Assembly Bill No. 1062

CHAPTER 70

An act to add Section 51230 to the Education Code, relating to pupil instruction.

[Approved by Governor July 10, 2019. Filed with Secretary of State July 10, 2019.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1062, Limón. Pupil instruction: community emergency response training.

Existing law requires each pupil completing grade 12 to satisfy certain requirements as a condition of receiving a diploma of graduation from high school. These requirements include the completion of designated coursework in grades 9 to 12, inclusive. Existing law authorizes a governing board of a school district to adopt other coursework requirements.

This bill would authorize, if the governing board of a school district requires the completion of community service hours as a requirement for graduation from high school, a school district to provide a pupil with credit towards the required community service hours commensurate with the hours required for completion of a course in community emergency response training.

Vote: majority Appropriation: no Fiscal Committee: no Local Program: no

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. Section 51230 is added to the Education Code, immediately following Section 51229, to read:

51230. (a) If the governing board of a school district requires the completion of community service hours as a requirement for graduation from high school, the school district may provide a pupil with credit towards the community service hours required for graduation commensurate with the hours required for completion of a course in community emergency response training.

(b) Subdivision (a) does not exempt the governing board of a school district from complying with the requirements of subdivision (b) of Section 51225.3.
