**Assembly Bill No. 415**

**CHAPTER 572**

An act to amend Section 13957 of the Government Code, relating to victim compensation, and making an appropriation therefor.

[ Approved by Governor October 08, 2019. Filed with Secretary of State October 08, 2019. ]

**LEGISLATIVE COUNSEL'S DIGEST**

AB 415, Maienschein. Victim compensation: relocation: pets.

Existing law generally provides for the compensation of victims and derivative victims of specified types of crimes by the California Victim Compensation and Government Claims Board from the Restitution Fund, a continuously appropriated fund, for specified losses suffered as a result of those crimes. Existing law requires a victim or derivative victim seeking compensation to have sustained one or more specified physical or emotional injuries, or pecuniary losses, as a direct result of the crime. Existing law authorizes the board to grant compensation for pecuniary loss, if it determines it will best aid the person seeking compensation, by authorizing a cash payment or reimbursement to a victim for expenses incurred in relocating, including a security deposit, if the expenses are determined by law enforcement to be necessary for the personal safety of the victim or by a mental health treatment provider to be necessary for the emotional well-being of the victim. Existing law specifies that if a security deposit is required for relocation, the board shall be named as the recipient, and receive the funds, upon expiration of the victim's rental agreement.

This bill would specify, for purposes of these provisions, that "expenses incurred in relocating" may include the costs of temporary housing for any pets belonging to the victim upon immediate relocation. The bill would also authorize the cash payment or grant to reimburse a victim for a security deposit, pet deposit, or both, for which the board would be named as the recipient, and would receive the funds, upon expiration of the victim's rental agreement.

By expanding the authorizations for use of moneys in the Restitution Fund, a continuously appropriated fund, this bill would make an appropriation.

This bill would incorporate additional changes to Section 13957 of the Government Code proposed by AB 629 to be operative only if this bill and AB 629 are enacted and this bill is enacted last.

**THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:**

**SECTION 1.** Section 13957 of the Government Code is amended to read:

**13957.** (a) The board may grant for pecuniary loss, when the board determines it will best aid the person seeking compensation, as follows:

(1) Subject to the limitations set forth in Section 13957.2, reimburse the amount of medical or medical-related expenses incurred by the victim for services that were provided by a licensed medical provider, including, but not limited to, eyeglasses, hearing aids, dentures, or any prosthetic device taken, lost, or destroyed during the commission of the crime, or the use of which became necessary as a direct result of the crime.

(2) Subject to the limitations set forth in Section 13957.2, reimburse the amount of outpatient psychiatric, psychological, or other mental health counseling-related expenses incurred by the victim or derivative victim, including peer counseling services provided by a rape crisis center as defined by Section 13837 of the Penal Code, and including family psychiatric, psychological, or mental health counseling for the successful treatment of the victim provided to family members of the victim in the presence of the victim, whether or not the family member relationship existed at the time of the crime, that became necessary as a direct result of the crime, subject to the following conditions:

(A) The following persons may be reimbursed for the expense of their outpatient mental health counseling in an amount not to exceed ten thousand dollars (\$10,000):

(i) A victim.

(ii) A derivative victim who is the surviving parent, grandparent, sibling, child, grandchild, spouse, fiancé, or fiancée of a victim of a crime that directly resulted in the death of the victim.

(iii) A derivative victim, as described in paragraphs (1) to (4), inclusive, of subdivision (c) of Section 13955, who is the primary caretaker of a minor victim whose claim is not denied or reduced pursuant to Section 13956 in a total amount not to exceed ten thousand dollars (\$10,000) for not more than two derivative victims.

(B) The following persons may be reimbursed for the expense of their outpatient mental health counseling in an amount not to exceed five thousand dollars (\$5,000):

(i) A derivative victim not eligible for reimbursement pursuant to subparagraph (A), provided that mental health counseling of a derivative victim described in paragraph (5) of subdivision (c) of Section 13955, shall be reimbursed only if that counseling is necessary for the treatment of the victim.

(ii) A minor who suffers emotional injury as a direct result of witnessing a violent crime and who is not eligible for reimbursement of the costs of outpatient mental health counseling under any other provision of this chapter. To be eligible for reimbursement under this clause, the minor must have been in close proximity to the victim when the minor witnessed the crime.

(C) The board may reimburse a victim or derivative victim for outpatient mental health counseling in excess of that authorized by subparagraph (A) or (B) or for inpatient psychiatric, psychological, or other mental health counseling if the claim is based on dire or exceptional circumstances that require more extensive treatment, as approved by the board.

(D) Expenses for psychiatric, psychological, or other mental health counseling-related services may be reimbursed only if the services were provided by either of the following individuals:

(i) A person who would have been authorized to provide those services pursuant to former Article 1 (commencing with Section 13959) as it read on January 1, 2002.

(ii) A person who is licensed in California to provide those services, or who is properly supervised by a person who is licensed in California to provide those services, subject to the board's approval and subject to the limitations and restrictions the board may impose.

(3) Subject to the limitations set forth in Section 13957.5, authorize compensation equal to the loss of income or loss of support, or both, that a victim or derivative victim incurs as a direct result of the victim's or derivative victim's injury or the victim's death. If the victim or derivative victim requests that the board give priority to reimbursement of loss of income or support, the board may not pay medical expenses, or mental health counseling expenses, except upon the request of the victim or derivative victim or after determining that payment of these expenses will not decrease the funds available for payment of loss of income or support.

(4) Authorize a cash payment to or on behalf of the victim for job retraining or similar employment-oriented services.

(5) Reimburse the expense of installing or increasing residential security, not to exceed one thousand dollars (\$1,000). Installing or increasing residential security may include, but need not be limited to, both of the following:

(A) Home security device or system.

(B) Replacing or increasing the number of locks.

(6) Reimburse the expense of renovating or retrofitting a victim's residence, or the expense of modifying or purchasing a vehicle, to make the residence or the vehicle accessible or operational by a victim upon verification that the expense is medically necessary for a victim who is permanently disabled as a direct result of the crime, whether the disability is partial or total.

(7) (A) Authorize a cash payment or reimbursement not to exceed two thousand dollars (\$2,000) to a victim for expenses incurred in relocating, if the expenses are determined by law enforcement to be necessary for the personal safety of the victim or by a mental health treatment provider to be necessary for the emotional well-being of the victim. For purposes of this paragraph, "expenses incurred in relocating" may include the costs of temporary housing for any pets belonging to the victim upon immediate relocation.

(B) The cash payment or reimbursement made under this paragraph shall only be awarded to one claimant per crime giving rise to the relocation. The board may authorize more than one relocation per crime if necessary for the personal safety or emotional well-being of the claimant. However, the total cash payment or reimbursement for all relocations due to the same crime shall not exceed two thousand dollars (\$2,000). For purposes of this paragraph, a claimant is the crime victim, or, if the victim is deceased, a person who resided with the deceased at the time of the crime.

(C) The board may, under compelling circumstances, award a second cash payment or reimbursement to a victim for another crime if both of the following conditions are met:

(i) The crime occurs more than three years from the date of the crime giving rise to the initial relocation cash payment or reimbursement.

(ii) The crime does not involve the same offender.

(D) When a relocation payment or reimbursement is provided to a victim of sexual assault or domestic violence and the identity of the offender is known to the victim, the victim shall agree not to inform the offender of the location of the victim's new residence and not to allow the offender on the premises at any time, or shall agree to seek a restraining order against the offender. A victim may be required to repay the relocation payment or reimbursement to the board if the victim violates the terms set forth in this paragraph.

(E) Notwithstanding subparagraphs (A) and (B), the board may increase the cash payment or reimbursement for expenses incurred in relocating to an amount greater than two thousand dollars (\$2,000), if the board finds this amount is appropriate due to the unusual, dire, or exceptional circumstances of a particular claim.

(F) If a security deposit, pet deposit, or both is required for relocation, the board shall be named as the recipient and receive the funds upon expiration of the victim's rental agreement.

(8) When a victim dies as a result of a crime, the board may reimburse any individual who voluntarily, and without anticipation of personal gain, pays or assumes the obligation to pay any of the following expenses:

(A) The medical expenses incurred as a direct result of the crime in an amount not to exceed the rates or limitations established by the board.

(B) The funeral and burial expenses incurred as a direct result of the crime, not to exceed seven thousand five hundred dollars (\$7,500). The board shall not create or comply with a regulation or policy that mandates a lower maximum potential amount of an award pursuant to this subparagraph for less than seven thousand five hundred dollars (\$7,500).

(9) When the crime occurs in a residence or inside a vehicle, the board may reimburse any individual who voluntarily, and without anticipation of personal gain, pays or assumes the obligation to pay the reasonable costs to clean the scene of the crime in an amount not to exceed one thousand dollars (\$1,000). Services reimbursed pursuant to this subdivision shall be performed by persons registered with the State Department of Public Health as trauma scene waste practitioners in accordance with Chapter 9.5 (commencing with Section 118321) of Part 14 of Division 104 of the Health and Safety Code.

(10) When the crime is a violation of Section 600.2 or 600.5 of the Penal Code, the board may reimburse the expense of veterinary services, replacement costs, or other reasonable expenses, as ordered by the court pursuant to Section 600.2 or 600.5 of the Penal Code, in an amount not to exceed ten thousand dollars (\$10,000).

(11) An award of compensation pursuant to paragraph (5) of subdivision (f) of Section 13955 shall be limited to compensation to provide mental health counseling and shall not limit the eligibility of a victim for an award that the victim may be otherwise

entitled to receive under this part. A derivative victim shall not be eligible for compensation under this provision.

(b) The total award to or on behalf of each victim or derivative victim may not exceed thirty-five thousand dollars (\$35,000), except that this award may be increased to an amount not exceeding seventy thousand dollars (\$70,000) if federal funds for that increase are available.

**SEC. 1.5.** Section 13957 of the Government Code is amended to read:

**13957.** (a) The board may grant for pecuniary loss, when the board determines it will best aid the person seeking compensation, as follows:

(1) Subject to the limitations set forth in Section 13957.2, reimburse the amount of medical or medical-related expenses incurred by the victim for services that were provided by a licensed medical provider, including, but not limited to, eyeglasses, hearing aids, dentures, or any prosthetic device taken, lost, or destroyed during the commission of the crime, or the use of which became necessary as a direct result of the crime.

(2) Subject to the limitations set forth in Section 13957.2, reimburse the amount of outpatient psychiatric, psychological, or other mental health counseling-related expenses incurred by the victim or derivative victim, including peer counseling services provided by a rape crisis center as defined by Section 13837 of the Penal Code, and including family psychiatric, psychological, or mental health counseling for the successful treatment of the victim provided to family members of the victim in the presence of the victim, whether or not the family member relationship existed at the time of the crime, that became necessary as a direct result of the crime, subject to the following conditions:

(A) The following persons may be reimbursed for the expense of their outpatient mental health counseling in an amount not to exceed ten thousand dollars (\$10,000):

(i) A victim.

(ii) A derivative victim who is the surviving parent, grandparent, sibling, child, grandchild, spouse, fiancé, or fiancée of a victim of a crime that directly resulted in the death of the victim.

(iii) A derivative victim, as described in paragraphs (1) to (4), inclusive, of subdivision (c) of Section 13955, who is the primary caretaker of a minor victim whose claim is not denied or reduced pursuant to Section 13956 in a total amount not to exceed ten thousand dollars (\$10,000) for not more than two derivative victims.

(B) The following persons may be reimbursed for the expense of their outpatient mental health counseling in an amount not to exceed five thousand dollars (\$5,000):

(i) A derivative victim not eligible for reimbursement pursuant to subparagraph (A), provided that mental health counseling of a derivative victim described in paragraph (5) of subdivision (c) of Section 13955, shall be reimbursed only if that counseling is necessary for the treatment of the victim.

(ii) A minor who suffers emotional injury as a direct result of witnessing a violent crime and who is not eligible for reimbursement of the costs of outpatient mental health counseling under any other provision of this chapter. To be eligible for reimbursement under this clause, the minor must have been in close proximity to the victim when the minor witnessed the crime.

(C) The board may reimburse a victim or derivative victim for outpatient mental health counseling in excess of that authorized by subparagraph (A) or (B) or for inpatient psychiatric, psychological, or other mental health counseling if the claim is based on dire or exceptional circumstances that require more extensive treatment, as approved by the board.

(D) Expenses for psychiatric, psychological, or other mental health counseling-related services may be reimbursed only if the services were provided by either of the following individuals:

(i) A person who would have been authorized to provide those services pursuant to former Article 1 (commencing with Section 13959) as it read on January 1, 2002.

(ii) A person who is licensed in California to provide those services, or who is properly supervised by a person who is licensed in California to provide those services, subject to the board's approval and subject to the limitations and restrictions the board may impose.

(3) Subject to the limitations set forth in Section 13957.5, authorize compensation equal to the loss of income or loss of support, or both, that a victim or derivative victim incurs as a direct result of the victim's or derivative victim's injury or the victim's death. If the qualifying crime is a violation of Section 236.1 of the Penal Code, the board may authorize compensation equal to loss of income or support that a victim incurs as a direct result of the victim's deprivation of liberty during the crime, not

to exceed the amount set forth in Section 13957.5. If the victim or derivative victim requests that the board give priority to reimbursement of loss of income or support, the board may not pay medical expenses, or mental health counseling expenses, except upon the request of the victim or derivative victim or after determining that payment of these expenses will not decrease the funds available for payment of loss of income or support.

(4) Authorize a cash payment to or on behalf of the victim for job retraining or similar employment-oriented services.

(5) Reimburse the expense of installing or increasing residential security, not to exceed one thousand dollars (\$1,000). Installing or increasing residential security may include, but need not be limited to, both of the following:

(A) Home security device or system.

(B) Replacing or increasing the number of locks.

(6) Reimburse the expense of renovating or retrofitting a victim's residence, or the expense of modifying or purchasing a vehicle, to make the residence or the vehicle accessible or operational by a victim upon verification that the expense is medically necessary for a victim who is permanently disabled as a direct result of the crime, whether the disability is partial or total.

(7) (A) Authorize a cash payment or reimbursement not to exceed two thousand dollars (\$2,000) to a victim for expenses incurred in relocating, if the expenses are determined by law enforcement to be necessary for the personal safety of the victim or by a mental health treatment provider to be necessary for the emotional well-being of the victim. For purposes of this paragraph, "expenses incurred in relocating" may include the costs of temporary housing for any pets belonging to the victim upon immediate relocation.

(B) The cash payment or reimbursement made under this paragraph shall only be awarded to one claimant per crime giving rise to the relocation. The board may authorize more than one relocation per crime if necessary for the personal safety or emotional well-being of the claimant. However, the total cash payment or reimbursement for all relocations due to the same crime shall not exceed two thousand dollars (\$2,000). For purposes of this paragraph, a claimant is the crime victim, or, if the victim is deceased, a person who resided with the deceased at the time of the crime.

(C) The board may, under compelling circumstances, award a second cash payment or reimbursement to a victim for another crime if both of the following conditions are met:

(i) The crime occurs more than three years from the date of the crime giving rise to the initial relocation cash payment or reimbursement.

(ii) The crime does not involve the same offender.

(D) When a relocation payment or reimbursement is provided to a victim of sexual assault or domestic violence and the identity of the offender is known to the victim, the victim shall agree not to inform the offender of the location of the victim's new residence and not to allow the offender on the premises at any time, or shall agree to seek a restraining order against the offender. A victim may be required to repay the relocation payment or reimbursement to the board if the victim violates the terms set forth in this paragraph.

(E) Notwithstanding subparagraphs (A) and (B), the board may increase the cash payment or reimbursement for expenses incurred in relocating to an amount greater than two thousand dollars (\$2,000), if the board finds this amount is appropriate due to the unusual, dire, or exceptional circumstances of a particular claim.

(F) If a security deposit, pet deposit, or both is required for relocation, the board shall be named as the recipient and receive the funds upon expiration of the victim's rental agreement.

(8) When a victim dies as a result of a crime, the board may reimburse any individual who voluntarily, and without anticipation of personal gain, pays or assumes the obligation to pay any of the following expenses:

(A) The medical expenses incurred as a direct result of the crime in an amount not to exceed the rates or limitations established by the board.

(B) The funeral and burial expenses incurred as a direct result of the crime, not to exceed seven thousand five hundred dollars (\$7,500). The board shall not create or comply with a regulation or policy that mandates a lower maximum potential amount of an award pursuant to this subparagraph for less than seven thousand five hundred dollars (\$7,500).

(9) When the crime occurs in a residence or inside a vehicle, the board may reimburse any individual who voluntarily, and without anticipation of personal gain, pays or assumes the obligation to pay the reasonable costs to clean the scene of the crime in an amount not to exceed one thousand dollars (\$1,000). Services reimbursed pursuant to this subdivision shall be

performed by persons registered with the State Department of Public Health as trauma scene waste practitioners in accordance with Chapter 9.5 (commencing with Section 118321) of Part 14 of Division 104 of the Health and Safety Code.

(10) When the crime is a violation of Section 600.2 or 600.5 of the Penal Code, the board may reimburse the expense of veterinary services, replacement costs, or other reasonable expenses, as ordered by the court pursuant to Section 600.2 or 600.5 of the Penal Code, in an amount not to exceed ten thousand dollars (\$10,000).

(11) An award of compensation pursuant to paragraph (5) of subdivision (f) of Section 13955 shall be limited to compensation to provide mental health counseling and shall not limit the eligibility of a victim for an award that the victim may be otherwise entitled to receive under this part. A derivative victim shall not be eligible for compensation under this provision.

(b) The total award to or on behalf of each victim or derivative victim may not exceed thirty-five thousand dollars (\$35,000), except that this award may be increased to an amount not exceeding seventy thousand dollars (\$70,000) if federal funds for that increase are available.

**SEC. 2.** Section 1.5 of this bill incorporates amendments to Section 13957 of the Government Code proposed by both this bill and Assembly Bill 629. That section of this bill shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2020, (2) each bill amends Section 13957 of the Government Code, and (3) this bill is enacted after Assembly Bill 629, in which case Section 1 of this bill shall not become operative.
