CHAPTER 728

An act to add Sections 44978.2 and 45191.5 to the Education Code, relating to school employees.

[Approved by Governor September 27, 2016. Filed with Secretary of State September 27, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1180, Jackson. Public school employees: military veterans: leave of absence for illness or injury.

(1) Under existing law, a certificated employee may, at his or her election, use days of leave of absence for illness or injury allowed, pursuant to specified existing law.

This bill would require that a certificated employee hired on or after January 1, 2017, who is a military veteran with a military service-connected disability rated at 30% or more by the United States Department of Veterans Affairs be entitled to a leave of absence for illness or injury with pay of up to 10 days for the purpose of undergoing medical treatment for his or her military service-connected disability, as specified. The bill would provide that nothing in these provisions shall be construed to diminish the obligation of a public school employer to comply with any collective bargaining agreement entered into by a public school employer and an exclusive bargaining representative that provides greater leave of absence rights to employees than the rights established under these provisions.

(2) Under existing law, a classified employee may, at his or her election, use days of leave of absence for illness or injury allowed, pursuant to specified existing law.

This bill would require a classified employee hired on or after January 1, 2017, who is a military veteran with a military service-connected disability rated at 30% or more by the United States Department of Veterans Affairs be entitled to a leave of absence for illness or injury with pay of up to 12 days for the purpose of undergoing medical treatment for his or her military service-connected disability, as specified. The bill would provide that nothing in these provisions shall be construed to diminish the obligation of a public school employer to comply with any collective bargaining agreement entered into by a public school employer and an exclusive bargaining representative that provides greater leave of absence rights to employees than the rights established under these provisions.
