CALIFORNIA LEGISLATURE— 2025–2026 REGULAR SESSION

ASSEMBLY BILL

NO. 750

Introduced by Assembly Member Quirk-Silva
(Coauthors: Assembly Members Alanis, Haney, and Schiavo)

February 18, 2025

An act to amend Sections 17974.1, 17974.3, and 17974.5 of, and to add Section 17974.1.5 to, the Health and Safety Code, relating to housing.

LEGISLATIVE COUNSEL'S DIGEST

AB 750, as amended, Quirk-Silva. Homeless shelters: safety regulations.

The State Housing Law, among other things, requires the Department of Housing and Community Development to adopt, amend, or repeal rules and regulations for the protection of the health, safety, and general welfare of the occupant and the public relating to specified residential structures, as provided, which apply throughout the state. Existing law requires the housing or building department of every city or county, or the health department if there is no building department, to enforce within its jurisdiction the provisions of the State Housing Law, building standards, and the other rules and regulations adopted by the department pertaining to the maintenance, sanitation, ventilation, use, or occupancy of apartment houses, hotels, or dwellings. Existing law authorizes an officer, employee, or agent of an enforcement agency to enter and inspect any building or premises whenever necessary to secure compliance with, or prevent a violation of, specified law, including the State Housing Law. A violation of the State Housing Law, or of the building standards or rules and regulations adopted pursuant to that law, is a misdemeanor.

Existing law requires a city or county that receives a complaint from an occupant of a homeless shelter, as defined, or an agent of an occupant, alleging that a homeless shelter is substandard to inspect the homeless shelter, as specified. Existing law requires a city or county that determines a homeless shelter is substandard to issue a notice to correct the violation to the owner or operator of the homeless shelter, as specified. Existing law makes the owner or operator of a homeless shelter responsible for correcting any violation cited pursuant to these provisions.

This bill would require a city or county to additionally perform an annual inspection of every homeless shelter located in its ~~jurisdiction~~ jurisdiction, as prescribed. The bill would authorize the above-described inspection or annual inspection to be

announced or unannounced. The bill would require homeless shelters to prominently display notice of an occupant's rights, the process for reporting a complaint alleging a homeless shelter is substandard, and prescribed information, including specified contact information. The bill would require the homeless shelter to provide the same notice in writing to new occupants upon intake.

Existing law authorizes a city or county to impose additional civil penalties on an owner or operator that fails to correct a violation within the required time period. Existing law prohibits a city or county from awarding or distributing any state funding, as defined, to the owner or operator of a homeless shelter for purposes of operating the homeless shelter if, among other things, the owner or operator fails to correct a violation within the required time period. Existing law also authorizes legal action to enforce the requirements of these provisions, as specified.

This bill would entitle a plaintiff who prevails in an above-described legal action to recover reasonable attorney's fees and costs. The bill would additionally authorize the Department of Housing and Community Development to bring a civil action to enforce these provisions.

Existing law requires each city and county to annually submit a report that provides specified information relating to inspections of homeless shelters, including a list of owners or operators of homeless shelters who received 3 or more violations within any 6-month period. If there are no outstanding violations or violations corrected during the applicable period, existing law exempts a city or county from submitting that report. Existing law authorizes the Department of Housing and Community Development or the Business, Consumer Services, and Housing Agency to deem an owner or operator of a shelter ineligible for state funding, as defined, for shelter operations based on the information provided in the report.

This bill would, instead, require a city or county to submit a report each year, regardless of whether the city or county received any complaints, and to include in its annual report the number of complaints received by the city or county that year, including if the city or county did not receive any complaints. The bill would require the department to withhold state funding from a city or county that fails to comply with its reporting requirements or fails to take action to correct a violation by a homeless shelter.

By adding to the duties of local officials with respect to enforcement of the State Housing Law, the violation of which is a crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

- (2) Identify whether the homeless shelter or any portion thereof intended for human occupancy is substandard pursuant to Section 17920.3, as applicable. The documentation shall be included in the inspection report described in subdivision (h).
- (3) As applicable, advise the owner or operator of a homeless shelter of each violation and of each action that is required to be taken to remedy the violation. The city or county shall schedule a reinspection to verify correction of the violations.

(b) Notwithstanding any other provision of this part, and consistent with Section 17970, a city or county shall perform an annual inspection on every homeless shelter located in its jurisdiction to ensure that the homeless shelter is compliant with this part. (e) The city or county shall maintain all records on file of each homeless shelter inspection. These records shall be made available to the public for inspection.

(f) A city or county shall perform an inspection conducted pursuant to subdivision (a) at least as promptly as that city or county conducts an inspection in response to a request for final inspection pursuant to Section 110 of Part 2 of Division 2 of Chapter 1 of the California Building Code (Part 2 of Title 24 of the California Code of Regulations).

(h) A city or county shall provide free, certified copies of an inspection report and citations issued pursuant to this section, if any, to the complaining occupant or their agent. If the inspection reveals a condition potentially affecting multiple occupants, including, but not limited to, conditions relating to the premises, common areas, or structural features, then the city or county shall provide free copies of the inspection report and citations issued to all potentially affected occupants or their agents.

(i) A city or county shall not unreasonably refuse to communicate with an occupant or the agent of an occupant regarding any matter covered by this article.

(b) The report submitted pursuant to subdivision (a) shall be submitted in compliance with Section 9795 of the Government Code.

(c) If a city or county applies for state funding to support the ongoing operations of a homeless shelter, the city or county shall disclose to the state agency that administers the state funding the status of any unresolved violations pursuant to this article and the names of the homeless shelter owner or operator.

(d) The department or the state agency, may, pursuant to the reported information in subdivision (b), deem an owner or operator of a shelter ineligible for state funding for shelter operations.

(e) The department shall withhold state funding from a city or county that fails to comply with the reporting requirements in this section or fails to take action to correct a violation of this article by a homeless shelter pursuant to Section 17974.4.

SEC. 5. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for certain costs that may be incurred by a local agency or school district because, in that regard, this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.
