Senate Bill No. 271

CHAPTER 600

An act to amend Sections 66023.4 and 66023.5 of, and to add Sections 66027.83 and 66062 to, the Education Code, relating to public postsecondary education.

[Approved by Governor October 11, 2025. Filed with Secretary of State October 11, 2025.]

LEGISLATIVE COUNSEL'S DIGEST

SB 271, Reyes. Public postsecondary education: students with dependent children: childcare services, resources, and programs.

Existing law establishes the University of California, the California State University, and the California Community Colleges, as the 3 segments of public postsecondary education in this state.

Existing law requires each community college campus and each California State University campus, and requests each University of California campus, to establish the position of the Basic Needs Coordinator to assist students, among other responsibilities, with basic needs services and resources, including childcare, and to establish a Basic Needs Center where basic needs services, resources, and staff are made available to students, as provided. Existing law requires each Basic Needs Center to, among other things, connect students to the financial aid department or financial aid office, as appropriate, to ensure that students are receiving all available financial aid.

This bill would expand the definition of basic needs services and resources to include childcare services and resources, as defined, and would authorize that childcare services and support to include direct financial and service support. The bill would explicitly state that all available financial aid includes supplemental awards such as the Cal Grant award for students with dependent children. If a campus has an existing center or office that supports parenting students, the bill would authorize a Basic Needs Center to direct that student to the student parent center or office if the student would be better served by that center or office.

Existing law requires each campus of the California State University and the California Community Colleges, and requests each campus of the University of California, to host on its internet website a student parent internet web page that contains information that clearly lists all on- and off-campus student parent services and resources, as specified.

This bill would require the financial aid office of each campus of the California Community Colleges and the California State University, and request the financial aid office of each campus of the University of California, to provide students with dependent children information on the campus' childcare development center and childcare offerings, if applicable, a referral to the campus Basic Needs Center, and information on supplemental awards such as the Cal Grant award for students with dependent children, as provided.

Existing law authorizes public postsecondary institutions to establish and maintain child development programs on or near their campuses.

This bill would require child development programs or preschools established by the California Community Colleges and the California State University, and request child development programs or preschools established by the University of California, to provide students with dependent children seeking childcare with a referral to the campus Basic Needs Center and the campus' financial aid office, as specified.

By imposing additional duties on community college districts, this bill would impose a state-mandated local program.

This bill would incorporate additional changes to Section 66023.5 of the Education Code proposed by SB 148 and AB 148 to be operative only if this bill and either SB 148 or AB 148 are enacted and this bill is enacted last.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. Section 66023.4 of the Education Code is amended to read:

(1) "Basic needs services and resources" includes, but is not limited to, housing, food, clothing, feminine hygiene, diapers, technology, childcare services and resources, and mental health services and resources.

(2) "Childcare services and resources" includes, but is not limited to, providing information on affordable childcare options on and near campus and information and connections to local resource and referral agencies in order to obtain support in applying to state and federal childcare subsidies and programs and finding local childcare providers, including, but not limited to, the California state preschool program, Head Start, the California Work Opportunity and Responsibility to Kids (CalWORKs) childcare program, and general child care and development programs. Childcare services and resources may also include direct financial or service support.

(3) "Coordinator" means a basic needs coordinator established pursuant to this section.

(b) Each campus of the California State University shall, and each campus of the University of California is requested to, do all of the following:

(1) On or before July 1, 2025, establish the position of the Basic Needs Coordinator, and designate a staff person as the Basic Needs Coordinator to serve as the single point of contact for students experiencing basic needs insecurity related to basic needs services and resources. The coordinator shall act as a broker in identifying, supporting, and linking students to on- and off-campus housing, food, mental health, and other basic needs services and resources. To ensure the effectiveness and impact of this position, the coordinator shall be a dedicated position solely focused on addressing the basic needs of students and meet qualifications such as experience providing services to high-need and diverse populations. The coordinator shall oversee and coordinate with other staff tasked with addressing students' basic needs, shall inform students of on- and off-campus basic needs services and resources and how to access them, and shall develop on- and off-campus partnerships to provide basic needs services and resources to their students.

(2) (A) On or before July 1, 2025, establish a Basic Needs Center, which means a central location on campus where basic needs services, resources, and staff are made available to students. The Basic Needs Center is intended to be a one-stop, single location and point of contact for students to more easily access and gain awareness of basic needs services and resources. The campus shall make a reasonable effort to locate all on-campus basic needs services and resources at the Basic Needs Center. If the campus cannot reasonably locate all basic needs services or resources at the Basic Needs Center, the campus shall provide students with the location and contact information, including name, telephone number, and email address, for all basic needs services and resources not located in the Basic Needs Center. The coordinator shall be housed in the Basic Needs Center.

(B) Each Basic Needs Center shall do all of the following:

(i) Help ensure that students have the information they need to enroll in CalFresh, the California Earned Income Tax Credit (CalEITC), the Young Child Tax Credit (YCTC), the California Special Supplemental Nutrition Program for Women, Infants, and Children (WIC), and other relevant government benefits programs. This clause does not require campus Basic Needs Centers to provide tax advising or preparation services.

(ii) If a campus has an existing center or office that supports parenting students and a student may be better served by that center or office, have the authority to direct that student to the student parent center or office.

(iii) Coordinate with their campus financial aid department or financial aid office. This clause does not require nor encourage the Basic Needs Center to be combined or colocated with the financial aid department or financial aid office.

(iv) Connect students to the financial aid department or financial aid office, as appropriate, to ensure that students are receiving all available financial aid, including supplemental awards such as the awards for students with dependent children established pursuant to Article 9 (commencing with Section 69465) of Chapter 1.7 of Part 42.

(v) Coordinate with their local homelessness response system to refer students to community resources available to address homelessness in addition to services and resources provided by the campus.

(C) Basic Needs Centers may provide support to students who can be reasonably expected to enroll in the upcoming term and to provide support to students during summer and winter breaks who were previously enrolled or are enrolled for the upcoming fall or spring term.

(D) Campuses shall endeavor, to the extent feasible, to use a portion of any funds made available for basic needs support for providing funds directly to students to address urgent needs. To the extent that a Basic Needs Center is already in place, that center may be used to satisfy the requirements of this section. If the existing Basic Needs Center fulfills only part of the requirements of this section, basic needs services and resources shall be expanded as needed to satisfy all the requirements of this section.

(E) The childcare services and resources a Basic Needs Center may provide for parenting students includes, but is not limited to, direct financial or service support.

(3) (A) On or before February 1, 2025, develop a document that shall be provided to students at the Basic Needs Center, once established pursuant to paragraph (2), in either electronic format or paper form, and that shall be made available to students online, that clearly lists on- and off-campus basic needs services and resources that includes, but is not limited to, all of the following:

(B) Provide the document to students as a part of campus orientations in either electronic format or paper form.

(C) Provide to faculty the online link to the electronic format of the document, the location of the Basic Needs Center, once established pursuant to paragraph (2), and the contact information for the coordinator, once designated pursuant to paragraph (1), and encourage faculty to include the online link to the electronic format of the document, the location of the Basic Needs Center, and the contact information for the coordinator in their syllabi.

(D) To ensure that the document remains useful to students, the document shall be reviewed, updated, and made available online on both the internet website of the campus via the student basic needs tab and the internet website-based student account associated with a student's attendance at the institution, as specified in paragraph (6), no later than the first day of every fall semester or fall quarter.

(4) On or before February 1, 2025, streamline the application and intake process for on-campus basic needs services and resources to minimize duplication and eliminate barriers to access. If an application is required, develop and use a single application for students to receive on-campus basic needs services and resources.

(5) On or before February 1, 2025, develop and implement a plan to identify and provide outreach to students, including nontraditional students, who have basic needs insecurity related to housing, food, and mental health. (E) Whether students who used the basic needs services and resources remained enrolled or graduated from that campus.

(F) The number of students who first started receiving CalFresh benefits in the previous year and the total number of students in the previous year who received CalFresh benefits, as provided by the State Department of Social Services.

(G) Whether the campus has a data sharing agreement with the relevant county operating the CalFresh program for the purpose of identifying new, continuing, and returning students who are potentially eligible for CalFresh benefits, or efforts underway to enact such an agreement.

(2) The data and information reported under this subdivision shall be disaggregated by each basic needs service and resource, where applicable.

(3) Campuses are encouraged to collaborate with the State Department of Social Services to obtain the data identified in paragraph (1), as applicable.

(d) (1) The office of the Chancellor of the California State University shall, and the office of the President of the University of California is requested to, develop and submit to the Governor and the Legislature, on or before March 1 of each year from 2026 to 2030, inclusive, a report based on the data and information reported by campuses pursuant to paragraphs (1) and (2) of subdivision (c) and information on the use of funds made available from the Budget Act of 2022 to implement this section.

(2) A legislative report that includes the information required to be reported in this subdivision and submitted in any of the years 2026 to 2030, inclusive, shall fulfill the reporting requirement pursuant to this subdivision to reduce duplicative efforts.

(e) This section does not preclude the California State University and the University of California from having additional basic needs staff who assist the Basic Needs Coordinator in completing the requirements of subdivision (b).
