Assembly Bill No. 1817

CHAPTER 21

An act to amend Section 49123 of the Public Resources Code, relating to solid waste.

[Approved by Governor June 10, 2016. Filed with Secretary of State June 10, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1817, Mark Stone. Solid waste: garbage and refuse disposal districts: board of directors.

Existing law authorizes the formation of garbage and refuse disposal districts under certain conditions, and requires that a board of directors of not less than 3 members be appointed for each district. Existing law authorizes members of the board of directors to receive not more than \$50 per diem for each day of actual attendance at the meetings of the board, up to \$100 in a calendar month.

This bill would authorize a district board to provide, by ordinance or resolution, compensation to a member of the board in an amount not to exceed \$100 per day for each day of attendance at a meeting of the board or for each day of service rendered as director by request of the board, and would authorize a member of a district board to receive that compensation for no more than 6 days in a calendar month.

(d) In addition to any other compensation received pursuant to this section, the chairperson of a district board and the secretary of a district board, if the secretary is a member of the district board, shall each receive monthly compensation as established by the district board.
