[Approved by Governor May 17, 2018. Filed with Secretary of State May 17, 2018.]

LEGISLATIVE COUNSEL'S DIGEST

SB 941, Lara. California Victim Compensation Board: claims.

Existing law requires the California Victim Compensation Board, in cases in which evidence shows that a crime with which a claimant was charged was either not committed at all, or not committed by the claimant, to report the facts of the case and its conclusions to the Legislature with a recommendation that the Legislature make an appropriation for the purpose of indemnifying the claimant for the injury.

This bill would appropriate \$1,958,740 from the General Fund to the Executive Officer of the California Victim Compensation Board for the payment of the claim of a specific individual accepted by the board, as specified.

This bill would declare that it is to take effect immediately as an urgency statute.
