Date Published: 06/27/2022 02:00 PM

Assembly Bill No. 2957

CHAPTER 37

An act to amend Sections 56102, 56133, 56653, 56654, and 56658 of, and to add Section 56078.5 to, the Government Code, and to amend Section 99 of the Revenue and Taxation Code, relating to local government.

[Approved by Governor June 21, 2022. Filed with Secretary of State June 21, 2022.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2957, Committee on Local Government. Local government: reorganization.

Existing law, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, provides the authority and procedure for the initiation, conduct, and completion of changes of organization, reorganization, and sphere of influence changes for cities and districts, as specified. Existing law requires an applicant seeking a change of organization or reorganization to submit a plan for providing services within the affected territory.

Existing law requires a petitioner or legislative body desiring to initiate proceedings to submit an application to the executive officer of the local agency formation commission, and requires the local agency formation commission, with regard to an application that includes an incorporation, to immediately notify all affected local agencies and any applicable state agency, as specified.

This bill would define the term "successor agency," for these purposes to mean the local agency a commission designates to wind up the affairs of a dissolved district. This bill would also make clarifying changes to the above provisions.

Existing law establishes procedures for determining the exchange of property tax revenues between a city and a county in the case of a jurisdictional change that consists of a city's qualified annexation of unincorporated territory, defined to mean an annexation of unincorporated territory for which an application or resolution was filed on or after January 1, 1998, and on or before January 1, 2021.

This bill would expand the above-described definition of a qualified annexation of unincorporated territory to include an annexation for which an application or resolution was filed on or before January 1, 2028.

Vote: majority Appropriation: no Fiscal Committee: no Local Program: no

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. Section 56078.5 is added to the Government Code, to read:

56078.5. "Successor Agency" means the local agency the commission designates to wind up the affairs of a dissolved district.

SEC. 2. Section 56102 of the Government Code is amended to read:

56102. For the purpose of any action to determine or contest the validity of any change of organization or reorganization, the change of organization or reorganization shall be deemed to take effect upon the date of execution of the certificate of completion.

SEC. 3. Section 56133 of the Government Code is amended to read:

56133. (a) A city or district may provide new or extended services by contract or agreement outside its jurisdictional boundary only if it first requests and receives written approval from the commission of the county in which the affected territory is located.

(b) The commission may authorize a city or district to provide new or extended services outside its jurisdictional boundary but within its sphere of influence in anticipation of a later change of organization.

(c) The commission may authorize a city or district to provide new or extended services outside its jurisdictional boundary and outside its sphere of influence to respond to an existing or impending threat to the health or safety of the public or the residents of the affected territory, if both of the following requirements are met:

(1) The entity applying for approval has provided the commission with documentation of a threat to the health and safety of the public or the affected residents.

(2) The commission has notified any alternate service provider, including any water corporation as defined in Section 241 of the Public Utilities Code, that has filed a map and a statement of its service capabilities with the commission.

(d) The executive officer, within 30 days of receipt of a request for approval by a city or district to extend services outside its jurisdictional boundary, shall determine whether the request is complete and acceptable for filing or whether the request is incomplete. If a request is determined not to be complete, the executive officer shall immediately transmit that determination to the requester, specifying those parts of the request that are incomplete and the manner in which they can be made complete. When the request is deemed complete, the executive officer shall place the request on the agenda of the next commission meeting for which adequate notice can be given but not more than 90 days from the date that the request is deemed complete, unless the commission has delegated approval of requests made pursuant to this section to the executive officer. The commission or executive officer shall approve, disapprove, or approve with conditions the extended services. If the new or extended services are disapproved or approved with conditions, the applicant may request reconsideration, citing the reasons for reconsideration.

(e) This section does not apply to any of the following:

(1) Two or more public agencies where the public service to be provided is an alternative to, or substitute for, public services already being provided by an existing public service provider and where the level of service to be provided is consistent with the level of service contemplated by the existing service provider.

(2) The transfer of nonpotable or nontreated water.

(3) The provision of surplus water to agricultural lands and facilities, including, but not limited to, incidental residential structures, for projects that serve conservation purposes or that directly support agricultural industries. However, prior to extending surplus water service to any project that will support or induce development, the city or district shall first request and receive written approval from the commission in the affected county.

(4) An extended service that a city or district was providing on or before January 1, 2001.

(5) A local publicly owned electric utility, as defined by Section 224.3 of the Public Utilities Code, providing electric services that do not involve the acquisition, construction, or installation of electric distribution facilities by the local publicly owned electric utility, outside of the utility's jurisdictional boundary.

(6) A fire protection contract, as defined in subdivision (a) of Section 56134.

SEC. 4. Section 56653 of the Government Code, as amended by Section 1 of Chapter 43 of the Statutes of 2017, is amended to read:

56653. (a) If an application for a change of organization or reorganization is submitted pursuant to this part, the applicant shall submit a plan for providing services within the affected territory.

(b) The plan for providing services shall include all of the following information and any additional information required by the commission or the executive officer:

- (1) An enumeration and description of the services currently provided or to be extended to the affected territory.
- (2) The level and range of those services.
- (3) An indication of when those services can feasibly be extended to the affected territory, if new services are proposed.
- (4) An indication of any improvement or upgrading of structures, roads, sewer or water facilities, or other conditions the local agency would impose or require within the affected territory if the change of organization or reorganization is completed.
- (5) Information with respect to how those services will be financed.

(c) (1) In the case of a change of organization or reorganization initiated by a local agency that includes a disadvantaged, unincorporated community as defined in Section 56033.5, a local agency may include in its resolution of application for change of organization or reorganization an annexation development plan adopted pursuant to Section 99.3 of the Revenue and Taxation Code to improve or upgrade structures, roads, sewer or water facilities, or other infrastructure to serve the disadvantaged, unincorporated community through the formation of a special district or reorganization of one or more existing special districts with the consent of each special district's governing body.

(2) The annexation development plan submitted pursuant to this subdivision shall include information that demonstrates that the formation or reorganization of the special district will provide all of the following:

(A) The necessary financial resources to improve or upgrade structures, roads, sewer or water facilities, or other infrastructure. The annexation development plan shall also clarify the local entity that shall be responsible for the delivery and maintenance of the services identified in the application.

(B) An estimated timeframe for constructing and delivering the services identified in the application.

(C) The governance, oversight, and long-term maintenance of the services identified in the application after the initial costs are recouped and the tax increment financing terminates.

(3) If a local agency includes an annexation development plan pursuant to this subdivision, a local agency formation commission may approve the proposal for a change of organization or reorganization to include the formation of a special district or reorganization of a special district with the special district's consent, including, but not limited to, a community services district, municipal water district, or sanitary district, to provide financing to improve or upgrade structures, roads, sewer or water facilities, or other infrastructure to serve the disadvantaged, unincorporated community, in conformity with the requirements of the principal act of the district proposed to be formed and all required formation proceedings.

(4) Pursuant to Section 56881, the commission shall include in its resolution making determinations a description of the annexation development plan, including, but not limited to, an explanation of the proposed financing mechanism adopted pursuant to Section 99.3 of the Revenue and Taxation Code, including, but not limited to, any planned debt issuance associated with that annexation development plan.

(d) This section shall not preclude a local agency formation commission from considering any other options or exercising its powers under Section 56375.

(e) This section shall remain in effect only until January 1, 2025, and as of that date is repealed.

SEC. 5. Section 56653 of the Government Code, as amended by Section 2 of Chapter 43 of the Statutes of 2017, is amended to read:

56653. (a) If an application for a change of organization or reorganization is submitted pursuant to this part, the applicant shall submit a plan for providing services within the affected territory.

(b) The plan for providing services shall include all of the following information and any additional information required by the commission or the executive officer:

- (1) An enumeration and description of the services currently provided or to be extended to the affected territory.
- (2) The level and range of those services.
- (3) An indication of when those services can feasibly be extended to the affected territory, if new services are proposed.

(4) An indication of any improvement or upgrading of structures, roads, sewer or water facilities, or other conditions the local agency would impose or require within the affected territory if the change of organization or reorganization is completed.

(5) Information with respect to how those services will be financed.

(c) This section shall become operative on January 1, 2025.

SEC. 6. Section 56654 of the Government Code is amended to read:

56654. (a) An application for a change of organization or a reorganization may be made by the adoption of a resolution of application by the legislative body of an affected local agency, except as provided in subdivision (b).

(b) Notwithstanding Section 56700, an application for a change of organization that involves the exercise of new or different functions or classes of services, or the divestiture of the power to provide particular functions or classes of services, within all or part of the jurisdictional boundaries of a special district, shall only be initiated by the legislative body of that special district in accordance with Sections 56824.10, 56824.12, and 56824.14.

(c) At least 21 days before the adoption of the resolution, the legislative body may give mailed notice of its intention to adopt a resolution of application to the commission and to each interested agency and each subject agency. The notice shall generally describe the application and the affected territory.

(d) Except for the provisions regarding signers and signatures, a resolution of application shall contain all of the matters specified for a petition in Section 56700 and shall be submitted with a plan for services prepared pursuant to Section 56653.

SEC. 7. Section 56658 of the Government Code is amended to read:

56658. (a) Any petitioner or legislative body desiring to initiate proceedings shall submit an application to the executive officer of the principal county.

(b) (1) Immediately after receiving an application and before issuing a certificate of filing, the executive officer shall give mailed notice that the application has been received to each affected local agency, the county committee on school district organization, and each school superintendent whose school district overlies the affected territory. The notice shall generally describe the application and the affected territory. The executive officer shall not be required to give notice pursuant to this subdivision if a local agency has already given notice pursuant to subdivision (c) of Section 56654.

(2) It is the intent of the Legislature that an application for incorporation or disincorporation shall be processed in a timely manner. With regard to an application that includes an incorporation or disincorporation, the executive officer shall immediately notify all affected local agencies and any applicable state agencies by mail and request the affected agencies to submit the required data to the commission within a reasonable timeframe established by the executive officer. Each affected agency shall respond to the executive officer within 15 days acknowledging receipt of the request. Each affected local agency and the officers and departments thereof shall submit the required data to the executive officer within the timelines established by the executive officer. Each affected state agency and the officers and departments thereof shall submit the required data to the executive officer within the timelines agreed upon by the executive officer and the affected state departments.

(3) If a special district is, or as a result of a proposal will be, located in more than one county, the executive officer of the principal county shall immediately give the executive officer of each other affected county mailed notice that the application has been received. The notice shall generally describe the proposal and the affected territory.

(c) Except when a commission is the lead agency pursuant to Section 21067 of the Public Resources Code, the executive officer shall determine within 30 days of receiving an application whether the application is complete and acceptable for filing or whether the application is incomplete.

(d) The executive officer shall not accept an application for filing and issue a certificate of filing for at least 20 days after giving the mailed notice required by subdivision (b). The executive officer shall not be required to comply with this subdivision in the case of an application which meets the requirements of Section 56662 or in the case of an application for which a local agency has already given notice pursuant to subdivision (c) of Section 56654.

(e) If the appropriate fees have been paid, an application shall be deemed accepted for filing if no determination has been made by the executive officer within the 30-day period. An executive officer shall accept for filing, and file, any application submitted in the form prescribed by the commission and containing all of the information and data required pursuant to Section 56652.

(f) When an application is accepted for filing, the executive officer shall immediately issue a certificate of filing to the applicant. A certificate of filing shall be in the form prescribed by the executive officer and shall specify the date upon which the proposal shall

be heard by the commission. From the date of issuance of a certificate of filing, or the date upon which an application is deemed to have been accepted, whichever is earlier, an application shall be deemed filed pursuant to this division.

(g) If an application is determined not to be complete, the executive officer shall immediately transmit that determination to the applicant specifying those parts of the application which are incomplete and the manner in which they can be made complete.

(h) Following the issuance of the certificate of filing, the executive officer shall proceed to set the proposal for hearing and give published notice thereof as provided in this part. The date of the hearing shall be not more than 90 days after issuance of the certificate of filing or after the application is deemed to have been accepted, whichever is earlier. Notwithstanding Section 56106, the date for conducting the hearing, as determined pursuant to this subdivision, is mandatory.

SEC. 8. Section 99 of the Revenue and Taxation Code is amended to read:

99. (a) For the purposes of the computations required by this chapter:

(1) In the case of a jurisdictional change, other than a city incorporation, city disincorporation, or a formation of a district as defined in Section 2215, the auditor shall adjust the allocation of property tax revenue determined pursuant to Section 96 or 96.1, or the annual tax increment determined pursuant to Section 96.5, for local agencies whose service area or service responsibility would be altered by the jurisdictional change, as determined pursuant to subdivision (b) or (c).

(2) In the case of a city incorporation or disincorporation, the auditor shall assign the allocation of property tax revenues determined pursuant to Section 56810 of the Government Code and the adjustments in tax revenues that may occur pursuant to Section 56815 of the Government Code to the newly formed city or district and shall make the adjustment as determined by Section 56810 or 56813 in the allocation of property tax revenue determined pursuant to Section 96 or 96.1 for each local agency whose service area or service responsibilities would be altered by the incorporation.

(3) In the case of a formation of a district as defined in Section 2215, the auditor shall assign the allocation of property tax revenues determined pursuant to Section 56810 of the Government Code to the district and shall make the adjustment as determined by Section 56810, or for the disincorporated city or dissolved district as determined by Section 56813, in the allocation of property tax revenue determined pursuant to Section 96 or 96.1 for each local agency whose service area or service responsibilities would be altered by the change of organization.

(b) Upon the filing of an application or a resolution pursuant to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Division 3 (commencing with Section 56000) of Title 5 of the Government Code), but prior to the issuance of a certificate of filing, the executive officer shall give notice of the filing to the assessor and auditor of each county within which the territory subject to the jurisdictional change is located. This notice shall specify each local agency whose service area or responsibility will be altered by the jurisdictional change.

(1) (A) The county assessor shall provide to the county auditor, within 30 days of the notice of filing, a report which identifies the assessed valuations for the territory subject to the jurisdictional change and the tax rate area or areas in which the territory exists.

(B) The auditor shall estimate the amount of property tax revenue generated within the territory that is the subject of the jurisdictional change during the current fiscal year.

(2) The auditor shall estimate what proportion of the property tax revenue determined pursuant to paragraph (1) is attributable to each local agency pursuant to Sections 96.1 and 96.5.

(3) Within 45 days of notice of the filing of an application or resolution, the auditor shall notify the governing body of each local agency whose service area or service responsibility will be altered by the jurisdictional change of the amount of, and allocation factors with respect to, property tax revenue estimated pursuant to paragraph (2) that is subject to a negotiated exchange.

(4) Upon receipt of the estimates pursuant to paragraph (3), the local agencies shall commence negotiations to determine the amount of property tax revenues to be exchanged between and among the local agencies. Except as otherwise provided, this negotiation period shall not exceed 60 days. If a local agency involved in these negotiations notifies the other local agencies, the county auditor, and the local agency formation commission in writing of its desire to extend the negotiating period, the negotiating period shall be 90 days.

The exchange may be limited to an exchange of property tax revenues from the annual tax increment generated in the area subject to the jurisdictional change and attributable to the local agencies whose service area or service responsibilities will be altered by the proposed jurisdictional change. The final exchange resolution shall specify how the annual tax increment shall be allocated in future years.

(5) In the event that a jurisdictional change would affect the service area or service responsibility of one or more special districts, the board of supervisors of the county or counties in which the districts are located shall, on behalf of the district or districts, negotiate any exchange of property tax revenues. Prior to entering into negotiation on behalf of a district for the exchange of property tax revenue, the board shall consult with the affected district. The consultation shall include, at a minimum, notification to each member and executive officer of the district board of the pending consultation and provision of adequate opportunity to comment on the negotiation.

(6) Notwithstanding any other provision of law, the executive officer shall not issue a certificate of filing pursuant to Section 56658 of the Government Code until the local agencies included in the property tax revenue exchange negotiation, within the negotiation period, present resolutions adopted by each such county and city whereby each county and city agrees to accept the exchange of property tax revenues.

(7) In the event that the commission modifies the proposal or its resolution of determination, any local agency whose service area or service responsibility would be altered by the proposed jurisdictional change may request, and the executive officer shall grant, 30 days for the affected agencies, pursuant to paragraph (4), to renegotiate an exchange of property tax revenues. Notwithstanding the time period specified in paragraph (4), if the resolutions required pursuant to paragraph (6) are not presented to the executive officer within the 30-day period, all proceedings of the jurisdictional change shall automatically be terminated.

(8) In the case of a jurisdictional change that consists of a city's qualified annexation of unincorporated territory, an exchange of property tax revenues between the city and the county shall be determined in accordance with subdivision (e) if that exchange of revenues is not otherwise determined pursuant to either of the following:

(A) Negotiations completed within the applicable period or periods as prescribed by this subdivision.

(B) A master property tax exchange agreement among those local agencies, as described in subdivision (d).

For purposes of this paragraph, a qualified annexation of unincorporated territory means an annexation, as so described, for which an application or a resolution was filed on or after January 1, 1998, and on or before January 1, 2028.

(9) No later than the date on which the certificate of completion of the jurisdictional change is recorded with the county recorder, the executive officer shall notify the auditor or auditors of the exchange of property tax revenues and the auditor or auditors shall make the appropriate adjustments as provided in subdivision (a).

(c) Whenever a jurisdictional change is not required to be reviewed and approved by a local agency formation commission, the local agencies whose service area or service responsibilities would be altered by the proposed change, shall give notice to the State Board of Equalization and the assessor and auditor of each county within which the territory subject to the jurisdictional change is located. This notice shall specify each local agency whose service area or responsibility will be altered by the jurisdictional change and request the auditor and assessor to make the determinations required pursuant to paragraphs (1) and (2) of subdivision (b). Upon notification by the auditor of the amount of, and allocation factors with respect to, property tax subject to exchange, the local agencies, pursuant to the provisions of paragraphs (4) and (6) of subdivision (b), shall determine the amount of property tax revenues to be exchanged between and among the local agencies. Notwithstanding any other provision of law, no such jurisdictional change shall become effective until each county and city included in these negotiations agrees, by resolution, to accept the negotiated exchange of property tax revenues. The exchange may be limited to an exchange of property tax revenue from the annual tax increment generated in the area subject to the jurisdictional change and attributable to the local agencies whose service area or service responsibilities will be altered by the proposed jurisdictional change. The final exchange resolution shall specify how the annual tax increment shall be allocated in future years. Upon the adoption of the resolutions required pursuant to this section, the adopting agencies shall notify the auditor who shall make the appropriate adjustments as provided in subdivision (a). Adjustments in property tax allocations made as the result of a city or library district withdrawing from a county free library system pursuant to Section 19116 of the Education Code shall be made pursuant to Section 19116 of the Education Code, and this subdivision shall not apply.

(d) With respect to adjustments in the allocation of property taxes pursuant to this section, a county and any local agency or agencies within the county may develop and adopt a master property tax transfer agreement. The agreement may be revised from time to time by the parties subject to the agreement.

(e) (1) An exchange of property tax revenues that is required by paragraph (8) of subdivision (b) to be determined pursuant to this subdivision shall be determined in accordance with all of the following:

(A) The city and the county shall mutually select a third-party consultant to perform a comprehensive, independent fiscal analysis, funded in equal portions by the city and the county, that specifies estimates of all tax revenues that will be derived from the annexed territory and the costs of city and county services with respect to the annexed territory. The analysis shall be completed within a period not to exceed 30 days, and shall be based upon the general plan or adopted plans and

policies of the annexing city and the intended uses for the annexed territory. If, upon the completion of the analysis period, no exchange of property tax revenues is agreed upon by the city and the county, subparagraph (B) shall apply.

(B) The city and the county shall mutually select a mediator, funded in equal portions by those agencies, to perform mediation for a period not to exceed 30 days. If, upon the completion of the mediation period, no exchange of property tax revenues is agreed upon by the city and the county, subparagraph (C) shall apply.

(C) The city and the county shall mutually select an arbitrator, funded in equal portions by those agencies, to conduct an advisory arbitration with the city and the county for a period not to exceed 30 days. At the conclusion of this arbitration period, the city and the county shall each present to the arbitrator its last and best offer with respect to the exchange of property tax revenues. The arbitrator shall select one of the offers and recommend that offer to the governing bodies of the city and the county. If the governing body of the city or the county rejects the recommended offer, it shall do so during a public hearing, and shall, at the conclusion of that hearing, make written findings of fact as to why the recommended offer was not accepted.

(2) Proceedings under this subdivision shall be concluded no more than 150 days after the auditor provides the notification pursuant to paragraph (3) of subdivision (b), unless one of the periods specified in this subdivision is extended by the mutual agreement of the city and the county. Notwithstanding any other provision of law, except for those conditions that are necessary to implement an exchange of property tax revenues determined pursuant to this subdivision, the local agency formation commission shall not impose any fiscal conditions upon a city's qualified annexation of unincorporated territory that is subject to this subdivision.

(f) Except as otherwise provided in subdivision (g), for the purpose of determining the amount of property tax to be allocated in the 1979–80 fiscal year and each fiscal year thereafter for those local agencies that were affected by a jurisdictional change which was filed with the State Board of Equalization after January 1, 1978, but on or before January 1, 1979. The local agencies shall determine by resolution the amount of property tax revenues to be exchanged between and among the affected agencies and notify the auditor of the determination.

(g) For the purpose of determining the amount of property tax to be allocated in the 1979–80 fiscal year and each fiscal year thereafter, for a city incorporation that was filed pursuant to Sections 54900 to 54904, inclusive, of the Government Code after January 1, 1978, but on or before January 1, 1979, the amount of property tax revenue considered to have been received by the jurisdiction for the 1978–79 fiscal year shall be equal to two-thirds of the amount of property tax revenue projected in the final local agency formation commission staff report pertaining to the incorporation multiplied by the proportion that the total amount of property tax revenue received by all jurisdictions within the county for the 1978–79 fiscal year bears to the total amount of property tax revenue received by all jurisdictions within the county for the 1977–78 fiscal year. Except, however, in the event that the final commission report did not specify the amount of property tax revenue projected for that incorporation, the commission shall by October 10 determine pursuant to Section 54790.3 of the Government Code the amount of property tax to be transferred to the city.

The provisions of this subdivision shall also apply to the allocation of property taxes for the 1980–81 fiscal year and each fiscal year thereafter for incorporations approved by the voters in June 1979.

(h) For the purpose of the computations made pursuant to this section, in the case of a district formation that was filed pursuant to Sections 54900 to 54904, inclusive, of the Government Code after January 1, 1978, but before January 1, 1979, the amount of property tax to be allocated to the district for the 1979–80 fiscal year and each fiscal year thereafter shall be determined pursuant to Section 54790.3 of the Government Code.

(i) For the purposes of the computations required by this chapter, in the case of a jurisdictional change, other than a change requiring an adjustment by the auditor pursuant to subdivision (a), the auditor shall adjust the allocation of property tax revenue determined pursuant to Section 96 or 96.1 or its predecessor section, or the annual tax increment determined pursuant to Section 96.5 or its predecessor section, for each local school district, community college district, or county superintendent of schools whose service area or service responsibility would be altered by the jurisdictional change, as determined as follows:

(1) The governing body of each district, county superintendent of schools, or county whose service areas or service responsibilities would be altered by the change shall determine the amount of property tax revenues to be exchanged between and among the affected jurisdictions. This determination shall be adopted by each affected jurisdiction by resolution. For the purpose of negotiation, the county auditor shall furnish the parties and the county board of education with an estimate of the property tax revenue subject to negotiation.

(2) In the event that the affected jurisdictions are unable to agree, within 60 days after the effective date of the jurisdictional change, and if all the jurisdictions are wholly within one county, the county board of education shall, by resolution, determine the amount of property tax revenue to be exchanged. If the jurisdictions are in more than one county, the State Board of

Education shall, by resolution, within 60 days after the effective date of the jurisdictional change, determine the amount of property tax to be exchanged.

(3) Upon adoption of any resolution pursuant to this subdivision, the adopting jurisdictions or State Board of Education shall notify the county auditor who shall make the appropriate adjustments as provided in subdivision (a).

(j) For purposes of subdivision (i), the annexation by a community college district of territory within a county not previously served by a community college district is an alteration of service area. The community college district and the county shall negotiate the amount, if any, of property tax revenues to be exchanged. In these negotiations, there shall be taken into consideration the amount of revenue received from the timber yield tax and forest reserve receipts by the community college district in the area not previously served. In no event shall the property tax revenue to be exchanged exceed the amount of property tax revenue collected prior to the annexation for the purposes of paying tuition expenses of residents enrolled in the community college district, adjusted each year by the percentage change in population and the percentage change in the cost of living, or per capita personal income, whichever is lower, less the amount of revenue received by the community college district in the annexed area from the timber yield tax and forest reserve receipts.

(k) At any time after a jurisdictional change is effective, any of the local agencies party to the agreement to exchange property tax revenue may renegotiate the agreement with respect to the current fiscal year or subsequent fiscal years, subject to approval by all local agencies affected by the renegotiation.
