Assembly Bill No. 748

CHAPTER 960

An act to amend Section 6254 of the Government Code, relating to peace officers.

[Approved by Governor September 30, 2018. Filed with Secretary of State September 30, 2018.]

LEGISLATIVE COUNSEL'S DIGEST

AB 748, Ting. Peace officers: video and audio recordings: disclosure.

Existing law, the California Public Records Act, requires that public records, as defined, be available to the public for inspection and made promptly available to any person. Existing law makes records of investigations conducted by any state or local police agency exempt from these requirements. Existing law requires specified information regarding the investigation of crimes to be disclosed to the public unless disclosure would endanger the safety of a person involved in an investigation or would endanger the successful completion of the investigation.

This bill would, notwithstanding the above provisions, commencing July 1, 2019, allow a video or audio recording that relates to a critical incident, as defined, to be withheld for 45 calendar days if disclosure would substantially interfere with an active investigation, subject to extensions, as specified. The bill would allow the recording to be withheld if the public interest in withholding video or audio recording clearly outweighs the public interest in disclosure because the release of the recording would, based on the facts and circumstances depicted in the recording, violate the reasonable expectation of privacy of a subject depicted in the recording, in which case the bill would allow the recording to be redacted to protect that interest. If the agency demonstrates that the reasonable expectation of privacy of a subject depicted in the recording cannot adequately be protected through redaction, the bill would require that the recording be promptly disclosed to a subject of the recording, his or her parent, guardian, or representative, as applicable, or his or her heir, beneficiary, immediate family member, or authorized legal representative, if deceased.

By requiring local agencies to make these recordings available, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. Section 6254 of the Government Code, as amended by Section 1 of Chapter 560 of the Statutes of 2017, is amended to read:

6254. Except as provided in Sections 6254.7 and 6254.13, this chapter does not require the disclosure of any of the following records:

(a) Preliminary drafts, notes, or interagency or intra-agency memoranda that are not retained by the public agency in the ordinary course of business, if the public interest in withholding those records clearly outweighs the public interest in disclosure.

(b) Records pertaining to pending litigation to which the public agency is a party, or to claims made pursuant to Division 3.6 (commencing with Section 810), until the pending litigation or claim has been finally adjudicated or otherwise settled.

(c) Personnel, medical, or similar files, the disclosure of which would constitute an unwarranted invasion of personal privacy.

(d) Records contained in or related to any of the following:

(1) Applications filed with any state agency responsible for the regulation or supervision of the issuance of securities or of financial institutions, including, but not limited to, banks, savings and loan associations, industrial loan companies, credit unions, and insurance companies.

(2) Examination, operating, or condition reports prepared by, on behalf of, or for the use of, any state agency referred to in paragraph (1).

(3) Preliminary drafts, notes, or interagency or intra-agency communications prepared by, on behalf of, or for the use of, any state agency referred to in paragraph (1).

(4) Information received in confidence by any state agency referred to in paragraph (1).

(e) Geological and geophysical data, plant production data, and similar information relating to utility systems development, or market or crop reports, that are obtained in confidence from any person.

(f) Records of complaints to, or investigations conducted by, or records of intelligence information or security procedures of, the office of the Attorney General and the Department of Justice, the Office of Emergency Services and any state or local police agency, or any investigatory or security files compiled by any other state or local police agency, or any investigatory or security files compiled by any other state or local agency for correctional, law enforcement, or licensing purposes. However, state and local law enforcement agencies shall disclose the names and addresses of persons involved in, or witnesses other than confidential informants to, the incident, the description of any property involved, the date, time, and location of the incident, all diagrams, statements of the parties involved in the incident, the statements of all witnesses, other than confidential informants, to the victims of an incident, or an authorized representative thereof, an insurance carrier against which a claim has been or might be made, and any person suffering bodily injury or property damage or loss, as the result of the incident caused by arson, burglary, fire, explosion, larceny, robbery, carjacking, vandalism, vehicle theft, or a crime as defined by subdivision (b) of Section 13951, unless the disclosure would endanger the safety of a witness or other person involved in the investigation, or unless disclosure would endanger the successful completion of the investigation or a related investigation. However, this subdivision does not require the disclosure of that portion of those investigative files that reflects the analysis or conclusions of the investigating officer.

Customer lists provided to a state or local police agency by an alarm or security company at the request of the agency shall be construed to be records subject to this subdivision.

Notwithstanding any other provision of this subdivision, state and local law enforcement agencies shall make public the following information, except to the extent that disclosure of a particular item of information would endanger the safety of a person involved in an investigation or would endanger the successful completion of the investigation or a related investigation:

(1) The full name and occupation of every individual arrested by the agency, the individual's physical description including date of birth, color of eyes and hair, sex, height and weight, the time and date of arrest, the time and date of booking, the location of the arrest, the factual circumstances surrounding the arrest, the amount of bail set, the time and manner of release or the location where the individual is currently being held, and all charges the individual is being held upon, including any outstanding warrants from other jurisdictions and parole or probation holds.

(2) (A) Subject to the restrictions imposed by Section 841.5 of the Penal Code, the time, substance, and location of all complaints or requests for assistance received by the agency and the time and nature of the response thereto, including, to the extent the information regarding crimes alleged or committed or any other incident investigated is recorded, the time, date, and location of occurrence, the time and date of the report, the name and age of the victim, the factual circumstances surrounding the crime or incident, and a general description of any injuries, property, or weapons involved. The name of a victim of any crime defined by Section 220, 261, 261.5, 262, 264, 264.1, 265, 266, 266a, 266b, 266c, 266e, 266f, 266j, 267, 269, 273a, 273d, 273.5, 285, 286, 288, 288a, 288.2, 288.3, 288.4, 288.5, 288.7, 289, 422.6, 422.7, 422.75, 646.9, or 647.6 of the Penal Code may be withheld at the victim's request, or at the request of the victim's parent or guardian if the victim is a minor. When a

person is the victim of more than one crime, information disclosing that the person is a victim of a crime defined in any of the sections of the Penal Code set forth in this subdivision may be deleted at the request of the victim, or the victim's parent or guardian if the victim is a minor, in making the report of the crime, or of any crime or incident accompanying the crime, available to the public in compliance with the requirements of this paragraph.

(B) Subject to the restrictions imposed by Section 841.5 of the Penal Code, the names and images of a victim of human trafficking, as defined in Section 236.1 of the Penal Code, and of that victim's immediate family, other than a family member who is charged with a criminal offense arising from the same incident, may be withheld at the victim's request until the investigation or any subsequent prosecution is complete. For purposes of this subdivision, "immediate family" shall have the same meaning as that provided in paragraph (3) of subdivision (b) of Section 422.4 of the Penal Code.

(3) Subject to the restrictions of Section 841.5 of the Penal Code and this subdivision, the current address of every individual arrested by the agency and the current address of the victim of a crime, if the requester declares under penalty of perjury that the request is made for a scholarly, journalistic, political, or governmental purpose, or that the request is made for investigation purposes by a licensed private investigator as described in Chapter 11.3 (commencing with Section 7512) of Division 3 of the Business and Professions Code. However, the address of the victim of any crime defined by Section 220, 236.1, 261, 261.5, 262, 264, 264.1, 265, 266, 266a, 266b, 266c, 266e, 266f, 266j, 267, 269, 273a, 273d, 273.5, 285, 286, 288, 288a, 288.2, 288.3, 288.4, 288.5, 288.7, 289, 422.6, 422.7, 422.75, 646.9, or 647.6 of the Penal Code shall remain confidential. Address information obtained pursuant to this paragraph shall not be used directly or indirectly, or furnished to another, to sell a product or service to any individual or group of individuals, and the requester shall execute a declaration to that effect under penalty of perjury. This paragraph shall not be construed to prohibit or limit a scholarly, journalistic, political, or government use of address information obtained pursuant to this paragraph.

(4) Notwithstanding any other provision of this subdivision, commencing July 1, 2019, a video or audio recording that relates to a critical incident, as defined in subparagraph (C), may be withheld only as follows:

(A) (i) During an active criminal or administrative investigation, disclosure of a recording related to a critical incident may be delayed for no longer than 45 calendar days after the date the agency knew or reasonably should have known about the incident, if, based on the facts and circumstances depicted in the recording, disclosure would substantially interfere with the investigation, such as by endangering the safety of a witness or a confidential source. If an agency delays disclosure pursuant to this paragraph, the agency shall provide in writing to the requester the specific basis for the agency's determination that disclosure would substantially interfere with the investigation and the estimated date for disclosure.

(ii) After 45 days from the date the agency knew or reasonably should have known about the incident, and up to one year from that date, the agency may continue to delay disclosure of a recording if the agency demonstrates that disclosure would substantially interfere with the investigation. After one year from the date the agency knew or reasonably should have known about the incident, the agency may continue to delay disclosure of a recording only if the agency demonstrates by clear and convincing evidence that disclosure would substantially interfere with the investigation. If an agency delays disclosure pursuant to this clause, the agency shall promptly provide in writing to the requester the specific basis for the agency's determination that the interest in preventing interference with an active investigation outweighs the public interest in disclosure and provide the estimated date for the disclosure. The agency shall reassess withholding and notify the requester every 30 days. A recording withheld by the agency shall be disclosed promptly when the specific basis for withholding is resolved.

(B) (i) If the agency demonstrates, on the facts of the particular case, that the public interest in withholding a video or audio recording clearly outweighs the public interest in disclosure because the release of the recording would, based on the facts and circumstances depicted in the recording, violate the reasonable expectation of privacy of a subject depicted in the recording, the agency shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served by withholding the recording and may use redaction technology, including blurring or distorting images or audio, to obscure those specific portions of the recording that protect that interest. However, the redaction shall not interfere with the viewer's ability to fully, completely, and accurately comprehend the events captured in the recording and the recording shall not otherwise be edited or altered.

(ii) Except as provided in clause (iii), if the agency demonstrates that the reasonable expectation of privacy of a subject depicted in the recording cannot adequately be protected through redaction as described in clause (i) and that interest outweighs the public interest in disclosure, the agency may withhold the recording from the public, except that the recording, either redacted as provided in clause (i) or unredacted, shall be disclosed promptly, upon request, to any of the following:

(I) The subject of the recording whose privacy is to be protected, or his or her authorized representative.

(II) If the subject is a minor, the parent or legal guardian of the subject whose privacy is to be protected.

(III) If the subject whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased subject whose privacy is to be protected.

(iii) If disclosure pursuant to clause (ii) would substantially interfere with an active criminal or administrative investigation, the agency shall provide in writing to the requester the specific basis for the agency's determination that disclosure would substantially interfere with the investigation, and provide the video or audio recording. Thereafter, the recording may be withheld by the agency for 45 calendar days, subject to extensions as set forth in clause (ii) of subparagraph (A).

(C) For purposes of this paragraph, a video or audio recording relates to a critical incident if it depicts any of the following incidents:

(i) An incident involving the discharge of a firearm at a person by a peace officer or custodial officer.

(ii) An incident in which the use of force by a peace officer or custodial officer against a person resulted in death or in great bodily injury.

(D) An agency may provide greater public access to video or audio recordings than the minimum standards set forth in this paragraph.

(E) This paragraph does not alter, limit, or negate any other rights, remedies, or obligations with respect to public records regarding an incident other than a critical incident as described in subparagraph (C).

(F) For purposes of this paragraph, a peace officer does not include any peace officer employed by the Department of Corrections and Rehabilitation.

(g) Test questions, scoring keys, and other examination data used to administer a licensing examination, examination for employment, or academic examination, except as provided for in Chapter 3 (commencing with Section 99150) of Part 65 of Division 14 of Title 3 of the Education Code.

(h) The contents of real estate appraisals or engineering or feasibility estimates and evaluations made for or by the state or local agency relative to the acquisition of property, or to prospective public supply and construction contracts, until all of the property has been acquired or all of the contract agreement obtained. However, the law of eminent domain shall not be affected by this provision.

(i) Information required from any taxpayer in connection with the collection of local taxes that is received in confidence and the disclosure of the information to other persons would result in unfair competitive disadvantage to the person supplying the information.

(j) Library circulation records kept for the purpose of identifying the borrower of items available in libraries, and library and museum materials made or acquired and presented solely for reference or exhibition purposes. The exemption in this subdivision shall not apply to records of fines imposed on the borrowers.

(k) Records, the disclosure of which is exempted or prohibited pursuant to federal or state law, including, but not limited to, provisions of the Evidence Code relating to privilege.

(l) Correspondence of and to the Governor or employees of the Governor's office or in the custody of or maintained by the Governor's Legal Affairs Secretary. However, public records shall not be transferred to the custody of the Governor's Legal Affairs Secretary to evade the disclosure provisions of this chapter.

(m) In the custody of or maintained by the Legislative Counsel, except those records in the public database maintained by the Legislative Counsel that are described in Section 10248.

(n) Statements of personal worth or personal financial data required by a licensing agency and filed by an applicant with the licensing agency to establish his or her personal qualification for the license, certificate, or permit applied for.

(o) Financial data contained in applications for financing under Division 27 (commencing with Section 44500) of the Health and Safety Code, if an authorized officer of the California Pollution Control Financing Authority determines that disclosure of the financial data would be competitively injurious to the applicant and the data is required in order to obtain guarantees from the United States Small Business Administration. The California Pollution Control Financing Authority shall adopt rules for review of individual requests for confidentiality under this section and for making available to the public those portions of an application that are subject to disclosure under this chapter.

(p) (1) Records of state agencies related to activities governed by Chapter 10.3 (commencing with Section 3512), Chapter 10.5 (commencing with Section 3525), and Chapter 12 (commencing with Section 3560) of Division 4, that reveal a state agency's deliberative processes, impressions, evaluations, opinions, recommendations, meeting minutes, research, work products,

theories, or strategy, or that provide instruction, advice, or training to employees who do not have full collective bargaining and representation rights under these chapters.
