Assembly Bill No. 174

CHAPTER 435

An act to add Section 12012.86 to the Government Code, relating to tribal gaming, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 03, 2017. Filed with Secretary of State October 03, 2017.]

LEGISLATIVE COUNSEL'S DIGEST

AB 174, Bigelow. Tribal gaming: compact ratification.

Existing federal law, the Indian Gaming Regulatory Act of 1988, provides for the negotiation and execution of tribal-state gaming compacts for the purpose of authorizing certain types of gaming on Indian lands within a state. The California Constitution authorizes the Governor to negotiate and conclude tribal-state gaming compacts, subject to ratification by the Legislature. Existing law expressly ratifies a number of tribal-state gaming compacts, and amendments of tribal-state gaming compacts, between the State of California and specified Indian tribes.

The California Environmental Quality Act (CEQA) requires a lead agency to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project, as defined, that it proposes to carry out or approve that may have a significant effect on the environment, as defined, or to adopt a negative declaration if it finds that the project will not have that effect.

This bill would ratify the amendment to the tribal-state gaming compact entered into between the State of California and the United Auburn Indian Community, executed on August 18, 2017. The bill would provide that, in deference to tribal sovereignty, certain actions related to that compact are not projects for purposes of CEQA.

This bill would declare that it is to take effect immediately as an urgency statute.

Sec. 2701 et seq.) between the State of California and the United Auburn Indian Community, executed on August 18, 2017, is hereby ratified.

(2) Except as expressly provided in this section, this subdivision does not exempt a city, county, or city and county, or the Department of Transportation, or any state agency or local jurisdiction, from the requirements of the California Environmental Quality Act.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the California Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to enhance, at the earliest possible time, the economic development, long-term stability, and self-sufficiency of the United Auburn Indian Community, and to protect the interests of the tribe and its members, the surrounding community, and the California public, it is necessary for this act to take effect immediately.
