LEGISLATIVE COUNSEL'S DIGEST

AB 1711, Committee on Veterans Affairs. State military reserve personnel: leave benefits.

Existing law provides for leave for military service, rights and benefits accrued during that service, and reinstatement after that service for executive branch employees who are members of the Armed Forces, the National Guard, or the Naval Militia, as specified.

This bill would provide that a member of the State Military Reserve be granted military leave and other specified benefits on the same basis as a member of the National Guard or other military reserve member.
