Assembly Bill No. 1187

CHAPTER 927

An act to amend Section 84757 of the Education Code, relating to community colleges.

[Approved by Governor September 30, 2022. Filed with Secretary of State September 30, 2022.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1187, Irwin. Community colleges: tutoring.

Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. Under existing law, community college districts throughout the state have established campuses where they provide instruction to students. Existing law establishes a system through which state funds are apportioned to community college districts based on specified formulas. A provision of existing law identifies the noncredit community college courses and classes that are eligible for state apportionment funding.

This bill would provide that supervised tutoring for foundational skills, and for degree-applicable and transfer-level courses, as authorized pursuant to regulations adopted by the board of governors by July 31, 2023, is eligible for state apportionment funding.

This bill would incorporate additional changes to Section 84757 of the Education Code proposed by AB 2973 to be operative only if this bill and AB 2973 are enacted and this bill is enacted last.
