**Senate Bill No. 869**

**CHAPTER 171**

An act to add Section 12012.101 to the Government Code, relating to tribal gaming, and declaring the urgency thereof, to take effect immediately.

[ Approved by Governor September 25, 2020. Filed with Secretary of State September 25, 2020. ]

**LEGISLATIVE COUNSEL'S DIGEST**

SB 869, Dodd. Tribal gaming: compact ratification.

The existing federal Indian Gaming Regulatory Act of 1988 provides for the negotiation and execution of tribal-state gaming compacts for the purpose of authorizing certain types of gaming on Indian lands within a state. The California Constitution authorizes the Governor to negotiate and conclude tribal-state gaming compacts, subject to ratification by the Legislature. Existing law expressly ratifies a number of tribal-state gaming compacts, and amendments of tribal-state gaming compacts, between the State of California and specified Indian tribes.

The California Environmental Quality Act (CEQA) requires a lead agency to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project, as defined, that it proposes to carry out or approve that may have a significant effect on the environment, as defined, or to adopt a negative declaration if it finds that the project will not have that effect.

This bill would ratify the tribal-state gaming compacts entered into between the State of California and the following Indian tribes: the Lone Band of Miwok Indians, the Mooretown Rancheria of Maidu Indians of California, the Paskenta Band of Nomlaki Indians, the Shingle Springs Band of Miwok Indians, the Tolowa Dee-ni' Nation, and the Tule River Indian Tribe of California. The bill would provide that, in deference to tribal sovereignty, certain actions related to these compacts and amended compacts are not projects for purposes of CEQA.

This bill would declare that it is to take effect immediately as an urgency statute.
