**Senate Bill No. 1314**

**CHAPTER 438**

An act to amend Sections 66021.2, 69434, 69435.3, 69436, 70022, 70022.5, and 70023 of the Education Code, relating to student financial aid, and making an appropriation therefor.

[ Approved by Governor September 21, 2016. Filed with Secretary of State September 21, 2016. ]

**LEGISLATIVE COUNSEL'S DIGEST**

SB 1314, Block. Cal Grant Program: Middle Class Scholarship Program: community college baccalaureate degree program students.

(1) Existing law, the Ortiz-Pacheco-Poochigian-Vasconcellos Cal Grant Program, establishes the Cal Grant A and B Entitlement Awards, the California Community College Transfer Entitlement Awards, and the Competitive Cal Grant A and B Awards and eligibility requirements for these awards for participating students attending qualifying institutions.

This bill would provide that community college students participating in specified baccalaureate degree programs who also satisfy specified eligibility requirements shall receive these awards for upper division coursework fees.

(2) Under existing law, the Middle Class Scholarship Program provides that an undergraduate student enrolled at the University of California or the California State University, and meeting certain requirements, is eligible for a scholarship award that, combined with other federal, state, and institutionally administered grants and fee waivers, totals up to 40% of the systemwide tuition and fees. Under existing law, to receive an award under the Middle Class Scholarship Program, a student is required to have an annual household income that does not exceed \$150,000 as adjusted to reflect changes in the cost of living, satisfy specified requirements for a Cal Grant award, be a California resident or exempt from paying nonresident tuition, file specified financial aid forms, timely apply for publicly funded student financial aid for which he or she is eligible, maintain at least a 2.0 grade point average, be pursuing his or her first undergraduate baccalaureate degree or be enrolled in a specified professional teacher preparation program, and be enrolled at least part time. Existing law requires the University of California and the California State University to provide the Student Aid Commission with any financial aid data that are necessary for the determination of award amounts.

Existing law transfers \$117,000,000 from the General Fund to the Middle Class Scholarship Fund and appropriates that sum to the Student Aid Commission for purposes of the scholarship program for the 2017–18 fiscal year, and each fiscal year thereafter.

This bill would extend awards under the Middle Class Scholarship Program to community college students enrolled in upper division coursework of a baccalaureate degree program, as specified, and would require the Office of the Chancellor of the California Community Colleges to provide the commission with any financial data that are necessary for the determination of award amounts for these students. By expanding the appropriation described above, the bill would make an appropriation.

(3) This bill would incorporate additional changes to Section 69436 of the Education Code proposed by AB 1449 that would become operative if this bill and AB 1449 are both enacted and this bill is chaptered last.

(D) The student is exempt from paying nonresident tuition.

(E) The student completes and submits a Free Application for Federal Student Aid (FAFSA) application. The FAFSA must be submitted or postmarked by no later than March 2. If the student is not able to complete a FAFSA application, the student may satisfy this subparagraph by submitting an application determined by the commission to be equivalent to the FAFSA application for purposes of this article by March 2.

(F) The student makes a timely application or applications for all other federal, state, or institutionally administered grants or fee waivers for which the student is eligible.

(G) The student maintains satisfactory academic progress in a manner that is consistent with the requirements applicable to the Ortiz-Pacheco-Poochigian-Vasconcellos Cal Grant Program pursuant to subdivision (m) of Section 69432.7.

(B) Notwithstanding subparagraph (A), for any student who qualifies for a scholarship award of at least one dollar (\$1), the minimum annual scholarship amount for full-time enrollment is ninety dollars (\$90).

(4) For the 2014–15, 2015–16, and 2016–17 academic years, the maximum amount of a student's scholarship award shall be 35 percent, 50 percent, and 75 percent, respectively, of the total scholarship award amount that the student would otherwise be eligible to receive.

(c) The University of California and the California State University shall report on the implementation of this article as part of the report made pursuant to Section 66021.1.

(d) A Middle Class Scholarship Program award authorized pursuant to this article shall be defined as a full-time equivalent grant. Commencing with the 2016–17 academic year, the total number of years of eligibility for grants pursuant to this article shall be based on the student’s educational level in his or her course of study as designated by the institution of attendance when the recipient initially receives payment for a grant.

(b) For a student enrolled in an institutionally prescribed five-year undergraduate program, a scholarship award under this article may be renewed for a total of up to five academic years of attendance as long as the student meets the requirements of Section 70022.

(c) A recipient of a scholarship award under this article who has completed a baccalaureate degree, and who has been admitted to and is enrolled in a program of professional teacher preparation at an institution approved by the Commission on Teacher Credentialing, is eligible for, but not entitled to, renewal of the scholarship award for an additional academic year of full-time attendance as long as the student meets the requirements of Section 70022.

**SEC. 7.** Section 70023 of the Education Code is amended to read:

**70023.** (a) For each academic year, the commission shall determine an amount sufficient, when combined with other federal, state, or institutionally administered student grants or fee waivers received by eligible students from other sources, to provide scholarships to eligible students in the amounts described in paragraphs (2) and (3) of subdivision (a) of Section 70022. The University of California, the California State University, and the Office of the Chancellor of the California Community Colleges shall provide the commission with any financial aid data that are necessary for the determination of these amounts.

(b) The commission shall annually determine if the amounts appropriated under this section in each fiscal year are sufficient to cover the costs of the scholarships as projected to be awarded pursuant to the program. If those amounts are not sufficient for this purpose, the scholarships shall be reduced proportionately by an equal percentage for all recipients of scholarships under this article.

(c) The commission may adopt regulations necessary to carry out the purposes of this article under subdivision (b) as emergency regulations in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code. For purposes of the Administrative Procedure Act, including Section 11349.6 of the Government Code, the adoption of those regulations shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health and safety, or general welfare, notwithstanding subdivision (e) of Section 11346.1 of the Government Code. Notwithstanding subdivision (e) of Section 11346.1 of the Government Code, any regulation adopted pursuant to this section shall not remain in effect more than 180 days unless the commission complies with all provisions of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, as required by subdivision (e) of Section 11346.1 of the Government Code.

(d) The unencumbered balance, as of June 30 of each fiscal year, of the amount appropriated from the Middle Class Scholarship Fund pursuant to paragraph (1) of subdivision (e) shall revert to the General Fund.

(e) (1) Upon order of the Director of Finance, the following amounts shall be transferred from the General Fund to the Middle Class Scholarship Fund, and are hereby appropriated to the commission for allocation pursuant to this article:

(A) For the 2014–15 fiscal year, one hundred seven million dollars (\$107,000,000).

(B) For the 2015–16 fiscal year, eighty-two million dollars (\$82,000,000).

(C) For the 2016–17 fiscal year, seventy-four million dollars (\$74,000,000).

(D) For the 2017–18 fiscal year and for each fiscal year thereafter, one hundred seventeen million dollars (\$117,000,000).

(2) An annual appropriation to the commission is hereby established in the amounts and for the fiscal years described in paragraph (1) to carry out the purposes of this section and Section 70022.

(3) It is the intent of the Legislature that any savings realized from changes made to the allocations under this subdivision by a bill providing for appropriations related to the Budget Bill for the 2015–16 fiscal year shall be used to support higher education.

(4) The funds transferred and appropriated pursuant to paragraph (1) shall only be available for encumbrance in the fiscal year in which they are transferred, and the General Fund shall have no liability or any obligation beyond the transfers explicitly authorized in paragraph (1) unless a subsequent transfer or allocation is required pursuant to statute.

(5) In any fiscal year, additional appropriations may be enacted pursuant to statute to carry out the purposes of this article.

(6) (A) Beginning with the Governor's Budget proposal for the 2014–15 fiscal year, and in the Governor's Budget for each fiscal year thereafter, the Department of Finance shall include a fund condition statement for the Middle Class Scholarship Fund for the fiscal year of the proposed budget and the two immediately preceding fiscal years prepared in accordance with existing law.

(B) Upon order of the Director of Finance and commencing with the 2013–14 fiscal year, if the May Revision projects a budget deficit for the next fiscal year, the amount specified in paragraph (1) for the fiscal year for which the budget deficit is projected may be reduced by up to 33 percent.

(f) Subject to an appropriation in the annual Budget Act for its purposes, the commission may begin implementation of, and establish outreach services relating to, this article.

**SEC. 8.** Section 4.5 of this bill incorporates amendments to Section 69436 of the Education Code proposed by both this bill and Assembly Bill 1449. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2017, (2) each bill amends Section 69436 of the Education Code, and (3) this bill is enacted after Assembly Bill 1449, in which case Section 4 of this bill shall not become operative.
