Senate Bill No. 314

CHAPTER 389

An act to add Chapter 6.10 (commencing with Section 21590) to Division 21 of the Elections Code, relating to elections.

Approved by Governor October 07, 2023. Filed with Secretary of State October 07, 2023.

LEGISLATIVE COUNSEL'S DIGEST

SB 314, Ashby. County of Sacramento Redistricting Commission.

Existing law requires the board of supervisors of each county, following each decennial federal census, and using that census as a basis, to adjust the boundaries of any or all of the supervisorial districts of the county so that the districts are as nearly equal in population as possible and comply with applicable federal law, and specifies the procedures the board of supervisors must follow in adjusting those boundaries. Existing law establishes the Independent Redistricting Commission in the County of San Diego, the Citizens Redistricting Commission in the County of Los Angeles, and the Citizens Redistricting Commission in the County of Riverside, which are charged with adjusting the supervisorial district boundaries for those counties.

This bill would establish the Citizens Redistricting Commission in the County of Sacramento, which would be charged with adjusting the boundary lines of the districts of the Board of Supervisors of the County of Sacramento. The commission would consist of 14 members and 2 non-voting alternates who meet specified qualifications. This bill would require the commission to adjust the boundaries of the supervisorial districts in accordance with specified criteria and adopt a redistricting plan in accordance with existing deadlines for the adoption of county supervisorial district boundaries. The bill would prohibit a member of an independent redistricting commission from communicating with any individual or organization regarding redistricting matters, as specified. By increasing the duties on local officials, the bill would impose a state-mandated local program.

If AB 1248 of the 2023-24 Regular Session is enacted and takes effect on or before January 1, 2024, this bill would permit the County of Sacramento to establish a redistricting commission in accordance with the provisions of that bill that pertain to county redistricting commissions instead of establishing a commission in accordance with the provisions of this bill.

This bill would make legislative findings and declarations as to the necessity of a special statute for the unique circumstances facing the County of Sacramento.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

- **21591.** There is, in the County of Sacramento, a Citizens Redistricting Commission. In the year following the year in which the decennial federal census is taken, the commission shall adjust the boundary lines of the supervisorial districts of the board in accordance with this chapter.
- **21592.** (a) The commission shall be created no later than December 31, 2030, and in each year ending in the number zero thereafter.
- (b) The selection process is designed to produce a commission that is independent from the influence of the board and reasonably representative of the county's diversity.
- (c) The commission shall consist of 14 members and two alternates. The political party preferences of the commission members, as shown on the members' most recent affidavits of registration, shall be as proportional as possible to the total number of voters who are registered with each political party in the County of Sacramento, or who decline to state or do not indicate a party preference, as determined by registration at the most recent statewide election. However, the political party or no party preferences of the commission members are not required to be exactly the same as the proportion of political party and no party preferences among the registered voters of the county. At least one commission member shall reside in each of the five existing supervisorial districts of the board.
 - (1) Alternates may fully participate in commission deliberations but shall not vote and shall not be counted towards the establishment of a quorum.

The county executive shall review the applications and eliminate applicants who do not meet the specified qualifications.
- (f) (1) From the pool of qualified applicants, the county executive shall select 60 of the most qualified applicants, taking into account the requirements described in subdivision (c). The county executive shall make public the names of the 60 most qualified applicants for at least 30 days. The county executive shall not communicate with a member of the board, or an agent for a member of the board, about any matter related to the nomination process or applicants before the publication of the list of the 60 most qualified applicants.
 - (2) During the period described in paragraph (1), the county executive may eliminate any of the previously selected applicants if the county executive becomes aware that the applicant does not meet the qualifications specified in subdivision (d).
- (g) (1) After complying with the requirements of subdivision (f), the county executive shall create a subpool for each of the five existing supervisorial districts of the board.
 - (2) (A) At a regularly scheduled meeting of the board, the county executive shall conduct a random drawing to select one commissioner from each of the five subpools established by the county executive.
 - (B) After completing the random drawing pursuant to subparagraph (A), at the same meeting of the board, the county executive shall conduct a random drawing from all of the remaining applicants, without respect to subpools, to select three additional commissioners.
- (h) (1) The eight selected commissioners shall review the remaining names in the subpools of applicants and shall appoint six additional applicants to the commission.
 - (2) The six appointees shall be chosen based on relevant experience, analytical skills, and ability to be impartial, and to ensure that the commission reflects the county's diversity, including racial, ethnic, geographic, and gender diversity. However, formulas or specific ratios shall not be applied for this purpose. The eight commissioners shall also consider political party preference, selecting applicants so that the political party preference of the members of the commission complies with subdivision (c).
- **21593.** (a) A commission member shall apply this chapter in a manner that is impartial and that reinforces public confidence in the integrity of the redistricting process.

- (f) (1) A member of an independent redistricting commission established pursuant to Section 21591 shall not communicate with any individual or organization regarding redistricting matters outside of a public meeting.
 - (2) This subdivision does not do either of the following:

- **21594.** (a) The commission shall establish single-member supervisorial districts for the board pursuant to a mapping process using the following criteria as set forth in the following order of priority:
 - (1) (A) Districts shall comply with the United States Constitution and each district shall have a reasonably equal population with other districts for the board, except where deviation is required to comply with the federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10101 et seq.) or allowable by law.
 - (B) Population equality shall be based on the total population of residents of the county as determined by the most recent federal decennial census for which the redistricting data described in Public Law 94-171 are available.
 - (C) Notwithstanding subparagraph (B), an incarcerated person, as that term is used in Section 21003, shall not be counted towards the county's population, except for an incarcerated person whose last known place of residence may be assigned to a census block in the county, if information about the last known place of residence for incarcerated persons is included in the computerized database for redistricting that is developed in accordance with subdivision (b) of Section 8253 of the Government Code, and that database is made publicly available.

A community of interest is a contiguous population that shares common social and economic interests that should be included within a single district for purposes of its effective and fair representation. Communities of interest shall not include relationships with political parties, incumbents, or political candidates.
 - (5) To the extent practicable, and where this does not conflict with paragraphs (1) to (4), inclusive, districts shall be drawn to encourage geographical compactness such that nearby areas of population are not bypassed for more distant areas of population.
- (b) The place of residence of any incumbent or political candidate shall not be considered in the creation of a map. Districts shall not be drawn for purposes of favoring or discriminating against an incumbent, political candidate, or political party.
- (c) (1) The commission shall comply with the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code).
 - (2) (A) Before the commission draws a map, the commission shall conduct at least seven public hearings, to take place over a period of no fewer than 30 days, with at least one public hearing held in each supervisorial district.
 - (B) In the event any state or local health order prohibits large gatherings, the commission may modify the location of the hearings, including through the use of virtual hearings that use technology to permit remote viewing and participation, to the extent required to comply with public health requirements. If the commission modifies the location of a hearing, it shall provide opportunities to view and listen to proceedings by video, to listen to proceedings by phone, and to provide public comment by phone and in writing with no limitation on the number of commenters. The commission shall, to the greatest extent practicable, provide an opportunity for in-person participation for at least one hearing in each supervisorial district. Methods for providing in-person participation may include setting up multiple rooms with audiovisual connections to the hearing, allowing community members to make appointments to make public comment, providing personal protective equipment, or holding hearings in outdoor spaces.

 - (B) Notwithstanding Section 54954.2 of the Government Code, the commission shall post the agenda for the public hearings described in paragraphs (2) and (3) at least seven days before the hearings. The agenda for a meeting required by

paragraph (3) shall include a copy of the draft map.

- (5) (A) The commission shall arrange for the live translation of a hearing held pursuant to this chapter in an applicable language if a request for translation is made at least 24 hours before the hearing.
 - (B) For purposes of this paragraph, an "applicable language" means a language for which the number of residents of the County of Sacramento who are members of a language minority is greater than or equal to 3 percent of the total voting age residents of the county.

 - (A) Providing information through media, social media, and public service announcements.

- (8) The board shall provide for reasonable funding and staffing for the commission.
- (9) All records of the commission relating to redistricting, and all data considered by the commission in drawing a draft map or the final map, are public records.
- (d) (1) The commission shall adopt a redistricting plan adjusting the boundaries of the supervisorial districts and shall file the plan with the county elections official by the map adoption deadline set forth in subdivision (a) of Section 21501. The commission shall not release a draft map before the date set forth in paragraph (3) of subdivision (d) of Section 21508.
 - (2) The plan shall be subject to referendum in the same manner as ordinances.
 - (3) The commission shall issue, with the final map, a report that explains the basis on which the commission made its decisions in achieving compliance with the criteria described in subdivisions (a) and (b).
- **21595.** A commission member shall be ineligible for a period of five years beginning from the date of appointment to hold elective public office at the federal, state, county, or city level in this state. A commission member shall be ineligible for a period of three years beginning from the date of appointment to hold appointive federal, state, or local public office, to serve as paid staff for, or as a paid consultant to, the Board of Equalization, the Congress, the Legislature, or any individual legislator, or to register as a federal, state, or local lobbyist in this state.
