WHEREAS, California recognizes the enduring and valuable contribution of relatives and foster and adoptive parents who open their hearts, families, and homes to vulnerable children and youth; and

WHEREAS, California recognizes the numerous individuals and public and private organizations that work to ensure that the needs of children and youth living in, and leaving, foster care are met, that help provide foster and former foster children and youth with vital connections to their siblings, and that help launch young people into successful adulthood; and

WHEREAS, California is engaged in continuum of care reform, which is a comprehensive approach to improving the experience and outcomes of children and youth in foster care by improving assessments of children and families to make more informed and appropriate initial placement decisions, emphasizing home-based family care placements of children, appropriately supporting these placements with needed services, creating short-term residential therapeutic programs for youth whose needs cannot be met safely in families, and increasing transparency and accountability for child outcomes; and

WHEREAS, California is committed to working in partnership with the federal government and local governments to improve the lives and futures of all children and youth touched by the child welfare system; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature declares the month of May 2018 as Foster Care Month; and be it further
