CALIFORNIA LEGISLATURE— 2017–2018 REGULAR SESSION

SENATE BILL

NO. 390

Introduced by Senator Mendoza

February 14, 2017

An act to amend Sections 52060 and 52066 of the Education Code, relating to library standards.

LEGISLATIVE COUNSEL'S DIGEST

SB 390, Mendoza. Local control and accountability plans: annual goals: state priorities: model school library standards.

Existing law requires the governing board of each school district and each county board of education to adopt a local control and accountability plan using a template adopted by the State Board of Education. Existing law requires the local control and accountability plan to include a description of the annual goals to be achieved for each of certain state priorities, which include implementation of the academic content and performance standards adopted by the state board, as specified, and the specific actions that will be taken to achieve the annual goals.

This bill would add to the enumerated state priorities specified consideration of the Model School Library Standards for California Public Schools. By imposing additional duties upon school districts and county boards of education, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:
