ACR-15 Engineers Week. (2021-2022)

SHARE THIS:  

Assembly Concurrent Resolution No. 15

CHAPTER 8

Relative to Engineers Week.

[Filed with Secretary of State April 07, 2021.]

LEGISLATIVE COUNSEL'S DIGEST

ACR 15, Luz Rivas. Engineers Week.

This measure would recognize the week of February 21, 2021, to February 27, 2021, as Engineers Week.

Fiscal Committee: no

WHEREAS, The week of February 21, 2021, to February 27, 2021, is being observed by state and national engineering organizations as Engineers Week, during which time a number of observances will take place in California; and

WHEREAS, Engineers Week is celebrating its 70th anniversary with the theme "Engineers: Imagine Tomorrow"; and

WHEREAS, Engineers Week promotes recognition among parents, teachers, and students of the importance of a technical education and a high level of mathematics, science, and technology literacy, and motivates youth to pursue engineering careers and participate in a diverse and vigorous engineering workforce; and

WHEREAS, California leads the world in science, technology, engineering, and mathematics (STEM) education, inspiring and preparing all of its students to seize the opportunities of the global society through innovation, inquiry, collaboration, and creative problem solving; and

WHEREAS, According to the United States Department of Labor, Bureau of Labor Statistics, there are more than 1.7 million practicing engineers in the United States, and according to the Board for Professional Engineers, Land Surveyors, and Geologists, there are 95,000 active, licensed engineers in the State of California; and

WHEREAS, Engineers' work drives our economy, and many experts predict that the United States needs to produce more engineers in order to meet future demand and to stay competitive in the global marketplace; and

WHEREAS, Engineers practice in a number of important specialties, including civil, mechanical, electrical, structural, geotechnical, chemical, control systems, fire protection, nuclear, industrial petroleum, metallurgical, agricultural, and traffic, and through these special disciplines, a complete range of engineering services is provided to both the private and public sectors in California; and

WHEREAS, Professional engineers are leaders in the development of more efficient, environmentally sustainable, technologically advanced designs relating to water quality, sewage treatment, sanitary engineering, flood control, structural integrity of buildings

and bridges, seismic safety, cleanup of hazardous waste and toxic sites, and public transportation, including highways, rail, waterways, and airports; and

WHEREAS, California's engineers apply their unique knowledge and skill to help communities grow, thrive, and remain safe, and are truly dedicated to building a better California; and

WHEREAS, It is appropriate at this time to recognize the contributions of engineering professionals to the betterment of humankind; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That in recognition of the services bestowed upon the citizens of the State of California by engineers, the Legislature hereby recognizes the week of February 21, 2021, to February 27, 2021, as Engineers Week; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the author for appropriate distribution.
