Assembly Bill No. 2669

CHAPTER 731

An act to add Sections 27567, 30114, and 30814 to the Streets and Highways Code, relating to transportation.

[Approved by Governor September 27, 2024. Filed with Secretary of State September 27, 2024.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2669, Ting. Toll bridges: tolls.

Existing law provides for the construction and operation of various toll bridges by the state, the Golden Gate Bridge, Highway and Transportation District, and private entities that have entered into a franchise agreement with the state.

This bill would prohibit a toll from being imposed on the passage of a pedestrian, bicycle, or personal micromobility device over these various toll bridges, unless the bridge was under construction on or after January 1, 2025, and the tolls are used to fund the cost of constructing the bridge.
