Senate Bill No. 360

CHAPTER 108

An act to amend Section 30318 of the Public Resources Code, relating to coastal resources.

[Approved by Governor July 21, 2023. Filed with Secretary of State July 21, 2023.]

LEGISLATIVE COUNSEL'S DIGEST

SB 360, Blakespear. California Coastal Commission: member voting.

Existing law, the California Coastal Act of 1976, establishes the California Coastal Commission and prescribes the membership and duties of the commission. The act provides that its provisions do not preclude or prevent any member or employee of the commission who is also an employee of another public agency, a county supervisor or city councilperson, or a member of specified associations or organizations, and who has in that designated capacity voted or acted upon a particular matter, from voting or otherwise acting upon that matter as a member or employee of the commission.

This bill would apply the latter provision to a member of a joint powers authority and a member of a local agency formation commission. The bill would also correct the name of an organization and make nonsubstantive changes.

This section shall not exempt a member or employee of the commission from any other provision of this article.
