CALIFORNIA LEGISLATURE— 2015–2016 REGULAR SESSION

**SENATE BILL**

**NO. 497**

Introduced by Senator Vidak

February 26, 2015

An act to add Section 41857 to the Education Code, relating to pupil transportation.

### LEGISLATIVE COUNSEL'S DIGEST

SB 497, Vidak. Pupil transportation: data.

Existing law authorizes the governing board of any school district to provide for the transportation of pupils to and from school whenever, in the judgment of the governing board of the school district, the transportation is advisable and good reasons for it exist. Existing law further authorizes the governing board of any school district to contract with the county superintendent of schools to provide necessary transportation services.

This bill would, commencing with data for the 2014–15 fiscal year, and for each fiscal year thereafter, require the State Department of Education to request specified pupil transportation data from each school district, charter school, county office of education, joint powers authority, and regional occupational center or program that provides pupil transportation. The bill would require the department to post the data received on its Internet Web site, and would require the data to be separated between home-to-school transportation and special education transportation.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

**SECTION 1.** Section 41857 is added to the Education Code, to read:

**41857.** (a) Commencing with data for the 2014–15 fiscal year, and for each fiscal year thereafter, the department shall request pupil transportation data from each school district, charter school, county office of education, joint powers authority, and regional occupational center or program that provides pupil transportation. The provision of the transportation data to the department shall be voluntary on the part of these entities.

(b) The data requested shall include, but is not limited to, totals from each entity for all of the following: revenue received for transportation purposes, number of buses, ridership of all pupils, ridership of pupils with an individualized education program, ridership of pupils who are eligible for free or reduced-price meals, number of miles driven, approved costs, cost per mile, and cost per pupil.

(c) (1) The department shall annually post the data received on its Internet Web site.

(2) The data posted on the department's Internet Web site shall also include the statewide average cost per mile and the statewide average cost per pupil.

(3) The data posted on the department's Internet Web site shall be separated between home-to-school transportation and special education transportation, as those terms are defined in Section 41850.
