CHAPTER 164

An act to amend, repeal, and add Section 26909 of the Government Code, relating to local government.

[Approved by Governor August 22, 2016. Filed with Secretary of State August 22, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2613, Achadjian. County auditor: audits: special districts.

Existing law requires the county auditor to either perform an audit, or contract with a certified public accountant or public accountant to perform an audit, of the accounts and records of every special district within the county, as specified. Existing law authorizes a special district, by unanimous request of its governing board and unanimous approval by the board of supervisors, to replace the annual audit with an audit over a longer period of time or with a financial review, as specified.

This bill would additionally authorize a special district, until January 1, 2027, by unanimous request of its governing board and with unanimous approval of the board of supervisors, to replace the annual audit for not more than 5 consecutive years with an annual financial compilation of the special district to be performed by the county auditor, or with an agreed-upon procedures engagement, in accordance with professional standards, if certain conditions are met.

(d) (1) A special district may, by annual unanimous request of the governing board of the special district and with annual unanimous approval of the board of supervisors, replace the annual audit required by this section with an annual financial compilation of the special district to be performed by the county auditor in accordance with professional standards, if all of the following conditions are met:
