Assembly Bill No. 1294

CHAPTER 268

An act to amend Section 186.2 of the Penal Code, relating to criminal profiteering.

[Approved by Governor September 06, 2019. Filed with Secretary of State September 06, 2019.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1294, Salas. Criminal profiteering.

Existing law, the California Control of Profits of Organized Crime Act, provides the procedure for the forfeiture of property and proceeds acquired through a pattern of criminal profiteering activity, as specified. Under existing law, criminal profiteering activity is defined as certain acts or threats made for financial gain or advantage that may be charged as specified crimes, including, among others, gambling.

This bill would include specified crimes within the definition of gambling for the purposes of these provisions. By increasing the burdens on local prosecuting agencies, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.
