Senate Bill No. 61

CHAPTER 737

An act to amend Sections 27510, 27540, and 27590 of, and to amend, repeal, and add Sections 26835 and 27535 of, the Penal Code, relating to firearms.

[Approved by Governor October 11, 2019. Filed with Secretary of State October 11, 2019.]

LEGISLATIVE COUNSEL'S DIGEST

SB 61, Portantino. Firearms: transfers.

Existing law, subject to exceptions, prohibits a person from making more than one application to purchase a handgun within any 30-day period. A violation of that prohibition is a crime. Existing law prohibits a firearms dealer from delivering a handgun to a person whenever the dealer is notified by the Department of Justice that within the preceding 30-day period the purchaser has made another application to purchase a handgun that does not fall within an exception to the 30-day prohibition. A violation of that delivery prohibition by the dealer is a crime.

This bill would, effective July 1, 2021, make the 30-day prohibition and the dealer delivery prohibition described above also applicable to semiautomatic centerfire rifles.

Existing law prohibits a licensed firearm dealer from selling a firearm to a person under 21 years of age. Existing law provides an exemption to this prohibition for the sale of a firearm, other than a handgun, to a person 18 years of age or older who has a valid hunting license, is a law enforcement officer, as specified, or is an honorably discharged member of the Armed Forces. Existing law makes a violation of this prohibition a crime.

This bill would prohibit the sale of a semiautomatic centerfire rifle to any person under the age of 21, except a law enforcement officer or active duty member of the Armed Forces, as specified.

The bill would state that its provisions are severable.

By expanding the scope of existing crimes, this bill would impose a state-mandated local program.

This bill would incorporate additional changes to Section 26835 of the Penal Code proposed by AB 645 and SB 172 to be operative only if this bill and AB 645, SB 172, or both are enacted and this bill is enacted last.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.
