CALIFORNIA LEGISLATURE— 2025–2026 REGULAR SESSION

ASSEMBLY BILL

NO. 999

Introduced by Assembly Member Blanca Rubio

February 20, 2025

An act to amend Section 21709 of the Public Utilities Code, relating to aviation.

LEGISLATIVE COUNSEL'S DIGEST

AB 999, as introduced, Blanca Rubio. Skydiving or sport parachuting operations.

Existing law requires owners and operators of a skydiving or sport parachuting operation to have a duty to ensure that the parachutist in command of a tandem jump and the parachute rigger responsible for packing the parachute are in compliance with all federal laws relating to parachute safety and certification, to the extent allowed by federal law.

This bill would make a nonsubstantive change to that provision.
