Assembly Bill No. 2174

CHAPTER 308

An act to amend Section 23320 of, and to add Section 23399.01 to, the Business and Professions Code, relating to alcoholic beverages.

[Approved by Governor September 20, 2024. Filed with Secretary of State September 20, 2024.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2174, Aguiar-Curry. Alcoholic beverages: beer caterer's permit.

Existing law, the Alcoholic Beverage Control Act, regulates the application for, the issuance of, the suspension of, and the conditions imposed upon alcoholic beverage licenses by the Department of Alcoholic Beverage Control. Existing law generally provides that a violation of the Alcoholic Beverage Control Act is a misdemeanor. Existing law authorizes the issuance of a caterer's permit, upon application to the department, to a licensee under an on-sale general license, an on-sale beer and wine license, a club license, or a veterans' club license, that authorizes the holder of the permit to sell alcoholic beverages at specified locations and events, including, among others, conventions, sporting events, and trade exhibits. Existing law requires the permitholder to obtain consent from the department for each event in the form of a catering authorization and imposes a fee for the authorization based on the estimated attendance at each day of the event. Existing law imposes various limitations on the permits, including prohibiting a catering authorization from being issued for use at any one premises for more than 36 events in one calendar year, except as specified.

This bill would similarly authorize a licensed beer manufacturer to apply for, and the department to issue, a beer caterer's permit for the sale of up to 124 gallons of beer manufactured by or for the licensee per catering event for consumption at specified locations and events, including, among others, conventions, sporting events, and trade exhibits. The bill would require a permitholder to obtain consent from the department for each event in the form of a beer catering authorization and would impose the same fees as described above, and would require the permitholder to maintain records of all beer sales conducted under a beer caterer's permit for a minimum of 3 years. The bill would prohibit a beer catering authorization from being issued for more than 36 events per licensee per calendar year and would prohibit the department from issuing more than 2 beer catering authorizations for the same day at the same catering event. The bill would impose an annual fee for a beer caterer's permit of \$275 and would authorize the permit to be transferable as part of the beer manufacturer's license. By expanding the definition of a crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

(80) For a Type 90 - Music venue license in cities of less than 40,000, but more than 20,000 population: the fee is nine hundred seventy dollars (\$970).

(81) For a Type 90 - Music venue license in all other localities: the fee is seven hundred fifty-five dollars (\$755).

(82) For a Type 91 - Beer caterer's permit: the fee is two hundred seventy-five dollars (\$275).

(c) (1) In addition to the application fee for a new permanent license as specified in subdivision (a), an annual renewal fee, as set forth in subdivision (b), shall accompany the application. The application fee shall be nonrefundable up to the amount of the application fee in paragraph (1) of subdivision (a), as adjusted by subdivisions (d) and (e). The annual fee provided at the time of application shall allow the license to be active for one year from the date of issuance and shall be refundable only in the event that the license application is withdrawn or denied.

(2) If an application includes multiple new permanent licenses to be issued at the same premises, the application fee shall be required for only one of the applied-for licenses and an application fee shall not be charged for the remainder of the licenses. In situations involving different license types, the application fee to be paid shall be the highest such fee as specified in subdivision (a). If an application for a new permanent license is combined with an application for license transfer pursuant to Section 24072 at the same premises, only the transfer application fee or the new permanent license application fee shall be required, whichever is highest. Notwithstanding this provision, the annual renewal fee required pursuant to this subdivision shall be payable for each license.

(d) Beginning January 1, 2021, and each January 1 thereafter, the department may adjust each of the fees specified in this section by increasing each fee by an amount not to exceed the percentage that the California Consumer Price Index (California Department of Industrial Relations, Division of Labor Statistics and Research, All Items, Base Period 1982–84=100) for the preceding August 2019, and each August annually thereafter, has increased under the same index over the month of August 2018, which shall be the base period. The department shall not adjust fees pursuant to this section if the balance of the Alcohol Beverage Control Fund at the end of the prior fiscal year is greater than one-fourth of the department's appropriation from the Alcohol Beverage Control Fund for the current fiscal year. No fee shall be decreased pursuant to this adjustment below the fee currently in effect on each December 31. If the accumulation of percentage increases is greater than 8 percent, the department shall not adjust fees without the Legislature's approval through the budget process. In the event that this index is discontinued, the department shall consult with the Department of Finance to convert the increase calculations to an index then available. When approved by the Department of Finance, the new index shall replace the discontinued index.

(e) When fees are adjusted pursuant to subdivision (d), the department shall calculate the percentage increase as specified in that subdivision and shall apply this increase to each fee. The increase to each fee shall be rounded to the nearest whole five dollars (\$5). The adjusted fee list, to be effective on January 1 of the upcoming year, shall be published by the department on its internet website and transmitted in writing to the Chairperson of the Joint Legislative Budget Committee no later than January 10 of the year before it becomes effective. This adjustment of fees and publication of the adjusted fee list is not subject to the requirements of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

SEC. 2. Section 23399.01 is added to the Business and Professions Code, to read:

23399.01. (a) (1) A beer manufacturer licensee may apply to the department for a beer caterer's permit. A caterer's permit issued to a beer manufacturer licensee shall authorize the sale of up to 124 gallons of beer manufactured by or for the licensee per catering event for consumption at conventions, sporting events, trade exhibits, picnics, social gatherings, community events, or similar events held any place in the state approved by the department. A beer caterer's permit does not grant any off-sale privileges and beer sold under a beer caterer's permit shall not be removed from the premises of a beer catering authorization.

(2) A licensee shall maintain records of all beer sales conducted under a beer caterer's permit for a minimum of 3 years.

(b) For each catering event, consent for the sale of beer shall be first obtained by the licensee from the department in the form of a beer catering authorization from the department. A beer catering authorization shall be subject to approval by the appropriate local law enforcement agency. The fee for each beer catering authorization shall be based on the estimated attendance on each day of the event and shall be the same as the event authorization fee specified in Section 23399.

(1) The department may approve a beer catering authorization in the same manner as it does for catering authorizations issued pursuant to Section 23399. The department shall not approve more than two beer catering authorizations for the same day at the same catering event.

(2) A beer catering authorization shall not be issued for more than 36 events per licensee in one calendar year.

(c) The annual fee for a beer caterer's permit shall be the annual fee as specified in subdivision (b) of Section 23320. The permit may be renewed annually at the same time as the licensee's license. A beer caterer's permit shall be transferable as a part of the license.

(d) At all approved events, the licensee may exercise only those privileges authorized by the licensee's license and shall comply with all provisions of the act pertaining to the conduct of the beer manufacturer license. A violation of those provisions may be grounds for suspension or revocation of the licensee's license or permit, or both, as though the violation occurred on the licensed premises.

(e) All fees collected pursuant to this section shall be deposited in the Alcohol Beverage Control Fund as provided in Section 25761.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.
