LEGISLATIVE COUNSEL'S DIGEST

AB 1984, Maienschein. Courts.

(1) The California Constitution provides for the abolition of municipal courts and their unification within the superior courts, as specified.

This bill would conform various statutory provisions of law to the abolition of municipal courts and their unification within the superior courts, including, among others, repealing provisions relating to the responsibilities of a county board of supervisors for court facilities and operation. The bill would also make related statutory changes with respect to the operations of the superior courts, including, among others, responsibilities for court security for the superior courts, the duties of the Judicial Council to establish a task force on county law libraries, and provisions related to specific county courts.

(2) Existing law authorizes the Board of Supervisors of San Bernardino County to impose a surcharge on specified filings in superior court to fund certain San Bernardino courthouse expenditures.

This bill will repeal this authorization on January 1, 2026.

(3) Existing law establishes the Task Force on Court Facilities and requires the Judicial Council, the Department of General Services, the Department of Finance, and the Legislative Analyst to provide specific support for the task force. Existing law required the task force, among other things, to submit a final report to the Judicial Council, the Legislature, and the Governor on or before July 1, 2001, relating to trial and appellate court facilities and the effects of trial court consolidation. Existing law prohibits the findings of the task force from being considered evidence in any action to compel a county to provide facilities that the trial court contends are necessary and suitable.

This bill repeals the establishment of the Task Force on Court Facilities but maintains the prohibition relating to the findings of the task force.

76000. (a) (1) Except as otherwise provided elsewhere in this section, in each county there shall be levied an additional penalty in the amount of seven dollars (\$7) for every ten dollars (\$10), or part of ten dollars (\$10), upon every fine, penalty, or forfeiture imposed and collected by the courts for all criminal offenses, including all offenses involving a violation of the Vehicle Code or any local ordinance adopted pursuant to the Vehicle Code.

(2) This additional penalty shall be collected together with and in the same manner as the amounts established by Section 1464 of the Penal Code. These moneys shall be taken from fines and forfeitures deposited with the county treasurer prior to any division pursuant to Section 1463 of the Penal Code. The county treasurer shall deposit those amounts specified by the board of supervisors by resolution in one or more of the funds established pursuant to this chapter. However, deposits to these funds shall continue through whatever period of time is necessary to repay any borrowings made by the county on or before January 1, 1991, to pay for construction provided for in this chapter.

(3) This additional penalty does not apply to the following:

(A) Any restitution fine.

(B) Any penalty authorized by Section 1464 of the Penal Code or this chapter.

(C) Any parking offense subject to Article 3 (commencing with Section 40200) of Chapter 1 of Division 17 of the Vehicle Code.

(D) The state surcharge authorized by Section 1465.7 of the Penal Code.

(b) In each authorized county, provided that the board of supervisors has adopted a resolution stating that the implementation of this subdivision is necessary to the county for the purposes authorized, with respect to each authorized fund established pursuant to Section 76100 or 76101, for every parking offense where a parking penalty, fine, or forfeiture is imposed, an added penalty of two dollars and fifty cents (\$2.50) shall be included in the total penalty, fine, or forfeiture. Except as provided in subdivision (c), for each parking case collected in the courts of the county, the county treasurer shall place in each authorized fund two dollars and fifty cents (\$2.50). These moneys shall be taken from fines and forfeitures deposited with the county treasurer prior to any division pursuant to Section 1462.3 or 1463.009 of the Penal Code. The judges of the county shall increase the bail schedule amounts as appropriate to reflect the added penalty provided for by this section. In those cities, districts, or other issuing agencies which elect to accept parking penalties, and otherwise process parking violations pursuant to Article 3 (commencing with Section 40200) of Chapter 1 of Division 17 of the Vehicle Code, that city, district, or issuing agency shall observe the increased bail amounts as established by the court reflecting the added penalty provided for by this section. Each agency which elects to process parking violations shall pay to the county treasurer two dollars and fifty cents (\$2.50) for each fund for each parking penalty collected on each violation which is not filed in court. Those payments to the county treasurer shall be made monthly, and the county treasurer shall deposit all those sums in the authorized fund. No issuing agency shall be required to contribute revenues to any fund in excess of those revenues generated from the surcharges established in the resolution adopted pursuant to this chapter, except as otherwise agreed upon by the local governmental entities involved.

(c) The county treasurer shall deposit one dollar (\$1) of every two dollars and fifty cents (\$2.50) collected pursuant to subdivision (b) into the general fund of the county.

(d) The authority to impose the two-dollar-and-fifty-cent (\$2.50) penalty authorized by subdivision (b) shall be reduced to one dollar (\$1) as of the date of transfer of responsibility for facilities from the county to the Judicial Council pursuant to Article 3 (commencing with Section 70321) of Chapter 5.7, except as money is needed to pay for construction provided for in Section 76100 and undertaken prior to the transfer of responsibility for facilities from the county to the Judicial Council.

(e) The seven-dollar (\$7) additional penalty authorized by subdivision (a) shall be reduced in each county by the additional penalty amount assessed by the county for the local courthouse construction fund established by Section 76100 as of January 1, 1998, when the money in that fund is transferred to the state under Section 70402. The amount each county shall charge as an additional penalty under this section shall be as follows:

(B) The amount remitted by the County of Santa Clara shall be ten million nine hundred sixty-one thousand two hundred ninety-three dollars (\$10,961,293) reduced as described in clauses (i) and (ii).

(i) The amount remitted by the County of Santa Clara pursuant to this paragraph for each fiscal year shall be reduced by an amount equal to one-half of the amount calculated by subtracting the budget reduction for the Superior Court of Santa Clara County for that fiscal year attributable to the reduction of the counties' payment obligation from thirty-one million dollars (\$31,000,000) pursuant to subdivision (a) of Section 68085.6 from the net civil assessments received in that county in that fiscal year. "Net civil assessments" as used in this paragraph means the amount of civil assessments collected minus the costs of collecting those civil assessments, under the guidelines of the Controller.

(ii) The reduction calculated pursuant to paragraph (i) shall not exceed two million five hundred thousand dollars (\$2,500,000) in any fiscal year. If the reduction for a fiscal year reaches two million five hundred thousand dollars (\$2,500,000), the amount that the county is required to remit to the state under this paragraph in that fiscal year and in each subsequent fiscal year shall be eight million four hundred sixty-one thousand two hundred ninety-three dollars (\$8,461,293).

(b) Except as otherwise specifically provided in this section, county remittances specified in subdivision (a) shall not be increased in subsequent years.

(c) Except for those counties with a population of 70,000, or less, on January 1, 1996, the amount a county is required to remit pursuant to paragraph (1) of subdivision (a) shall be adjusted by the amount equal to any adjustment resulting from the procedures in subdivisions (c) and (d) of Section 77201 as that section read on June 30, 1998, to the extent a county filed an appeal with the Controller with respect to the findings made by the Department of Finance. This subdivision shall not be construed to establish a new appeal process beyond what was provided by Section 77201, as that section read on June 30, 1998.

(d) Any change in statute or rule of court that either reduces the bail schedule or redirects or reduces a county's portion of fee, fine, and forfeiture revenue to an amount that is less than (1) the fees, fines, and forfeitures retained by that county, and (2) the county's portion of fines and forfeitures transmitted to the state in the 1994–95 fiscal year, shall reduce that county's remittance specified in paragraph (2) of subdivision (a) by an equal amount. Nothing in this subdivision is intended to limit judicial sentencing discretion.

(e) Nothing in this section is intended to relieve a county of the responsibility to provide necessary and suitable court facilities pursuant to Section 70311.

(f) Nothing in this section is intended to relieve a county of the responsibility for justice-related expenses not included in Section 77003 which are otherwise required of the county by law, including, but not limited to, indigent defense representation and investigation, and payment of juvenile justice charges.
