Assembly Bill No. 283

CHAPTER 181

An act to amend Sections 53601.8 and 53635.8 of the Government Code, relating to local government.

[Approved by Governor August 12, 2015. Filed with Secretary of State August 12, 2015.]

LEGISLATIVE COUNSEL'S DIGEST

AB 283, Dababneh. Financial affairs.

Existing law prescribes the instruments in, and criteria by which, a local agency, as defined, may invest and deposit its funds, including its surplus funds. Existing law, until January 1, 2017, authorizes, under certain conditions, a local agency to invest up to a certain percentage of its surplus funds in deposits at specified types of financial institutions that use a private sector entity to assist in the placement of deposits, whether those investments are certificates of deposit or in another form. With respect to investments other than a certificate of deposit, existing law limits the percentage of local agency funds that may be invested by any one private sector entity. Existing law, on and after January 1, 2017, limits this authority to invest surplus funds to investments in certificates of deposit.

This bill would extend the existing temporary authority for a local agency to invest its surplus funds, in certificates of deposit or in another form of investment, until January 1, 2021, and for that time period, would remove a limitation on the percentage of local agency funds that may be invested in certificates of deposit. This bill would, on and after January 1, 2021, indefinitely authorize a local agency to invest surplus funds to investments in certificates of deposit, as specified. This bill would also remove the limit on the percentage of local agency funds that may be invested by any one private sector entity, as specified.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. Section 53601.8 of the Government Code, as amended by Section 1 of Chapter 228 of the Statutes of 2013, is amended to read:

53601.8. The following conditions shall apply:

(a) The local agency shall choose a nationally or state chartered commercial bank, savings bank, savings and loan association, or credit union in this state to invest the funds, which shall be known as the "selected" depository institution.

(b) The selected depository institution may use a private sector entity to help place local agency deposits with one or more commercial banks, savings banks, savings and loan associations, or credit unions that are located in the United States and are within the network used by the private sector entity for this purpose.

(c) Any private sector entity used by a selected depository institution to help place its local agency deposits shall maintain policies and procedures requiring both of the following:

(1) The full amount of each deposit placed pursuant to subdivision (b) and the interest that may accrue on each such deposit shall at all times be insured by the Federal Deposit Insurance Corporation or the National Credit Union Administration.

(2) Every depository institution where funds are placed shall be capitalized at a level that is sufficient, and be otherwise eligible, to receive such deposits pursuant to regulations of the Federal Deposit Insurance Corporation or the National Credit Union Administration, as applicable.

(e) On the same date that the local agency's funds are placed pursuant to subdivision (b) by the private sector entity, the selected depository institution shall receive an amount of insured deposits from other financial institutions that, in total, are equal to, or greater than, the full amount of the principal that the local agency initially deposited through the selected depository institution pursuant to subdivision (b).

(g) It is the intent of the Legislature that this section shall not restrict competition among private sector entities that provide placement services pursuant to this section.

(h) The deposits placed pursuant to this section and Section 53635.8 shall not, in total, exceed 30 percent of the agency's funds that may be invested for this purpose.
