accounts and records which are directly subject to such a federal or state audit. In each case the minimum requirements of the audit shall be those prescribed by the Controller for special districts under Section 26909 and shall conform to generally accepted auditing standards.

(c) When an audit of an account and records is made by a certified public accountant or public accountant, a report thereof shall be filed as public records with each of the contracting parties to the agreement and also with the county auditor of the county where the home office of the joint powers authority is located and shall be sent to any public agency or person in California that submits a written request to the joint powers authority. The report shall be filed within 12 months of the end of the fiscal year or years under examination.

(d) When a nonprofit corporation is designated by the agreement to administer or execute the agreement and no public officer is required to perform the functions of auditor or controller as determined pursuant to Section 6505.5, an audit of the accounts and records of the agreement shall be made at least once each year by a certified public accountant or public accountant, and a report thereof shall be filed as a public record with each of the contracting parties to the agreement and with the county auditor of the

county where the home office of the joint powers authority is located, and shall be sent to any public agency or person in California that submits a written request to the joint powers authority. These reports shall be filed within 12 months after the end of the fiscal year or years under examination.

(e) Any costs of the audit, including contracts with, or employment of certified public accountants or public accountants, in making an audit pursuant to this section shall be borne by the agency or entity and shall be a charge against any unencumbered funds of the agency or entity available for the purpose.

(f) All agencies or entities may, by unanimous request of the governing body thereof, replace the annual special audit with an audit covering a two-year period.

(g) Notwithstanding the foregoing provisions of this section to the contrary, agencies or entities shall be exempt from the requirement of an annual audit if the financial statements are audited by the Controller to satisfy federal audit requirements.

(Amended by Stats. 1998, Ch. 876, Sec. 4. Effective January 1, 1999.)

6505.1. The contracting parties to an agreement made pursuant to this chapter shall designate the public officer or officers or person or persons who have charge of, handle, or have access to any property of the agency or entity and shall require such public officer or officers or person or persons to file an official bond in an amount to be fixed by the contracting parties.

(Added by Stats. 1968, Ch. 972.)

6505.5. If a separate agency or entity is created by the agreement, the agreement shall designate the treasurer of one of the contracting parties, or in lieu thereof, the county treasurer of a county in which one of the contracting parties is situated, or a certified public accountant to be the depository and have custody of all the money of the agency or entity, from whatever source.

The treasurer or certified public accountant so designated shall do all of the following:

(a) Receive and receipt for all money of the agency or entity and place it in the treasury of the treasurer so designated to the credit of the agency or entity.

(b) Be responsible, upon his or her official bond, for the safekeeping and disbursement of all agency or entity money so held by him or her.

(c) Pay, when due, out of money of the agency or entity held by him or her, all sums payable on outstanding bonds and coupons of the agency or entity.

(d) Pay any other sums due from the agency or entity from agency or entity money, or any portion thereof, only upon warrants of the public officer performing the functions of auditor or controller who has been designated by the agreement.

(e) Verify and report in writing on the first day of July, October, January, and April of each year to the agency or entity and to the contracting parties to the agreement the amount of money he or she holds for the agency or entity, the amount of receipts since his or her last report, and the amount paid out since his or her last report.

The officer performing the functions of auditor or controller shall be of the same public agency as the treasurer designated as depository pursuant to this section. However, where a certified public accountant has been designated as treasurer of the entity, the auditor of one of the contracting parties or of a county in which one of the contracting parties is located shall be designated as auditor of the entity. The auditor shall draw warrants to pay demands against the agency or entity when the demands have been approved by any person authorized to so approve in the agreement creating the agency or entity.

The governing body of the same public entity as the treasurer and auditor specified pursuant to this section shall determine charges to be made against the agency or entity for the services of the treasurer and auditor. However, where a certified public accountant has been designated as treasurer, the governing body of the same public entity as the auditor specified pursuant to this section shall determine charges to be made against the agency or entity for the services of the auditor.

(Amended by Stats. 1999, Ch. 83, Sec. 65. Effective January 1, 2000.)

6505.6. In lieu of the designation of a treasurer and auditor as set forth in Section 6505.5, the agency or entity may appoint one of its officers or employees to either or both of such positions. Such offices may be held by separate officers or employees or combined and held by one officer or employee. Such person or persons shall comply with the duties and responsibilities of the office or offices as set forth in subdivisions (a) to (d), inclusive, of Section 6505.5.

In the event the agency or entity designates its officers or employees to fill the functions of treasurer or auditor, or both, pursuant to this section, such officers or employees shall cause an independent audit to be made by a certified public accountant, or public accountant, in compliance with Section 6505.

(Added by Stats. 1979, Ch. 276.)

6506. The agency or entity provided by the agreement to administer or execute the agreement may be one or more of the parties to the agreement or a commission or board constituted pursuant to the agreement or a person, firm or corporation, including a nonprofit

corporation, designated in the agreement. One or more of the parties may agree to provide all or a portion of the services to the other parties in the manner provided in the agreement. The parties may provide for the mutual exchange of services without payment of any consideration other than such services.

(Amended by Stats. 1977, Ch. 209.)

6507. For the purposes of this article, the agency is a public entity separate from the parties to the agreement.

(Amended by Stats. 1963, Ch. 990.)

6508. The agency shall possess the common power specified in the agreement and may exercise it in the manner or according to the method provided in the agreement. If the agency is not one or more of the parties to the agreement but is a public entity, commission or board constituted pursuant to the agreement and such agency is authorized, in its own name, to do any or all of the following: to make and enter contracts, or to employ agents and employees, or to acquire, construct, manage, maintain or operate any building, works or improvements, or to acquire, hold or dispose of property or to incur debts, liabilities or obligations, said agency shall have the power to sue and be sued in its own name. Any authorization pursuant to the agreement for the acquisition by the agency of property for the purposes of a project for the generation or transmission of electrical energy shall not include the condemnation of property owned or otherwise subject to use or control by any public utility within the state.

The governing body of any agency having the power to sue or be sued in its own name, created by an agreement entered into after the amendment to this section at the 1969 Regular Session of the Legislature, between parties composed exclusively of parties which are cities, counties, or public districts of this state, irrespective of whether all such parties fall within the same category, may as provided in such agreement, and in any ratio provided in the agreement, be composed exclusively of officials elected to one or more of the governing bodies of the parties to such agreement. Any existing agreement composed of parties which are cities, counties or public districts which creates a governing board of any agency having the power to sue or be sued may, at the option of the parties to the agreement, be amended to provide that the governing body of the created agency shall be composed exclusively of officials elected to one or more of the governing boards of the parties to such agreement in any ratio agreed to by the parties to the agreement. The governing body so created shall be empowered to delegate its functions to an advisory body or administrative entity for the purposes of program development, policy formulation, or program implementation, provided, however, that any annual budget of the agency to which the delegation is made must be approved by the governing body of the Joint Powers Agency.

In the event that such agency enters into further contracts, leases or other transactions with one or more of the parties to such agreement, an official elected to the governing body of such party may also act in the capacity of a member of the governing body of such agency.

(Amended by Stats. 1979, Ch. 482.)

6508.1. (a) If the agency is not one or more of the parties to the agreement but is a public entity, commission, or board constituted pursuant to the agreement, the debts, liabilities, and obligations of the agency shall be debts, liabilities, and obligations of the parties to the agreement, unless the agreement specifies otherwise. However, the parties to the agreement may not agree otherwise with respect to the retirement liabilities of the agency if the agency contracts with a public retirement system.

(b) For purposes of this section, "public retirement system" means any pension or retirement system of a public employer, including, but not limited to, an independent retirement plan offered by a public employer that the public employer participates in or offers to its employees for the purpose of providing retirement benefits, or a system of benefits for public employees that is governed by Section 401(a) of Title 26 of the United States Code.

(Amended by Stats. 2018, Ch. 909, Sec. 2. (AB 1912) Effective January 1, 2019.)

6508.2. (a) (1) Prior to filing a notice of termination pursuant to Section 20570 or 20571, or a decision by the governing body of an agency that does not contract with the California Public Employees' Retirement System to dissolve or to cease the operations of the agency, member agencies of an agency established by agreement under this chapter that participates in, or contracts with, a public retirement system, shall mutually agree as to the apportionment of the agency's retirement obligations among themselves, provided that the agreement equals 100 percent of the retirement liability of the agency. A copy of this mutual agreement, signed by all parties thereto, shall be provided to the board, which shall be reflected in the agreement with the board. If the member agencies are unable to mutually agree, the board shall apportion the retirement liability of the agency to each member agency based on the share of service received from the agency, or population of each member agency, such that the apportionment equals 100 percent of the retirement liability of the agency, which shall be reflected in the agreement with the board.

(2) A member agency may challenge the determination by the board to apportion the retirement liability of the agency within 30 calendar days of the determination. However, a member, or a former member, that is not identified by the board pursuant to subdivision (a) shall not be permitted to challenge a determination by the board.

(A) A challenge pursuant to this paragraph shall be referred by the member agency or agencies that challenge a determination by the board to an arbitrator who shall, at the arbitrator's discretion, apportion the liability among the current and former member agencies such that the apportionment equals 100 percent of the retirement liability of the agency. The arbitrator shall make a decision as to the apportionment of liability no later than 60 calendar days following referral of a challenge.

(B) The final decision by the arbitrator shall be binding on all current and former member agencies, and all costs of arbitration shall be equally shared among the member agencies that are identified by the arbitrator to share in the apportioned liability. The arbitrator shall submit an official copy of their final decision to the board within seven calendar days of the decision.

(b) An agency shall not be permitted to terminate pursuant to Section 20570 or 20571, nor shall a decision by the governing body of an agency that does not contract with the California Public Employees' Retirement System to dissolve or cease to operate, become effective until a final determination or decision, pursuant to paragraph (1) or paragraph (2) of subdivision (a), is final.

(c) Upon notice by the board of a potential termination pursuant to Section 20572, an agency established by agreement under this chapter shall, within 60 calendar days, provide to the board a copy of an agreement, signed by all parties thereto, that sets forth the apportionment of 100 percent of the retirement obligations of the agency. If the agency does not timely provide a copy of the mutual agreement, the board shall in its sole discretion apportion the retirement liability of the agency among the current or former member agencies, such that the apportionment equals 100 percent of the retirement liability of the agency.

(1) A member agency may challenge the determination by the board to apportion the retirement liability of the agency within 30 calendar days of the determination. However, a member, or a former member, that is not identified by the board pursuant to subdivision (a) shall not be permitted to challenge a determination by the board.

(2) A challenge pursuant to paragraph (1) shall be referred by the member agency or agencies that challenge a determination by the board to an arbitrator who shall, at the arbitrator's discretion, apportion the liability among the current and former member agencies such that the apportionment equals 100 percent of the retirement liability of the agency.

(3) The arbitrator shall make a decision as to the apportionment of liability no later than 60 calendar days following referral of a challenge and shall submit an official copy of their final decision to the board within seven calendar days of the decision. The final decision by the arbitrator shall be binding on all current and former member agencies, and all costs of arbitration shall be equally shared among the member agencies that are identified by the arbitrator to share in the apportioned liability. The board may take action to terminate the agency's contract no earlier than 30 calendar days following the final decision by the arbitrator.

(d) Mutual agreement among the member agencies, or a determination by the board, as to the apportionment of the retirement liability of the agency pursuant to paragraph (1) of subdivision (a), or a decision by the arbitrator pursuant to paragraph (2) of subdivision (a), may include the apportionment of retirement liability to a former member of the agency.

(e) This section shall apply retroactively to current and former member agencies of an agency that has an agreement in existence with the board as of January 1, 2019. In addition, this section shall apply to a new agreement between an agency and the board on or after January 1, 2019. However, this section shall not apply to an agency established pursuant to this chapter that has dissolved prior to January 1, 2019.

(f) For purposes of this section, "board" means the board of any pension or retirement system of a public employer, including, but not limited to, an independent retirement plan offered by a public employer that the public employer participates in or offers to its employees for the purpose of providing retirement benefits, or a system of benefits for public employees that is governed by Section 401(a) of Title 26 of the United States Code.

(g) Notwithstanding any other law, if a judgment is rendered against an agency or a party to the agreement for a breach to its obligations to the public retirement system, the time within which a claim for injury may be presented or an action commenced against any other party that is subject to the liability determined by the judgment begins to run when the judgment is rendered.

(Amended by Stats. 2019, Ch. 330, Sec. 1. (SB 782) Effective January 1, 2020.)

6509. Such power is subject to the restrictions upon the manner of exercising the power of one of the contracting parties, which party shall be designated by the agreement.

(Added by Stats. 1949, Ch. 84.)

6509.5. Any separate agency or entity created pursuant to this chapter shall have the power to invest any money in the treasury pursuant to Section 6505.5 that is not required for the immediate necessities of the agency or entity, as the agency or entity determines is advisable, in the same manner and upon the same conditions as local agencies pursuant to Section 53601 of the Government Code.

If a nonprofit corporation is designated by the agreement to administer or execute the agreement for the parties to the agreement, it shall invest any moneys held for disbursement on behalf of the parties in the same manner and upon the same conditions as local agencies pursuant to Section 53601.

(Amended by Stats. 1977, Ch. 209.)

6509.6. Notwithstanding any other law, a joint powers authority created pursuant to this chapter may purchase or acquire, by sale, assignment, pledge, or other transfer from a local agency, and any local agency may sell, assign, pledge, or transfer to a joint powers authority any or all of that local agency's right, title, and interest in and to an assessment contract authorized by Chapter 29 (commencing with Section 5898.10) of Part 3 of Division 7 of the Streets and Highways Code, including any related lien, right, subsidy, or other right and receivable, and the enforcement and collection thereof, pursuant to any terms and conditions agreed to between the joint powers authority and the local agency.

(Added by Stats. 2010, Ch. 583, Sec. 2. (AB 1873) Effective January 1, 2011.)

6509.7. (a) Notwithstanding any other provision of law, two or more public agencies that have the authority to invest funds in their treasuries may, by agreement, jointly exercise that common power. Funds invested pursuant to an agreement entered into under this section may be invested in securities and obligations as described by subdivision (p) of Section 53601. A joint powers authority formed pursuant to this section may issue shares of beneficial interest to participating public agencies. Each share shall represent an equal proportionate interest in the underlying pool of securities owned by the joint powers authority. To be eligible under this section, the joint powers authority issuing the shares of beneficial interest shall have retained an investment adviser that meets all of the following criteria:

(1) The adviser is registered or exempt from registration with the Securities and Exchange Commission.

(2) The adviser has not less than five years of experience investing in the securities and obligations authorized in subdivisions (a) to (o), inclusive, of Section 53601.

(3) The adviser has assets under management in excess of five hundred million dollars (\$500,000,000).

(b) As used in this section, "public agency" includes a nonprofit corporation whose membership is confined to public agencies or public officials, in addition to those agencies listed in Section 6500.

(c) A joint powers authority formed pursuant to this section is authorized to establish the terms and conditions pursuant to which agencies may participate and invest in pool shares. Consistent with its status as a public agency as provided under Section 6500, a federally recognized Indian tribe is eligible to participate in a joint powers authority formed under this section or otherwise invest in pool shares consistent with the terms and conditions established by the joint powers authority.

(Amended by Stats. 2020, Ch. 235, Sec. 1. (SB 998) Effective January 1, 2021.)

6510. The agreement may be continued for a definite term or until rescinded or terminated. The agreement may provide for the method by which it may be rescinded or terminated by any party.

(Added by Stats. 1949, Ch. 84.)

6511. The agreement shall provide for the disposition, division, or distribution of any property acquired as the result of the joint exercise of powers.

(Added by Stats. 1949, Ch. 84.)

6512. The agreement shall provide that after the completion of its purpose, any surplus money on hand shall be returned in proportion to the contributions made.

(Added by Stats. 1949, Ch. 84.)

6512.1. If the purpose set forth in the agreement is the acquisition, construction or operation of a revenue-producing facility, the agreement may provide (a) for the repayment or return to the parties of all or any part of any contributions, payments or advances made by the parties pursuant to Section 6504 and (b) for payment to the parties of any sum or sums derived from the revenues of said facilities. Payments, repayments or returns pursuant to this section shall be made at the time and in the manner specified in the agreement and may be made at any time on or prior to the rescission or termination of the agreement or the completion of the purpose of the agreement.

(Added by Stats. 1957, Ch. 942.)

6512.2. Notwithstanding any other provision of law, including Section 53854, the local agency obligations or loans, if any, shall be repaid in the time, manner and amounts, with interest, security, and other terms as agreed to by the local agency and the joint powers authority.

(b) Notwithstanding any other provision of law, a joint powers authority established pursuant to a joint powers agreement in accordance with this chapter may issue bonds pursuant to Article 2 (commencing with Section 6540) or Article 4 (commencing with Section 6584), in order to purchase or acquire, by sale, assignment, pledge, or other transfer, any or all right, title, and interest of any local agency in and to the enforcement and collection of delinquent and uncollected property taxes, assessments, and other receivables that have been levied by or on behalf of the local agency and placed for collection on the secured, unsecured, or supplemental property tax rolls. Local agencies, including, cities, counties, cities and counties, school districts, redevelopment agencies, and all other special districts that are authorized by law to levy property taxes on the county tax rolls, are hereby authorized to sell, assign, pledge, or otherwise transfer to a joint powers authority any or all of their right, title, and interest in and to the enforcement and collection of delinquent and uncollected property taxes, assessments, and other receivables that have been levied by or on behalf of the local agency for collection on the secured, unsecured, or supplemental property tax rolls in accordance with the terms and conditions that may be set forth in an agreement with a joint powers authority.

(c) Notwithstanding Division 1 (commencing with Section 50) of the Revenue and Taxation Code, upon any transfer authorized in subdivision (b), the following shall apply:

(1) A local agency shall be entitled to timely payment of all delinquent taxes, assessments, and other receivables collected on its behalf on the secured, unsecured, and supplemental tax rolls, along with all penalties, interest, costs, and other charges thereon, no later than 30 calendar days after the close of the preceding monthly or four-week accounting period during which the delinquencies were paid by or on account of any property owner.

(2) Upon its receipt of the delinquent taxes, assessments, and receivables that it had agreed to be transferred, a local agency shall pay those amounts, along with all applicable penalties, interest, costs, and other charges, to the joint powers authority in accordance with the terms and conditions that may be agreed to by the local agency and the joint powers authority.

(3) The joint powers authority shall be entitled to assert all right, title, and interest of the local agency in the enforcement and collection of the delinquent taxes, assessments, and receivables, including without limitation, its lien priority, its right to receive the proceeds of delinquent taxes, assessments, and receivables, and its right to receive all penalties, interest, administrative costs, and any other charges, including attorney fees and costs, if otherwise authorized by law to be collected by the local agency.

(4) (A) For any school district that participates in a joint powers authority using financing authorized by this section and that does not participate in the alternative method of distribution of tax levies under Chapter 3 of Division 1 of Part 8 of the Revenue and Taxation Code, the amount of property tax receipts to be reported in a fiscal year for the district under subdivision (f) of Section 75.70 of the Revenue and Taxation Code, or any other similar law requiring reporting of school district property tax receipts, shall be equal to 100 percent of the school district's allocable share of the taxes distributed to it for the then fiscal year, plus 100 percent of the school district's share of any delinquent secured and supplemental property taxes assigned from that year and 100 percent of its share of any delinquent secured and supplemental property taxes from any prior years which the school district has assigned

to a joint powers authority in that fiscal year, as such delinquent taxes are shown on the delinquent tax roll prescribed by Section 2627 of the Revenue and Taxation Code, on an abstract list if one is kept pursuant to Chapter 4 (commencing with Section 4372) of Part 7 of Division 1 of the Revenue and Taxation Code, or other records maintained by the county, plus all other delinquent taxes that the school district has not assigned to a joint powers authority which are collected and distributed to the school district as otherwise provided by law, less any reduction amount required by subparagraph (B). One hundred percent of the school district's allocable share of the delinquent taxes assigned for the current fiscal year, and 100 percent of the school district's allocable share of the delinquent taxes assigned for all years prior thereto, as shown on the delinquent roll, abstract list, or other records maintained by the county, whether or not those delinquent taxes are ever collected, shall be paid by the joint powers authority to the county auditor and shall be distributed to the school district by the county auditor in the same time and manner otherwise specified for the distribution of tax revenues generally to school districts pursuant to current law. Any additional amounts shall not be so reported and may be provided directly to a school district by a joint powers authority.

(B) When a joint powers authority finances delinquent taxes for a school district pursuant to this section, and continuing as long as adjustments are made to the delinquent taxes previously assigned to a joint powers authority, the school district's tax receipts to be reported as set forth in subparagraph (A) shall be reduced by the amount of any adjustments made to the school district's allocable share of taxes shown on the applicable delinquent tax roll, abstract list, if one is kept, or other records maintained by the county, occurring for any reason whatsoever other than redemption, which reduce the amount of the delinquent taxes assigned to the joint powers authority.

(C) A joint powers authority financing delinquent school district taxes and related penalties pursuant to this subdivision shall be solely responsible for, and shall pay directly to the county, all reasonable and identifiable administrative costs and expenses of the county which are incurred as a direct result of the compliance of the county tax collector or county auditor, or both, with any new or additional administrative procedures required for the county to comply with this subdivision. Where reasonably possible, the county shall provide a joint powers authority with an estimate of the amount of and basis for any additional administrative costs and expenses within a reasonable time after written request for an estimate.

(D) In no event shall the state be responsible or liable for a joint powers authority's failure to actually pay the amounts required by subparagraphs (A) and (B), nor shall a failure constitute a basis for a claim against the state by a school district, county, or joint powers authority.

(E) The phrase "school district," as used in this section, includes all school districts of every kind or class, including, without limitation, community college districts and county superintendents of school.

(d) The powers conferred by this section upon joint powers authorities and local agencies shall be complete, additional, and cumulative to all other powers conferred upon them by law. Except as otherwise required by this section, the agreements authorized by this section need not comply with the requirements of any other laws applicable to the same subject matter.

(e) An action to determine the validity of any bonds issued, any joint powers agreements entered into, any related agreements, including, without limitation, any bond indenture or any agreements relating to the sale, assignment, or pledge entered into by a joint powers authority or a local agency, the priority of any lien transferred in accordance with this section, and the respective rights and obligations of any joint powers authority and any party with whom the joint powers authority may contract pursuant to this chapter, may be brought by the joint powers authority pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure. Any appeal from a judgment in the action shall be commenced within 30 days after entry of judgment.

(f) This section shall not be construed to affect the manner in which an agency participates in or withdraws from the alternative distribution method established by Chapter 3 (commencing with Section 4701) of Part 8 of Division 1 of the Revenue and Taxation Code.

(g) Notwithstanding any other law, on and after January 1, 2007, a joint powers authority shall not purchase or acquire, and an Educational Revenue Augmentation Fund shall not sell, assign, pledge, or otherwise transfer to a joint powers authority, the right, title, or interest of an Educational Revenue Augmentation Fund in the enforcement and collection of delinquent and uncollected property tax revenues, assessments, or other receivables placed for collection on the secured, unsecured, or supplemental rolls.

6532. (a) The Legislature finds and declares that it is in the best interest of the communities located in and around the City of Santa Clara that a joint powers agency that includes the City of Santa Clara and the Redevelopment Agency of the City of Santa Clara formed to construct, operate, and maintain a stadium for use by a professional football team be authorized to let a sole source contract for the stadium construction project to a qualified design-build contractor. This authorization may enable that joint powers agency to contain costs, improve efficiency, and benefit from specialized expertise. Nothing in this section shall be construed to affect any contract relating to the development of the stadium between the joint powers agency and any private party other than a design-build contract awarded pursuant to this section.

(b) (1) Consistent with existing law, the City of Santa Clara and the Redevelopment Agency of the City of Santa Clara may enter into a joint powers agreement to create and operate a joint powers agency for the construction, operation, and maintenance of a stadium and related facilities located within the North Bayshore Redevelopment Project Area that are suitable for use by a professional football team. The joint powers agency created pursuant to this section shall be known as the Santa Clara Stadium Authority. In addition to, and without limitation on, any powers common to the City of Santa Clara and the Redevelopment Agency of the City of Santa Clara, the Santa Clara Stadium Authority shall have the power to acquire, finance, construct, manage, maintain, and operate a stadium and related facilities suitable for use by a professional football team.

(2) Notwithstanding paragraph (1), the Santa Clara Stadium Authority and the Redevelopment Agency of the City of Santa Clara shall not expend any property tax increment revenues allocated to the redevelopment agency pursuant to Section 33670 of the Health and Safety Code to operate or maintain a stadium within the North Bayshore Redevelopment Project Area.

(c) (1) Notwithstanding any other provision of law, and subject to subdivision (d), the Santa Clara Stadium Authority may award a design-build contract to a qualified design-build contractor to construct the stadium without utilizing an otherwise applicable competitive bid process, provided that all of the following have occurred:

(A) A ballot measure endorsing the development of a stadium suitable for use by a professional football team is approved by voters in the City of Santa Clara in a citywide election.

(B) The governing body of the Santa Clara Stadium Authority determines that the cost of the contract is reasonable.

(C) The governing body of the Santa Clara Stadium Authority determines that the award of the contract is in its best interest.

(2) The contract awarded to the qualified design-build contractor pursuant to paragraph (1) shall not be funded, either through direct payment or reimbursement, using funds contributed by the Redevelopment Agency of the City of Santa Clara or by a community facilities district established under the Mello-Roos Community Facilities Act of 1982 (Chapter 2.5 (commencing with Section 53311) of Part 1 of Division 2 of Title 5), except that these funds may be used to pay for or reimburse for subcontract work pursuant to subcontracts awarded by the design-build contractor to the lowest responsible bidder as provided in subdivision (e).

(d) The Santa Clara Stadium Authority shall not award a design-build contract pursuant to subdivision (c) unless all of the following conditions are met:

(1) The design-build contract does not require expenditure of money from the general fund or enterprise funds of the City of Santa Clara.

(2) The obligation of the Redevelopment Agency of the City of Santa Clara to contribute funding is limited to a specified maximum amount, exclusive of debt service and other related financing costs, and these funds are used only to pay for or reimburse for subcontract work pursuant to subcontracts awarded by the design-build contractor to the lowest responsible bidder as provided in subdivision (e). Nothing in this subdivision modifies the requirements and limitations set forth in the Community Redevelopment Law (Part 1 (commencing with Section 33000) of Division 24 of the Health and Safety Code) with respect to the financial obligations of the Redevelopment Agency of the City of Santa Clara to the joint powers agency.

(3) A private party will be responsible for any construction cost overruns.

(e) If the Santa Clara Stadium Authority awards a design-build contract pursuant to this section, it shall establish a competitive bid process for awarding subcontracts, and it shall require the design-build contractor to award subcontracts using this process. This competitive bid process shall provide that subcontracts be awarded using either the lowest responsible bidder or by best value, as defined in Section 20133 of the Public Contract Code. Subcontracts awarded on the basis of best value shall not be funded, either through direct payment or reimbursement, using funds contributed by the Redevelopment Agency of the City of Santa Clara or by a community facilities district established under the Mello-Roos Community Facilities Act of 1982 (Chapter 2.5 (commencing with Section 53311) of Part 1 of Division 2 of Title 5). Funds contributed by the Redevelopment Agency of the City of Santa Clara or a community facilities district may be used only to fund subcontracts awarded to the lowest responsible bidder in a manner consistent with the process applicable to the City of Santa Clara under its charter.

(f) Notwithstanding Section 3248 of the Civil Code, for design-build contracts awarded pursuant to this section, the Santa Clara Stadium Authority may specify that the payment bond shall be in a sum not less than one-half of the contract price or three hundred million dollars (\$300,000,000), whichever is less.

(g) If the Santa Clara Stadium Authority elects to proceed under this section and uses the design-build method to construct a stadium suitable for use by a professional football team, it shall submit to the Legislative Analyst's Office, within six months following the completion of construction of the stadium, a report regarding the project that shall include, but shall not be limited to, all of the following information:

(1) A brief description of the project.

(2) The gross square footage of the project.

(3) The design-build entity that was awarded the project.

(4) Where appropriate, the estimated and actual length of time to complete the project.

(5) The estimated and actual project costs.

(6) A description of any written protests concerning any aspect of the solicitation, bid, proposal, or award of the design-build project, including the resolution of the protests.

(7) An assessment of the prequalification process and criteria.

(8) A description of the method used to award the contract. If best value, as defined in Section 20133 of the Public Contract Code, was the method, the report shall describe the factors used to evaluate the bid, including the weighting of each factor and an assessment of the effectiveness of the methodology.

(h) It is not the intent of the Legislature, under the provisions of this section, to authorize design-build for other infrastructure, including, but not limited to, streets and highways, public rail transit, or water resource facilities and infrastructure not located on the stadium site or adjacent city streets and property.

(i) If the construction and operation or maintenance of a stadium as contemplated by this section is deemed by the Department of Transportation under otherwise applicable law to require improvements on the state highway system, all of the following provisions shall apply:

(1) Notwithstanding any other provision of this section, for any project on the state highway system deemed necessary by the department due to the construction, operation, or maintenance of the stadium as contemplated by this section, the department is the responsible agency for the performance of project development services, including performance specifications, preliminary engineering, prebid services, the preparation of project reports and environmental documents, project design, and construction inspection services. The department is also the responsible agency for the preparation of documents that may include, but need not be limited to, the size, type, and desired design character of the project, performance specifications covering quality of materials, equipment, and workmanship, preliminary and final plans and specifications, and any other information deemed necessary to design and construct a project that meets the needs of the department.

(2) The department may use department employees or consultants to perform these services, consistent with Article XXII of the California Constitution. Department resources, including personnel requirements necessary for the performance of those services, shall be included in the department's capital outlay support program for workload purposes in the annual Budget Act.

(j) The provisions of this section are severable. If any provision of this section or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application. Except as provided in this section, nothing in this section shall be construed to affect the application of any other law.

(Added by Stats. 2009, Ch. 330, Sec. 1. (SB 43) Effective January 1, 2010.)

6533. (a) The board of directors of the Eastern Water Alliance Joint Powers Agency may grant available funds to a member public agency for the purposes of assisting that member public agency in acquiring water if the board determines that that water supply will benefit the Eastern San Joaquin County Groundwater Basin as a whole and that that member public agency would otherwise be unable to acquire that water. Section 10753.1 of the Water Code applies to any groundwater regulation under this section. As used in this section, the term "groundwater" has the same definition as set forth in subdivision (a) of Section 10752 of the Water Code.

(b) (1) For the purpose of supplementing the general operating revenues of the joint powers agency, upon the request of the board of directors of the joint powers agency, the Board of Supervisors of San Joaquin County may grant to the joint powers agency funds from the county general fund or Zone 2 of the San Joaquin County Flood Control and Water Conservation District that are available to carry out any purpose of the joint powers agency for which the county or district is authorized to expend funds.

(2) Nothing in paragraph (1) grants a preference to the joint powers agency over other public agencies for the purposes of receiving funds described in that paragraph.

(c) The joint powers agency shall deposit any county or district funds received pursuant to subdivision (b) in a separate account, and upon request of the county or district, shall demonstrate that all expenditures made from that account are being used only to carry out the powers, projects, and purposes of the joint powers agency and San Joaquin County or Zone 2 of the San Joaquin County Flood Control and Water Conservation District.

(d) Subject to Article XIII D of the California Constitution, the joint powers agency may impose a plan implementation charge, in accordance with this subdivision, on landowners within its boundaries for the property related service received from improved groundwater management and planning, and for improved groundwater levels and availability, provided by the joint powers agency. This plan implementation charge shall be a charge for water subject to the procedures and requirements set forth in subdivisions (a) and (b) of Section 6 of Article XIII D of the California Constitution, as follows:

(1) Each year the board of directors of the joint powers agency may fix a plan implementation charge that may not exceed the annual cost of carrying out the actions financed by the charge. The board of directors may use multiyear budgeting to determine the plan implementation charge for up to five years and adopt a schedule of charges for this time period.

(2) Before imposing the plan implementation charge, the board of directors of the joint powers agency shall identify the parcels of land within the joint powers agency to be benefited by the actions financed by the charge, the need for the plan implementation charge, and the amount of the charge to be imposed on each parcel. The amount of the charge upon any parcel may not exceed

the proportional costs of the actions financed by the charge attributable to that parcel. The joint powers agency shall provide written notice of the plan implementation charge and conduct a public hearing as provided in subdivision (a) of Section 6 of Article XIII D of the California Constitution. The joint powers agency may not impose the plan implementation charge if written protests against the charge are presented by a majority of the owners of the identified parcels upon which the charge will be imposed.

(3) (A) The plan implementation charge, at the option of the joint powers agency, may be collected on the tax rolls of the county in the same manner, by the same persons, and at the same time as, together with and not separate from, county ad valorem property taxes. In that event, of the amount collected pursuant to this paragraph, the county auditor may deduct that amount required to reimburse the county for its actual cost of collection.

(B) In lieu of that option, the joint powers agency shall collect plan implementation charges at the same time, together with penalties and interest at the same rates as is prescribed for the collection of county ad valorem property taxes.

(4) The amount of an unpaid plan implementation charge, together with any penalty and interest thereon, shall constitute a lien on that land as of the same time and in the same manner as does the tax lien securing county ad valorem property taxes.

(5) In lieu of a plan implementation charge being imposed on parcels within the boundaries of any individual member public agency of the joint powers agency, any member of the joint powers agency may determine by resolution to make payment to the joint powers agency of funds in an amount equal to the amount that would be raised by imposition of the plan implementation charge within the boundaries of that member, to be paid at the same time that the plan implementation charge would be collected if imposed.

(e) For the purposes of this section, "joint powers agency" means the Eastern Water Alliance Joint Powers Agency.

(f) For the purposes of this section, "Eastern San Joaquin County Groundwater Basin" means the Eastern San Joaquin County Basin described on pages 38 and 39 of the Department of Water Resources' Bulletin No. 118-80.

The agency bonds may be issued only if the commission finds in a financing order that the issuance, due to the availability of a federal or state income tax exemption, will provide savings to water customers on the Monterey Peninsula.

(b) Notwithstanding any other provision of law, the joint powers agency may issue bonds pursuant to Article 2 (commencing with Section 6540) or Article 4 (commencing with Section 6584). If the agency issues bonds under this section, the agency, notwithstanding Article 5 (commencing with Section 53760) of Chapter 4 of Part 1 of Division 2 of Title 5, shall not be eligible to file for bankruptcy pursuant to Chapter 9 (commencing with Section 901) of Title 11 of the United States Code as long as the bonds and any related financing costs are outstanding and unpaid and shall remain ineligible for a period of one year and one day after repayment of the bonds and any related financing costs.

(b) The purpose of a joint powers authority or agreement formed pursuant to subdivision (a) shall be to facilitate the development, construction, and operation of zero-emission transportation systems or facilities that lower greenhouse gases, reduce vehicle congestion and vehicle miles traveled, and improve public transit connections.

(c) An authority formed pursuant to subdivision (a) shall be governed by a board of directors, the composition of which shall be determined by the participating public agency or agencies. The representation of private, nonprofit mutual benefit corporations on the board of directors shall not exceed 50 percent.

(d) (1) (A) For a project undertaken by a joint powers authority formed pursuant to a joint powers agreement as described in this section, the joint powers authority shall obtain an enforceable commitment that any bidder, contractor, or other entity undertaking the project will use a skilled and trained workforce to complete the project.

(B) Subparagraph (A) does not apply if either of the following are met:

(i) The joint powers authority has entered into a project labor agreement that will bind all contractors and subcontractors performing work on the project to use a skilled and trained workforce.

(ii) The bidder, contractor, or other entity has entered into a project labor agreement that will bind all contractors and subcontractors at every tier performing work on the project to use a skilled and trained workforce.

(2) For a project undertaken by a bidder, contractor, or other entity that is a private entity under contract to or otherwise performing the work for a joint powers authority formed pursuant to a joint powers agreement as described in this section, the private entity shall do both of the following:

(A) Certify, in writing and under penalty of perjury, to the joint powers authority that either of the following is true:

(i) The entirety of the project is a public work for purposes of Chapter 1 (commencing with Section 1720) of Part 7 of Division 2 of the Labor Code.

(ii) If the project is not in its entirety a public work and the project applicant is not required to pay prevailing wages to all construction workers under Article 2 (commencing with Section 1720) of Chapter 1 of Part 7 of Division 2 of the Labor Code, all construction workers employed on construction of the project will be paid at least the general prevailing rate of per diem wages for the type of work and geographic area, as determined by the Director of Industrial Relations pursuant to Sections 1773 and 1773.9 of the Labor Code, except that apprentices registered in programs approved by the Chief of the Division of Apprenticeship Standards may be paid at least the applicable apprentice prevailing rate. If the project is subject to this clause, then for those portions of the project that are not a public work all of the following shall apply:

(I) The joint powers authority shall ensure that the prevailing wage requirement is included in all contracts for the performance of all construction work.

(II) All contractors and subcontractors at every tier shall pay to all construction workers employed in the execution of the work at least the general prevailing rate of per diem wages, except that apprentices registered in programs approved by the Chief of the Division of Apprenticeship Standards may be paid at least the applicable apprentice prevailing rate.

If a civil wage and penalty assessment is issued, the contractor, subcontractor, and surety on a bond or bonds issued to secure the payment of wages covered by the assessment shall be liable for liquidated damages pursuant to Section 1742.1 of the Labor Code.

(V) Subclauses (III) and (IV) do not apply if all contractors and subcontractors at every tier performing work on the project are subject to a project labor agreement that requires the payment of prevailing wages to all construction workers employed in the execution of the project and provides for enforcement of that obligation through an arbitration procedure.

(VI) Notwithstanding subdivision (c) of Section 1773.1 of the Labor Code, the requirement that employer payments not reduce the obligation to pay the hourly straight time or overtime wages found to be prevailing shall not apply if otherwise provided in a bona fide collective bargaining agreement covering the worker. The requirement to pay at least the general prevailing rate of per diem wages does not preclude use of an alternative workweek schedule adopted pursuant to Section 511 or 514 of the Labor Code.

(B) Certify, in writing and under penalty of perjury, to the joint powers authority that a skilled and trained workforce will be used to perform all construction work on the project. All of the following requirements shall apply to the project:

A private entity that fails to provide a monthly report demonstrating compliance with Chapter 2.9 (commencing with Section 2600) of Part 1 of Division 2 of the Public Contract Code shall be subject to a civil penalty of ten thousand dollars (\$10,000) per month for each month for which the report has not been provided. Any contractor or subcontractor that fails to use a skilled and trained workforce shall be subject to a civil penalty of two hundred dollars (\$200) per day for each worker employed in contravention of the skilled and trained workforce requirement. Penalties may be assessed by the Labor Commissioner within 18 months of completion of the project using the same procedures for issuance of civil wage and penalty assessments pursuant to Section 1741 of the Labor Code, and may be reviewed pursuant to the same procedures in Section 1742 of the Labor Code. Penalties shall be paid to the State Public Works Enforcement Fund.

(II) Subclause (I) shall not apply if all contractors and subcontractors performing work on the project are subject to a project labor agreement that requires compliance with the skilled and trained workforce requirement and provides for

enforcement of that obligation through an arbitration procedure.
