TITLE 7. PLANNING AND LAND USE [65000 - 66499.58] (Heading of Title 7 amended by Stats. 1974, Ch. 1536.)

DIVISION 1. PLANNING AND ZONING [65000 - 66342] (Heading of Division 1 added by Stats. 1974, Ch. 1536.)

CHAPTER 2. Regional Planning Districts [65060 - 65069.5] (Chapter 2 repealed and added by Stats. 1963, Ch. 1811.)

ARTICLE 8. Financial Provisions [65069 - 65069.5] (Article 8 added by Stats. 1963, Ch. 1811.)

65069. Pursuant to concurrent resolution adopted by the boards of supervisors of the several counties in which the district functions, such counties may lend to the district out of available funds an amount not to exceed seventy-five thousand dollars (\$75,000) in order to enable the district to perform its functions and meet its obligations. The loan shall be repaid out of the first tax revenues of the district and shall be repaid out of such revenues prior to the payment of any other obligations of the district.

(Repealed and added by Stats. 1963, Ch. 1811.)

65069.1. Before the 15th day of June of each year the board shall estimate and determine the amount of money required by the district for purposes of the district during the ensuing fiscal year and shall apportion this amount to the counties included within the district, one-half according to the relative value of all the property in each county within the district as determined by the board and one-half in the proportion that the population of each county bears to the total population of the district. For the purposes of this section the board shall base its determination of the population of the several counties on the latest official census information available to it. The total amount of money required by the district for district purposes during any one fiscal year shall not exceed one-half cent (\$0.005) on each one hundred dollars (\$100) of the assessed valuation of all the property included in the district.

(Added by Stats. 1963, Ch. 1811.)

65069.2. On or before the 15th day of June of each year, the board shall inform the boards of supervisors of each county of the amount apportioned to the county. Each board of supervisors shall levy an ad valorem tax on the taxable property within the county included within the district sufficient to secure the amount so apportioned to it and such taxes shall be levied and collected together with, and not separately from, the taxes for county purposes and paid to the treasurer of each of the counties to the credit of the district.

The board of supervisors, in lieu of levying a tax to secure the amount so apportioned, and if funds are available in the county general fund, may require such amount to be paid by the county treasurer from the general fund of the county to the district treasury.

In lieu of levying a tax and in lieu of using money in the county general fund to secure all or part of the amount so apportioned to the county, the board of supervisors may, with the consent of the board, contribute to the district services of county officers or employees.

(Added by Stats. 1963, Ch. 1811.)

65069.3. Taxes levied by the board of supervisors for the benefit of the district shall be a lien upon all property within such county lying within the district and shall have the same force and effect as other liens for taxes. Their collection may be enforced in the same manner as liens for county taxes are enforced.

(Added by Stats. 1963, Ch. 1811.)

65069.4. The treasurers of the several counties within the district shall pay into the district treasury all funds held by them to the credit of the district.

(Added by Stats. 1963, Ch. 1811.)

65069.5. The district board shall, in carrying out the provisions of this article, comply as nearly as possible with the provisions of Chapter 1 (commencing with Section 29000) of Division 3 of Title 3 of the Government Code.

(Added by Stats. 1963, Ch. 1811.)
