**Assembly Bill No. 646**

**CHAPTER 301**

An act to amend Section 12174 of the Government Code, relating to state archives, and declaring the urgency thereof, to take effect immediately.

[ Approved by Governor September 21, 2015. Filed with Secretary of State September 21, 2015. ]

**LEGISLATIVE COUNSEL'S DIGEST**

AB 646, McCarty. State Archives: museum activities.

Existing law requires the Secretary of State to administer the State Archives Building Complex for the use, education, and enjoyment of the public and to advance civic education and civic engagement by all Californians. Existing law authorizes the Secretary of State to enter into an agreement to operate a museum in the State Archives Building Complex with the California Museum for History, Women and the Arts, a nonprofit public benefit corporation, or its successor. Existing law requires the Secretary of State, the Director of Parks and Recreation, and the State Archivist to act as honorary nonvoting members of the governing board of the corporation.

This bill would remove the Secretary of State, the Director of Parks and Recreation, and the State Archivist from their honorary, nonvoting positions on the governing board of the corporation and, instead, would require the Secretary of State and the Director of Parks and Recreation to act as ex officio voting members of the board.

This bill would declare that it is to take effect immediately as an urgency statute.

**THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:**

**SECTION 1.** Section 12174 of the Government Code, as amended by Section 1 of Chapter 33 of the Statutes of 2015, is amended to read:

(g) The Legislature encourages the governing board of the corporation to conduct its meetings in an open manner, establish a board membership that is representative and reflective of California's rich history, and work cooperatively with the Secretary of State to ensure public input, confidence, and accountability in the museum's use of its resources and the protection of California's priceless archives, collections, and artifacts.
