Senate Bill No. 793

CHAPTER 468

An act to amend Section 23320 of, and to add Article 7 (commencing with Section 23550) to Chapter 3 of Division 9 of, the Business and Professions Code, relating to alcoholic beverages.

[Approved by Governor September 22, 2022. Filed with Secretary of State September 22, 2022.]

LEGISLATIVE COUNSEL'S DIGEST

SB 793, Wiener. Alcoholic beverages: music venue licenses.

The Alcoholic Beverage Control Act contains various provisions regulating the application for, the issuance of, the suspension of, and the conditions imposed upon alcoholic beverage licenses by the Department of Alcoholic Beverage Control. Existing law provides for various annual fees for the issuance of alcoholic beverage licenses, depending upon the type of license issued.

This bill would authorize the department to issue a music venue license, as defined, that would allow the licensee to sell beer, wine, and distilled spirits at retail for consumption on the premises in a music entertainment facility, as defined. The bill would limit a music venue licensee's authorization to sell, serve, and permit consumption of alcoholic beverages to the time period from 2 hours before a live performance until one hour after the live performance, subject to existing law that makes selling, giving, delivering, or purchasing an alcoholic beverage between the hours of 2 a.m. and 6 a.m. of the same day a misdemeanor. The bill would authorize an on-sale general bona fide public eating place licensee or an on-sale general public premises licensee as of the effective date of this bill to exchange that license for a music venue license, as provided. The bill would impose an original fee, an exchange fee, and an annual renewal fee for the license, which would be deposited in the Alcohol Beverage Control Fund. The bill would authorize an on-sale licensee to permit a person under 21 years of age into the music entertainment facility, as provided. The bill would authorize the department to promulgate regulations to implement these provisions.

This bill would incorporate additional changes to Section 23320 of the Business and Professions Code proposed by AB 2971 to be operative only if this bill and AB 2971 are enacted and this bill is enacted last.

The annual fee provided at the time of application shall allow the license to be active for one year from the date of issuance and shall be refundable only in the event that the license application is withdrawn or denied.

(2) If an application includes multiple new permanent licenses to be issued at the same premises, the application fee shall be required for only one of the applied-for licenses and an application fee shall not be charged for the remainder of the licenses. In situations involving different license types, the application fee to be paid shall be the highest such fee as specified in subdivision (a). Notwithstanding this provision, the annual renewal fee required pursuant to this subdivision shall be payable for each license.

(d) Beginning January 1, 2021, and each January 1 thereafter, the department may adjust each of the fees specified in this section by increasing each fee by an amount not to exceed the percentage that the California Consumer Price Index (California Department of Industrial Relations, Division of Labor Statistics and Research, All Items, Base Period 1982-84=100) for the preceding August 2019, and each August annually thereafter, has increased under the same index over the month of August 2018, which shall be the base period. The department shall not adjust fees pursuant to this section if the balance of the Alcohol Beverage Control Fund at the end of the prior fiscal year is greater than one-fourth of the department's appropriation from the Alcohol Beverage Control Fund for the current fiscal year. No fee shall be decreased pursuant to this adjustment below the fee

currently in effect on each December 31. If the accumulation of percentage increases is greater than 8 percent, the department shall not adjust fees without the Legislature's approval through the budget process. In the event that this index is discontinued, the department shall consult with the Department of Finance to convert the increase calculations to an index then available. When approved by the Department of Finance, the new index shall replace the discontinued index.

(e) When fees are adjusted pursuant to subdivision (d), the department shall calculate the percentage increase as specified in that subdivision and shall apply this increase to each fee. The increase to each fee shall be rounded to the nearest whole five dollars (\$5). The adjusted fee list, to be effective on January 1 of the upcoming year, shall be published by the department on its internet website and transmitted in writing to the Chairperson of the Joint Legislative Budget Committee no later than January 10 of the year before it becomes effective. This adjustment of fees and publication of the adjusted fee list is not subject to the requirements of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

The annual fee provided at the time of application shall allow the license to be active for one year from the date of issuance and shall be refundable only in the event that the license application is withdrawn or denied.

(2) If an application includes multiple new permanent licenses to be issued at the same premises, the application fee shall be required for only one of the applied-for licenses and an application fee shall not be charged for the remainder of the licenses. In situations involving different license types, the application fee to be paid shall be the highest such fee as specified in subdivision (a). If an application for a new permanent license is combined with an application for license transfer pursuant to Section 24072 at the same premises, only the transfer application fee or the new permanent license application fee shall be required, whichever is highest. Notwithstanding this provision, the annual renewal fee required pursuant to this subdivision shall be payable for each license.

(d) Beginning January 1, 2021, and each January 1 thereafter, the department may adjust each of the fees specified in this section by increasing each fee by an amount not to exceed the percentage that the California Consumer Price Index (California Department of Industrial Relations, Division of Labor Statistics and Research, All Items, Base Period 1982-84=100) for the preceding August 2019, and each August annually thereafter, has increased under the same index over the month of August 2018, which shall be the base period. The department shall not adjust fees pursuant to this section if the balance of the Alcohol Beverage Control Fund at the end of the prior fiscal year is greater than one-fourth of the department's appropriation from the Alcohol Beverage Control Fund for the current fiscal year. No fee shall be decreased pursuant to this adjustment below the fee currently in effect on each December 31. If the accumulation of percentage increases is greater than 8 percent, the department shall not adjust fees without the Legislature's approval through the budget process. In the event that this index is discontinued, the department shall consult with the Department of Finance to convert the increase calculations to an index then available. When approved by the Department of Finance, the new index shall replace the discontinued index.

(e) When fees are adjusted pursuant to subdivision (d), the department shall calculate the percentage increase as specified in that subdivision and shall apply this increase to each fee. The increase to each fee shall be rounded to the nearest whole five dollars (\$5). The adjusted fee list, to be effective on January 1 of the upcoming year, shall be published by the department on its internet website and transmitted in writing to the Chairperson of the Joint Legislative Budget Committee no later than January 10 of the year before it becomes effective. This adjustment of fees and publication of the adjusted fee list is not subject to the requirements of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

SEC. 2. Article 7 (commencing with Section 23550) is added to Chapter 3 of Division 9 of the Business and Professions Code, to read:

Article 7. Music Venue License

23550. For purposes of this article:

(a) "On-sale licensee" means a person holding an on-sale general music venue license to serve alcoholic beverages on the premises of a music entertainment facility.

(b) "Music venue license" means an on-sale general for music entertainment facility license issued pursuant to this article.

(c) "Music entertainment facility" means a publicly or privately owned live performance venue, concert hall, auditorium, or an enclosed arena where music or entertainment events are presented for a price of admission. The facility does not have to be used exclusively for music or entertainment events. A venue is not a "music entertainment facility" for purposes of this article unless it satisfies all of the following criteria:

(1) The facility has defined performance and audience spaces.

(2) The facility includes mixing equipment, a public address system, and a lighting rig.

(3) The facility employs one or more individuals to serve not less than two of the following roles:

(A) A sound engineer.

(B) A booker.

(C) A promoter.

(D) A stage manager.

(E) Security personnel.

(F) A box office manager.

(4) There is a paid ticket or cover charge to attend performances at the facility and artists are paid and do not play for free or solely for tips, except for fundraisers or similar charitable events.

(5) Performances at the facility are marketed through listings in printed or electronic publications, on websites, by mass email, or on social media.

23552. (a) In addition to the licenses specified in Section 23320, the department may issue a music venue license to sell beer, wine, and distilled spirits at retail for consumption upon the premises only.

(b) The music venue license may be issued for a music entertainment facility providing alcoholic beverage service. Except as provided in this section, only licensees with a music venue license are authorized to sell beer, wine, and distilled spirits at retail for consumption upon the premises of the music entertainment facility. The license shall only be transferable from person to person at the same premises. A music venue license shall not be transferred or sold for a purchase price or consideration in excess of the original fee paid for that license.

(c) Subject to Section 25631, the music venue licensee may sell, serve, and permit consumption of alcoholic beverages only during the time period from two hours before a live performance until one hour after the live performance.

(d) (1) Issuance of the license shall be subject to the provisions of Section 23958.4.

(2) Issuance of the license shall not be subject to the provisions of Section 23816.

(e) An on-sale licensee may permit a person under 21 years of age into the music entertainment facility. This subdivision does not authorize the on-sale licensee to sell, furnish, or give any alcoholic beverages to a person under 21 years of age, or to engage in any other activity not otherwise authorized by this division.

(f) (1) An on-sale general bona fide public eating place licensee or an on-sale general public premises licensee as of the effective date of this section may exchange that license for a music venue license, subject to the qualifications of the premises as specified in this division. The exchange may be made at any time upon the approval of the department, the payment of an exchange fee of one hundred dollars (\$100), and compliance with the provisions of this division relating to the issuance of an original license.

(2) The department may modify its rules regarding the surrender of licenses to implement this subdivision.

(g) The department may promulgate regulations to implement this article.

SEC. 3. Section 1.5 of this bill incorporates amendments to Section 23320 of the Business and Professions Code proposed by both this bill and Assembly Bill 2971. That section of this bill shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2023, (2) each bill amends Section 23320 of the Business and Professions Code, and (3) this bill is enacted after Assembly Bill 2971, in which case Section 1 of this bill shall not become operative.
