LEGISLATIVE COUNSEL'S DIGEST

SB 823, Committee on Budget and Fiscal Review. Juvenile justice realignment: Office of Youth and Community Restoration.

(1) Existing law establishes the Division of Juvenile Justice within the Department of Corrections and Rehabilitation to operate facilities to house specified juvenile offenders. Existing law, commencing July 1, 2020, establishes the Department of Youth and Community Restoration in the California Health and Human Services Agency and vests the Department of Youth and Community Restoration with all the powers, functions, duties, responsibilities, obligations, liabilities, and jurisdiction of the Division of Juvenile Justice. An existing executive order delays the deadline for transferring the Division of Juvenile Justice to the Department of Youth and Community Restoration from July 1, 2020, to July 1, 2021, inclusive.

This bill would repeal the provisions that would have created the Department of Youth and Community Restoration and the provisions that would have transferred the responsibilities of the Division of Juvenile Justice to that department. Among other things, the bill would, commencing July 1, 2021, prohibit further commitment of wards to the Division of Juvenile Justice, except as specified, and would require that all wards committed to the division prior to that date remain within the custody of the division until the ward is discharged, released, or transferred. The bill would declare the intent of the Legislature to close the Division of Juvenile Justice through the shifting of this responsibility, as specified. The bill would, commencing July 1, 2021, establish the Office of Youth and Community Restoration in the California Health and Human Services Agency to administer these provisions and for other specified purposes to support this transition.

The bill would establish a Juvenile Justice Realignment Block Grant program to provide county-based custody, care, and supervision of youth who are realigned from the Division of Juvenile Justice or who would have otherwise been eligible for

commitment to the division. The bill would appropriate moneys from the General Fund in specified amounts for these purposes, as specified. The bill would specify how those funds would be allocated to counties based on specified criteria.

By changing county responsibilities with respect to juvenile offenders, this bill would impose a state-mandated local program.

(2) Under existing law, the jurisdiction of the juvenile court may continue until a ward attains 25 years of age, if the ward committed specified offenses.

This bill would reduce that age to 23 years, unless the ward would, in criminal court, have faced an aggregate sentence of 7 years or more, in which case the juvenile court's jurisdiction would continue until the ward attains 25 years of age.

(3) Existing law authorizes a district attorney or other appropriate prosecuting officer to file an accusatory pleading in a court of criminal jurisdiction against a minor who is alleged to have violated a criminal statute or ordinance and who has been declared not a fit and proper subject to be dealt with under the juvenile court law or as to whom charges in a petition in the juvenile court have been transferred to a court of criminal jurisdiction. Existing law requires, except as specified, a minor declared not a fit and proper subject to be dealt with under the juvenile court law, if detained, to remain in the juvenile hall pending final disposition by the criminal court or until the minor attains 18 years of age, whichever occurs first.

Existing law authorizes the detention of minors in jails or other security facilities for the confinement of adults only under specified conditions, including under circumstances upon which a minor is found not a fit and proper subject to be dealt with under the juvenile court law, their case is transferred to a court of criminal jurisdiction, and it is found that, among other things, the minor's further detention in the juvenile hall would endanger the safety of the public or other minors in the juvenile hall.

This bill would revise and recast those provisions and repeal specified provisions that authorize the detention of minors in an adult facility. The bill would instead require any person whose case originated in juvenile court to remain in a county juvenile facility until they turn 25 years of age, except as specified. The bill would make technical and conforming changes to related provisions.

By requiring local entities to retain custody of those persons in county juvenile facilities, this bill would impose a state-mandated local program.

(4) Existing law requires the Department of Justice to collect certain criminal justice data from specified persons and agencies and to present an annual report to the Governor containing the criminal statistics of the preceding calendar year. Existing law allows the department to serve as a statistical and research agency to the Department of Corrections and Rehabilitation and the Division of Juvenile Justice.

This bill would require the Department of Justice to submit a plan for the replacement of the Juvenile Court and Probation Statistical System with a modern database and reporting system. The bill would require the department to convene a working group consisting of key stakeholders, as provided, for this purpose.

(5) The bill would also appropriate moneys from the General Fund to the Youth Programs and Facilities Grant Program, to be administered by the Board of State and Community Corrections, to award one-time grants, to counties for the purpose of providing resources for infrastructure related needs and improvements to assist counties in the development of a local continuum of care.

(6) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

(7) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. (a) Evidence has demonstrated that justice system-involved youth are more successful when they remain connected to their families and communities. Justice system-involved youth who remain in their communities have lower recidivism rates and are more prepared for their transition back into the community.

(b) To ensure that justice-involved youth are closer to their families and communities and receive age-appropriate treatment, it is necessary to close the Division of Juvenile Justice and move the jurisdiction of these youth to local county jurisdiction.

(c) Counties will receive funding to meet the needs of youth by providing and implementing public health approaches to support positive youth development, building the capacity of a continuum of community based approaches, and reducing crime by youth.

(d) It is the intent of the Legislature and the administration that the youth firecamp at Pine Grove, whether through a state-local partnership, or other management arrangement, remain open and functioning to train justice-involved youth in wildland firefighting skills, and to retain the camp as a training resource for youth in California and create pipelines from Pine Grove to gainful employment.

(e) It is the intent of the Legislature and the administration for counties to use evidence-based and promising practices and programs that improve the outcomes of youth and public safety, reduce the transfer of youth into the adult criminal justice system, ensure that dispositions are in the least restrictive appropriate environment, reduce and then eliminate racial and ethnic disparities, and reduce the use of confinement in the juvenile justice system by utilizing community-based responses and interventions.

(f) It is the intent of the Legislature to end the practice of placing youth in custodial or confinement facilities that are operated by private entities whose primary business is the custodial confinement of adults or youth in a secure setting. It is further the intent of the Legislature to end placements of justice system-involved youth in out of state facilities that do not appropriately address the programming, service, safety, and other needs of placed youth once appropriate and sufficient capacity within California is achieved.

207.1. (a) A court, judge, referee, peace officer, or employee of a detention facility shall not knowingly detain any minor in a jail or lockup, unless otherwise permitted by any other law.

(b) (1) A minor 14 years of age or older who is taken into temporary custody by a peace officer on the basis of being a person described by Section 602, and who, in the reasonable belief of the peace officer, presents a serious security risk of harm to self or others, may be securely detained in a law enforcement facility that contains a lockup for adults, if all of the following conditions are met:

(A) The minor is held in temporary custody for the purpose of investigating the case, facilitating release of the minor to a parent or guardian, or arranging transfer of the minor to an appropriate juvenile facility.

(B) The minor is detained in the law enforcement facility for a period that does not exceed six hours except as provided in subdivision (d).

(C) The minor is informed at the time the minor is securely detained of the purpose of the secure detention, of the length of time the secure detention is expected to last, and of the maximum six-hour period the secure detention is authorized to last. In the event an extension is granted pursuant to subdivision (d), the minor shall be informed of the length of time the extension is expected to last.

(D) Contact between the minor and adults confined in the facility is restricted in accordance with Section 208.

(E) The minor is adequately supervised.

(F) A log or other written record is maintained by the law enforcement agency showing the offense that is the basis for the secure detention of the minor in the facility, the reasons and circumstances forming the basis for the decision to place the minor in secure detention, and the length of time the minor was securely detained.

(2) Any other minor, other than a minor to which paragraph (1) applies, who is taken into temporary custody by a peace officer on the basis that the minor is a person described by Section 602 may be taken to a law enforcement facility that contains a lockup for adults and may be held in temporary custody in the facility for the purposes of investigating the case, facilitating the release of the minor to a parent or guardian, or arranging for the transfer of the minor to an appropriate juvenile facility. While in the law enforcement facility, the minor may not be securely detained and shall be supervised in a manner so as to ensure that there will be no contact with adults in custody in the facility. If the minor is held in temporary, nonsecure custody within the facility, the peace officer shall exercise one of the dispositional options authorized by Sections 626 and 626.5 without unnecessary delay and, in every case, within six hours.

(3) "Law enforcement facility," as used in this subdivision, includes a police station or a sheriff's station, but does not include a jail, as defined in subdivision (g).

(c) The Board of State and Community Corrections shall assist law enforcement agencies, probation departments, and courts with the implementation of this section by doing all of the following:

(1) The board shall advise each law enforcement agency, probation department, and court affected by this section as to its existence and effect.

(2) The board shall make available and, upon request, shall provide, technical assistance to each governmental agency that reported the confinement of a minor in a jail or lockup in calendar year 1984 or 1985. The purpose of this technical assistance is to develop alternatives to the use of jails or lockups for the confinement of minors. These alternatives may include secure or nonsecure facilities located apart from an existing jail or lockup, improved transportation or access to juvenile halls or other juvenile facilities, and other programmatic alternatives recommended by the board. The technical assistance shall take any form the board deems appropriate for effective compliance with this section.

(d) (1) (A) Under the limited conditions of inclement weather, acts of God, or natural disasters that result in the temporary unavailability of transportation, an extension of the six-hour maximum period of detention set forth in paragraph (2) of subdivision(b) may be granted to a county by the Board of Corrections. The extension may be granted only by the board, on an individual, case-by-case basis. If the extension is granted, the detention of minors under those conditions shall not exceed the duration of the special conditions, plus a period reasonably necessary to accomplish transportation of the minor to a suitable juvenile facility, not to exceed six hours after the restoration of available transportation.

(B) A county that receives an extension under this paragraph shall comply with the requirements set forth in subdivision (b). The county also shall provide a written report to the board that specifies when the inclement weather, act of God, or natural disaster ceased to exist, when transportation availability was restored, and when the minor was delivered to a suitable juvenile facility. If the minor was detained in excess of 24 hours, the board shall verify the information contained in the report.

(2) Under the limited condition of temporary unavailability of transportation, an extension of the six-hour maximum period of detention set forth in paragraph (2) of subdivision(b) may be granted by the board to an offshore law enforcement facility. The extension may be granted only by the board, on an individual, case-by-case basis. If the extension is granted, the detention of minors under those conditions shall extend only until the next available mode of transportation can be arranged.

An offshore law enforcement facility that receives an extension under this paragraph shall comply with the requirements set forth in subdivision (b). The facility also shall provide a written report to the board that specifies when the next mode of transportation became available, and when the minor was delivered to a suitable juvenile facility. If the minor was detained in excess of 24 hours, the board shall verify the information contained in the report.

(3) At least annually, the board shall review and report on extensions sought and granted under this subdivision. If, upon that review, the board determines that a county has sought one or more extensions resulting in the excessive confinement of minors in adult facilities, or that a county is engaged in a pattern and practice of seeking extensions, it shall require the county to submit a detailed explanation of the reasons for the extensions sought and an assessment of the need for a conveniently located and suitable juvenile facility. Upon receiving this information, the board shall make available, and the county shall accept, technical assistance for the purpose of developing suitable alternatives to the confinement of minors in adult lockups.

(e) Any county that did not have a juvenile hall on January 1, 1987, may establish a special purpose juvenile hall, as defined by the Board of Corrections, for the detention of minors for a period not to exceed 96 hours. Any county that had a juvenile hall on January 1, 1987, also may establish, in addition to the juvenile hall, a special purpose juvenile hall. The board shall prescribe minimum standards for that type of facility.

(f) No part of a building or a building complex that contains a jail may be converted or utilized as a secure juvenile facility unless all of the following criteria are met:

(1) The juvenile facility is physically, or architecturally, separate and apart from the jail or lockup such that there could be no contact between juveniles and incarcerated adults.

(2) Sharing of nonresidential program areas only occurs where there are written policies and procedures that assure that there is time-phased use of those areas that prevents contact between juveniles and incarcerated adults.

(3) The juvenile facility has a dedicated and separate staff from the jail or lockup, including management, security, and direct care staff. Staff who provide specialized services such as food, laundry, maintenance, engineering, or medical services, who are not normally in contact with detainees, or whose infrequent contacts occur under conditions of separation of juveniles and adults, may serve both populations.

(4) The juvenile facility complies with all applicable state and local statutory, licensing, and regulatory requirements for juvenile facilities of its type.

(g) (1) "Jail," as used in this chapter, means a locked facility administered by a law enforcement or governmental agency, the purpose of which is to detain adults who have been charged with violations of criminal law and are pending trial, or to hold convicted adult criminal offenders sentenced for less than one year.

(2) "Lockup," as used in this chapter, means any locked room or secure enclosure under the control of a sheriff or other peace officer that is primarily for the temporary confinement of adults upon arrest.

(3) "Offshore law enforcement facility," as used in this section, means a sheriff's station containing a lockup for adults that is located on an island located at least 22 miles from the California coastline.

(h) This section shall not be deemed to prevent a peace officer or employee of an adult detention facility or jail from escorting a minor into the detention facility or jail for the purpose of administering an evaluation, test, or chemical test pursuant to Section 23157 of the Vehicle Code, if all of the following conditions are met:

(1) The minor is taken into custody by a peace officer on the basis of being a person described by Section 602 and there is no equipment for the administration of the evaluation, test, or chemical test located at a juvenile facility within a reasonable distance of the point where the minor was taken into custody.

(2) The minor is not locked in a cell or room within the adult detention facility or jail, is under the continuous, personal supervision of a peace officer or employee of the detention facility or jail, and is not permitted to come in contact or remain in contact with in-custody adults.

(3) The evaluation, test, or chemical test administered pursuant to Section 23157 of the Vehicle Code is performed as expeditiously as possible, so that the minor is not delayed unnecessarily within the adult detention facility or jail. Upon completion of the evaluation, test, or chemical test, the minor shall be removed from the detention facility or jail as soon as reasonably possible. A minor shall not be held in custody in an adult detention facility or jail under the authority of this paragraph in excess of two hours.

SEC. 17. Section 207.2 of the Welfare and Institutions Code is amended to read:

207.2. A minor who is held in temporary custody in a law enforcement facility that contains a lockup for adults pursuant to subdivision (b) of Section 207.1 may be released to a parent, guardian, or responsible relative by the law enforcement agency operating the facility, or may at the discretion of the law enforcement agency be released into their own custody, provided that a minor released into their own custody is furnished, upon request, with transportation to their home or to the place where the minor was taken into custody.

SEC. 18. Section 207.6 of the Welfare and Institutions Code is repealed.

SEC. 19. Section 208.5 of the Welfare and Institutions Code is repealed.

SEC. 20. Section 208.5 is added to the Welfare and Institutions Code, to read:

208.5. (a) Notwithstanding any other law, any person whose case originated in juvenile court shall remain, if the person is held in secure detention, in a county juvenile facility until the person attains 25 years of age, except as provided in subdivisions (b) and (c) of this section and paragraph (4) of subdivision (a) of Section 731. This section is not intended to authorize confinement in a juvenile facility where authority would not otherwise exist.

(b) The probation department may petition the court to house a person who is 19 years of age or older in an adult facility, including a jail or other facility established for the purpose of confinement of adults.

(c) Upon receipt of a petition to house a person who is 19 years of age or older in an adult facility, the court shall hold a hearing. There shall be a rebuttable presumption that the person will be retained in a juvenile facility. At the hearing, the court shall determine whether the person will be moved to an adult facility, and make written findings of its decision based on the totality of the following criteria:

(1) The impact of being held in an adult facility on the physical and mental health and well-being of the person.

(2) The benefits of continued programming at the juvenile facility and whether required education and other services called for in any juvenile court disposition or otherwise required by law or court order can be provided in the adult facility.

(3) The capacity of the adult facility to separate younger and older people as needed and to provide them with safe and age-appropriate housing and program opportunities.

(4) The capacity of the juvenile facility to provide needed separation of older from younger people given the youth currently housed in the facility.

(5) Evidence demonstrating that the juvenile facility is unable to currently manage the person's needs without posing a significant danger to staff or other youth in the facility.

(d) If a person who is 18 to 24 years of age, inclusive, is removed from a juvenile facility pursuant to this section, upon the motion of any party and a showing of changed circumstances, the court shall consider the criteria in subdivision (c) and determine whether the person should be housed at a juvenile facility.

(e) A person who is 19 years of age or older and who has been committed to a county juvenile facility or a facility of a contracted entity shall remain in the facility and shall not be subject to a petition for transfer to an adult facility. This section is not intended to authorize or extend confinement in a juvenile facility where authority would not otherwise exist.

SEC. 21. Section 209 of the Welfare and Institutions Code is amended to read:

209. (a) (1) The judge of the juvenile court of a county, or, if there is more than one judge, any of the judges of the juvenile court shall, at least annually, inspect any jail, juvenile hall, or special purpose juvenile hall that, in the preceding calendar year, was used for confinement, for more than 24 hours, of any minor.

(2) The judge shall promptly notify the operator of the jail, juvenile hall, or special purpose juvenile hall of any observed noncompliance with minimum standards for juvenile facilities adopted by the Board of State and Community Corrections under Section 210. Based on the facility's subsequent compliance with the provisions of subdivisions (d) and (e), the judge shall thereafter make a finding whether the facility is a suitable place for the confinement of minors and shall note the finding in the minutes of the court.

(3) The Board of State and Community Corrections shall conduct a biennial inspection of each jail, juvenile hall, lockup, or special purpose juvenile hall situated in this state that, during the preceding calendar year, was used for confinement, for more than 24 hours, of any minor. The board shall promptly notify the operator of any jail, juvenile hall, lockup, or special purpose juvenile hall of any noncompliance found, upon inspection, with any of the minimum standards for juvenile facilities adopted by the Board of State and Community Corrections under Section 210 or 210.2.

(4) If either a judge of the juvenile court or the board, after inspection of a jail, juvenile hall, special purpose juvenile hall, or lockup, finds that it is not being operated and maintained as a suitable place for the confinement of minors, the juvenile court or the board shall give notice of its finding to all persons having authority to confine minors pursuant to this chapter and commencing 60 days thereafter the facility shall not be used for confinement of minors until the time the judge or board, as the case may be, finds, after reinspection of the facility that the conditions that rendered the facility unsuitable have been remedied, and the facility is a suitable place for confinement of minors.

(5) The custodian of each jail, juvenile hall, special purpose juvenile hall, and lockup shall make any reports as may be requested by the board or the juvenile court to effectuate the purposes of this section.

(b) (1) The Board of State and Community Corrections may inspect any law enforcement facility that contains a lockup for adults and that it has reason to believe may not be in compliance with the requirements of subdivision (b) of Section 207.1 or with the certification requirements or standards adopted under Section 210.2. A judge of the juvenile court shall conduct an annual inspection, either in person or through a delegated member of the appropriate county or regional juvenile justice commission, of any law enforcement facility that contains a lockup for adults which, in the preceding year, was used for the secure detention of any minor. If the law enforcement facility is observed, upon inspection, to be out of compliance with the requirements of subdivision (b) of Section 207.1, or with any standard adopted under Section 210.2, the board or the judge shall promptly notify the operator of the law enforcement facility of the specific points of noncompliance.

(2) If either the judge or the board finds after inspection that the facility is not being operated and maintained in conformity with the requirements of subdivision (b) of Section 207.1 or with the certification requirements or standards adopted under Section 210.2, the juvenile court or the board shall give notice of its finding to all persons having authority to securely detain minors in the facility, and, commencing 60 days thereafter, the facility shall not be used for the secure detention of a minor until the time the judge or the board, as the case may be, finds, after reinspection, that the conditions that rendered the facility unsuitable have been remedied, and the facility is a suitable place for the confinement of minors in conformity with all requirements of law.

(3) The custodian of each law enforcement facility that contains a lockup for adults shall make any report as may be requested by the board or by the juvenile court to effectuate the purposes of this subdivision.

(c) The board shall collect biennial data on the number, place, and duration of confinements of minors in jails and lockups, as defined in subdivision (g) of Section 207.1, and shall publish biennially this information in the form as it deems appropriate for the purpose of providing public information on continuing compliance with the requirements of Section 207.1.

(d) Except as provided in subdivision (e), a juvenile hall, special purpose juvenile hall, law enforcement facility, or jail shall be unsuitable for the confinement of minors if it is not in compliance with one or more of the minimum standards for juvenile facilities adopted by the Board of State and Community Corrections under Section 210 or 210.2, and if, within 60 days of having received notice of noncompliance from the board or the judge of the juvenile court, the juvenile hall, special purpose juvenile hall, law enforcement facility, or jail has failed to file an approved corrective action plan with the Board of State and Community Corrections to correct the condition or conditions of noncompliance of which it has been notified. The corrective action plan shall outline how the juvenile hall, special purpose juvenile hall, law enforcement facility, or jail plans to correct the issue of noncompliance and give a reasonable timeframe, not to exceed 90 days, for resolution, that the board shall either approve or deny. In the event the juvenile hall, special purpose juvenile hall, law enforcement facility, or jail fails to meet its commitment to resolve noncompliance issues outlined in its corrective action plan, the board shall make a determination of suitability at its next scheduled meeting.

(e) If a juvenile hall is not in compliance with one or more of the minimum standards for juvenile facilities adopted by the Board of State and Community Corrections under Section 210, and where the noncompliance arises from sustained occupancy levels that are above the population capacity permitted by applicable minimum standards, the juvenile hall shall be unsuitable for the confinement of minors if the board or the judge of the juvenile court determines that conditions in the facility pose a serious risk to the health, safety, or welfare of minors confined in the facility. In making its determination of suitability, the board or the judge of the juvenile court shall consider, in addition to the noncompliance with minimum standards, the totality of conditions in the juvenile hall, including the extent and duration of overpopulation as well as staffing, program, physical plant, and medical and mental health care conditions in the facility. The Board of State and Community Corrections may develop guidelines and procedures for its determination of suitability in accordance with this subdivision and to assist counties in bringing their juvenile halls into full compliance with applicable minimum standards. This subdivision shall not be interpreted to exempt a juvenile hall from having to correct, in accordance with subdivision (d), any minimum standard violations that are not directly related to overpopulation of the facility.

(f) In accordance with the federal Juvenile Justice and Delinquency Prevention Act of 2002 (42 U.S.C. Sec. 5601 et seq.), the Corrections Standards Authority shall inspect and collect relevant data from any facility that may be used for the secure detention of minors.

(g) All reports and notices of findings prepared by the Board of State and Community Corrections pursuant to this section shall be posted on the Board of State and Community Corrections' internet website in a manner in which they are accessible to the public.

SEC. 22. Section 210.2 of the Welfare and Institutions Code is amended to read:

210.2. (a) The Board of Corrections shall adopt regulations establishing standards for law enforcement facilities which contain lockups for adults and which are used for the temporary, secure detention of minors upon arrest under subdivision (b) of Section 207.1. The standards shall identify appropriate conditions of confinement for minors in law enforcement facilities, including standards for places within a police station or sheriff's station where minors may be securely detained; standards regulating contact between minors and adults in custody in lockup, booking, or common areas; standards for the supervision of minors securely detained in these facilities; and any other related standard as the board deems appropriate to effectuate compliance with subdivision (b) of Section 207.1.

(b) Every person in charge of a law enforcement facility which contains a lockup for adults and which is used in any calendar year for the secure detention of any minor shall certify annually that the facility is in conformity with the regulations adopted by the board under subdivision (a). The certification shall be endorsed by the sheriff or chief of police of the jurisdiction in which the facility is located and shall be forwarded to and maintained by the board. The board may provide forms and instructions to local jurisdictions to facilitate compliance with this requirement.
