CHAPTER 186

An act to amend Section 11862 of the Government Code, relating to state government.

[Approved by Governor August 24, 2018. Filed with Secretary of State August 24, 2018.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2198, Obernolte. State government: FI\$Cal: transparency.

The Financial Information System for California (FI\$Cal) Act establishes the FI\$Cal system, a single integrated financial management system for the state. Existing law requires that the system include a state transparency component that allows the public to have access to expenditure data using an Internet Web site. Existing law limits that public access to information regarding General Fund and federal fund expenditure data.

This bill would expand the expenditure data to which the public is required to have access using an Internet Web site to include special fund expenditure data.
